Psalm 91

December 1st, 2022

Amplified Bible

Security of the One Who Trusts in the LORD.

1He who **[a]**dwells in the shelter of the Most High
Will remain secure *and* rest in the shadow of the Almighty [whose power no enemy can withstand].

2I will say of the LORD, "He is my refuge and my fortress,
My God, in whom I trust [with great confidence, and on whom I rely]!"

3For He will save you from the trap of the fowler,
And from the deadly pestilence.

4He will cover you *and* completely protect you with His pinions,
And under His wings you will find refuge;
His faithfulness is a shield and a wall.

5You will not be afraid of the terror of night,
Nor of the arrow that flies by day,

6Nor of the pestilence that stalks in darkness,
Nor of the destruction (sudden death) that lays waste at noon.

7A thousand may fall at your side
And ten thousand at your right hand,
But danger will not come near you.

8You will only [be a spectator as you] look on with your eyes
And witness the [divine] repayment of the wicked [as you watch safely from the shelter of the Most High].

9Because you have made the LORD, [who is] my refuge,
Even the Most High, your dwelling place,

10No evil will befall you,
Nor will any plague come near your tent.

11For He will command His angels in regard to you,
To protect *and* defend *and* guard you in all your ways [of obedience and service].

12They will lift you up in their hands,
So that you do not [even] strike your foot against a stone.

13You will tread upon the lion and cobra;
The young lion and the serpent you will trample underfoot.

14"Because he set his love on Me, therefore I will save him;
I will set him [securely] on high, because he knows My name [he confidently trusts and relies on Me,
knowing I will never abandon him, no, never].

15"He will call upon Me, and I will answer him;
I will be with him in trouble;
I will rescue him and honor him.

[16](#)“With a long life I will satisfy him
And I will let him see My salvation.”

You Are My Broken Pencil

December 2nd, 2022

Lord, thank you for writing beautifully with Your broken pencils. Amen.

Jesus began speaking to Mother Clare, *“I do so believe in you. You have no idea how truly, deeply and profoundly you are united to Me, as truly we are one heart, one mind and one body. Though you put yourself down, I raise you up. You are so very precious and profoundly close to Me; you will not know it until Heaven. I tell you this because I want you to have confidence in what I am telling you. Great confidence in what you are doing for Me, because truly My Spirit is alive and well in you.*

“You just don’t see it or understand it, yet it is visible to the simple and childlike and our episodes nourish them like milk and honey, yet there is profound nourishment to be encountered there too. But mostly what I want you to know My Love, is how very dear you are to Me and how much you resemble me in your thinking, in your desiring. And this is what it is all about. One must go way below the surface to see and feel the connection, how sad it is that you are set aside by the Christian community and falsely accused of all kinds of calumny and yet you still love and hold out hope for them. This is tragic to Me because so much goodness is flowing from Me through you and yet they will not drink. What good company you are in as the prophets of old were, they too were scorned and rejected, they knew the deep wound of rejection from their own and yet they preferred to be ostracized than to compromise. This too is a mark of predilection.

“My Heart Dwellers, it is essential for you all to recognize that this dialogue between her and I is a gift to you more than anything else. It is not her gift; it is My gift to be shared with you so that you can pursue Me and be brought into the same very deep and tender relationship. She is merely a vessel, a very broken vessel at that, and each one of her scars is an opportunity for you to experience My Mercy in your own lives. I have chosen her because she is weak in so many different ways that it covers just about everything you all struggle with. She is less bright than you are, she is more compulsive than most of you, she is impatient and flighty, easily distracted, not capable of great fasting or self-denial, drifts in and out of her love affair with the world...flowers, etc....but she offers Me the very perfect opportunity to speak to you about your faults, and for you to understand that I am for you with all of My Heart.

