

Book & Author

From our Authors

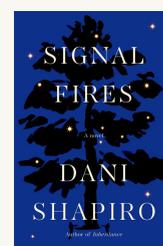

Everything was wonderful throughout the entire event! Everyone was so nice and Laurie was just an angel.

*The planning and execution of this event was just flawless in every regard. Putting on that ballroom luncheon was quite a task and it went perfectly from beginning to end! Please give my regards to everyone!
All the best,
Larry*

A million thanks for a wonderful event; I can't imagine the work that goes into making something that large a success, and I hope you went home and slept for a full day. I met so many lovely and fascinating people... Please extend my deepest gratitude to everyone involved!

*Warmly,
Rebecca*

I can't thank you enough for inviting me to such a lovely event!! Everything from start to finish was spectacular. Everyone was so warm and welcoming. I even sent a note to my publicist this morning telling her as much.

Please give everyone my thanks and I sincerely hope you will call me when you come to Atlanta. I promise to show you a grand time!!

*Hugs,
Wanda*

I had such a lovely time with you all, and am so impressed by everything the BNC does. What a force! It's wonderful to hear that people enjoyed my talk, and that book clubs are selecting Signal Fires. It's so kind of you to let me know, and your words about my book mean a great deal to me.

It's evident how much work, and how much care, goes into the Books & Author luncheon. I was so glad to be a part of it.

I hope our paths cross again.

*Warmly,
Dani*