“ Many of you are far more intelligent, self-controlled, dedicated, focused, reliable, oh I could go on and on and on. But I have chosen the foolish ones of this world over those who are considered so very wise and capable. Yes, even as it is written, “the foolishness of God is wiser than human wisdom, and the weakness of God is stronger than human strength. Brothers and sisters, think of what you were when you were called. Not many of you were wise by human standards; not many were influential; not many were of noble birth. But God chose the foolish things of the world to shame the wise; God chose the weak things of the world to shame the strong. God chose the lowly things of this world and the despised things—and the things that are not—to nullify the things that are, so that no one may boast before Him. It is because of Him that you are in Christ Jesus, who has become for us wisdom from God—that is, our righteousness, holiness and redemption.” That’s found in I Corinthians Chapter 1.

“What I am wanting to get across to all of you is that you have nothing to be jealous of in this hand maiden, she has more faults than all of you put together, and I am saying this as the Lord of all flesh and author of life, I promise you this is no exaggeration. So, what is so different about her? Nothing really, she is very common, and that’s what makes her the perfect example for all of you of what is possible with Me. Give Me your life and I will do wonderful things with you. Give Me your life and I will live through you. Give Me your failures and faults and I will work through them to make My Glory shine. Each one of you have more potential than she has, that is another reason I chose her.

“When she was studying the New Age, the devils passed over her because they wanted someone more gifted, she didn’t qualify in more ways than I can tell you. But she qualified in My eyes, because she was seeking the truth above all other things and was willing to come to terms with her lack luster qualifications. She knew that My Love was all that mattered to her and the rest was irrelevant. To this day her struggles still cause her to stumble...but I lift her up because she doesn’t count on herself, she counts on Me to do it.

“Yes, she puts forth effort, but I must meet her with the other 90% or nothing gets accomplished. I’m waiting for the rest of you dear ones. When will you stop trying to be someone and turn over your nothingness to Me so I can do with you what I like? I love broken pencils, a great artist can do amazing things with one little pencil, and that is how I see so many of you...broken pencils, erasers worn down, very short and difficult to grasp and draw with, but I will amaze you with what I can do once you are totally yielded to Me. So please don’t put this woman on a pedestal. Rather see her as a very common soul who frequently falls into a pit and must be extricated with My Love. She has nothing to offer you but her faults and failures and a glimpse into My mercy and what it can accomplish with the lowliest of vessels.

“I promise you; I have not exaggerated about Clare’s weaknesses; I have been bluntly honest. And she knows it. And I am telling it like it is because this channel is not about the hailing of some great prophetess. This channel is about the power of My grace and love in the life of a very little soul I have chosen to use to reveal My Mercy in working with all of your failures and short comings. I could not have used her for this mission if she were anything more than nothing.

“What can I do with you who are willing to be broken and reformed into what I created you to be? It is beyond your comprehension to know this Beloved ones, suffice it to say I have very wonderful things in store for every one of you, your eyes have not seen nor has it even entered into your dreams what I can do with those who love Me and will submit to My breaking and training. But I do promise you one thing, you will be amazed when I am done with you. And you will be contrite and humbled beyond words, and you will resemble Me.

“Come, come into My arms and let Me make of you a vessel unto honor. My heart longs for you, come and fulfill the destiny I have reserved for only you. Come, trust that nothing in this world can stop Me from accomplishing My ends in your spirit. Do you want to be a saint? Come. I can do that with you as well. But the greatest of all is not what you will become, but who you are to Me and how much I will drench you in My love and gratitude for giving yourself to Me. Come.”

Hinder the Enemy

December 4th, 2022

Lord, You are our strength and refuge to courageously stand in righteous against the enemy. Amen.

Jesus began speaking to Mother Clare, *“You did well to rebuke this cloud of darkness and I want to encourage you all to take authority over these things being sent to you.”*

“Should we send them back?”

“Better to bind them at My feet and allow me to dispose of them. I will put them out of commission. You have all learned a great deal about the ways of Satanism, it is well for you to use this knowledge to frustrate their attacks on you. It is also true when you open the door to them when you complain, so avoid that and be extremely aware of this habit in all of you. Just because you do not voice your complaint does not prevent the enemy from hearing it and when he does, he will attack you because your complaint and ungratefulness just opened the door wide open to him and all other negative forces.

“You will do much harm to the evil ones by refusing ever to complain, rather choosing always to be grateful for those things others complain about, because you know that I am using every drop of suffering for sinners to repent and to come to Me. Clare, thank Me for your pains, I wish you could see the fruits of your sufferings. If you trust Me, I can tell you many, many souls benefit from them, including your children. You will someday see how very worthwhile they were to you in your exile.

“I know it is difficult to work on music when there is darkness in the house, when Papa is hurting, but you must train yourself to catch the current beneath the surface turbulence. I am quite serious in saying this. You are wasting time by caving to it. Do your best to make him comfortable, shake it off and keep going. He will benefit greatly by hearing you play and arrange songs. In Heaven, the two of you will have a wonderful time playing together. You truly do bring something special with your music. It is your special touch. The angels love to hear it too.

“My dear ones, each of you has something special to contribute to this mission, whether it is joyfully cooking or cleaning, editing, writing, recording, or worshiping while you work. These things move darkness away from you and those surrounding you. Please worship as much as you can for it is a powerful antidote against the dark medicine they try to infect you with. What they send is debilitating and steals your creative resolve and energy. In order to be free of that influence you must be vigilant to immediately recognize the enemy is afoot. You will know by a sudden mood change. Pay attention to where and how that change takes you to a place you do not want to be in. You will recognize the name by how it feels. Once you have discovered the handle and perhaps other forces are working with it, take a firm grip of them and send them to My feet. You will know their names by how they make you think and feel. There is absolutely no reason to put up with these feelings for even one moment. The better you get in ridding yourselves of them, the more you can teach others, bringing great relief to them.

“Some very common ones are Hindering, Discouragement, Fatigue, Rebellion, Self Will, Rejection, Retaliation, Pride, Gossip, Jealousy, Self hatred, Scorn, Contempt and Hopelessness. There is no reason at all to suffer through their presence, take authority when you first recognize them. They are sent to stop you in your tracks, whatever work is assigned to you. The more creative the work the greater the opposition.

"It is when you are lazy, do not stop what you are doing and dispose of them that you suffer the most. They have a way of burrowing into your emotions and hindering you, which casts a pall over your environment. They love to do this to make you weary and numb, to stop what you were doing."

"My dear ones, I would not have you to be ignorant of these things. You have complete and total authority over them, so there is no reason for you to tolerate it. Go now and make haste to rid yourselves of these life stealing moods."

Love Reigns Supreme

December 5th, 2022

Your love is so pure and real, Lord. Help us to be faithful spouses and keep You first in all that we do. Amen.

Mother Clare began, "Thank You for being close to me. Oh Jesus, I don't ever want to have my mind in the world or about things. I want always to be resting on Your heart, and even in Your heart deeply, just lost in Your profound goodness. I hate that my mind drifts and thinks of anything other than You. Is there some special way I can put an end to the world in my mind and stay continually focused on You alone?"

"You are doing the right thing when you make the effort to regain your connection to Me. Can't you feel it?"

"Yes Lord, I do feel it."

"Then stay there My love, it is that simple. Once you have found the nectar flowing freely from My heart, do all you can to protect those connections, cleave to Me. I certainly am cleaving to you, but when your mind wearies or becomes lax, then I am left alone, and I miss you, deeply. Oh, My creatures, how I love your company and presence and how I LONG FOR IT 24/7. I know you love your dogs, Clare, and when you feel that welling up inside of you, in fact when you feel that love most effervescently, give the glory to Me for bringing this creature into your life. Yes, that even counts as praise and thanksgiving a form of worship. In that way you will not be prone to get stuck on the wonder of this blessed creature."

"Everything that is praised, let it reflect back on Me, your Creator, and in this way, you keep it in perspective. It is when you put it on a pedestal that your affections wander."

I was thinking that I miss Tiger. And Jesus said, "He misses you too. But soon, very soon, there will be no more separation and you will rejoice exceedingly. You have many cats waiting for you, by the way."

"Oh Joy!!"

"So many things will be restored to you in Heaven, things you wept tears of grief over, but we have fully restored and preserved for you on that day."

“Jesus, what is truly on You holy Heart right now?”

“My Love, you are truly on My heart along with all Heart Dwellers whether they recognize you or not. I long to impart wisdom for the coming days for them. My little, little one, I am always thinking of you and how to help you think of others, we do this together. I live in you so securely that I wish for you to spontaneously reach out to those who are struggling and touch them with My love for them. Be aware of what others are going through and, even ask them, what little thing could I do for you to brighten your day? Then listen very carefully to their answer, putting it into practice. Care begets caring. Love begets loving, it is so very contagious.”

“Well, my mind is so occupied with what I am trying to get done for You, I lose my connection.”

The Lord continued, “Well just try to spread love everywhere you go. Spread it by your attitude when you reply to people. Dear community, always express a loving and caring response when you speak with one another. Always be concerned about your brothers and sisters and mothers state of mind and what you can do to lighten the burdens of their day. Look out for one another, caring deeply from the heart.

“These simple acts of goodness do so very much for My Heart and all in Heaven gaze down on you in amazement when you show this kind of care and unconditional love for one another. Little children, “Love one another.” Truly you are a marvel to men and angels alike when you lavish yourselves on others who are deeply looking for answers and for peace. Prayer is an act of unconditional love, and the more love and concern you put into it the greater your heart expands, and there is nothing quite so beautiful as a fully expanded heart and soul for another. Especially when the other has no relation to you, and you love them from the heart asking nothing in return.

“When your prayers reach this level of sanctity, you will find yourself surrounded by hungry souls crying out for love and healing. There is no greater act you can perform than to love your brothers and sisters with all the powers of your heart. It is then that you become a marvel to God and angels alike who draw great consolation from every act of love you perform, whether you are aware or unaware of it. You see My Brides there is no greater force in this universe than love.

“Love, when it is completely spontaneous and unprovoked, is the very essence of My Being, and nothing in this universe has power over such love, it reigns supreme and those who exercise it, rank in Heaven as true Saints. And how do you attain to this privilege? Continually deny yourself and do for others what you would have them do for you. Let your love shine out and bring all men to Me.” Amen!

God bless you dear Heart Dwellers and may we all seek to love others from the heart of Jesus.

Dream-Trump New President-Nation Divided

December 6th, 2022

May the Lord bless you, dear ones, your prayers have been so effective.

It looks like there is something wonderful that is about to happen in our nation, as we continue to pray for President Trump that he does not get assassinated. Please continue to pray, every minute you get a chance, in your praying, to please pray for him to stay alive, to be protected, to have God's

protection.

Ezekiel had a dream, just now, and in this dream, President Trump stepped up to a presidential podium with a different seal on the front of it and motioned to a man to come and stand beside him. The man looked very much like John Fitzgerald Kennedy Jr. He looked at the people and he said, "I want you to meet your new Vice President." He did not announce his name, but most of the people already knew who he was. The Presidential Seal on the podium said The Republic of the United States of America. There was no eagle on it but a dove with an olive branch in its mouth. After he had introduced the Vice President, the people stood to their feet and cheered.

When the crowd settled down, Donald raised his right hand towards Heaven, towards the Lord and looking up he simply said, "True Liberty, and Justice for all."

And then, Ezekiel woke up from the dream and he heard a voice from Heaven saying:

"Oh, rebellious house! For you are a rebellious house, how many times have I told you, how many times have I shown you, how many prophets and saints have I sent to you, but you only make your heart all the harder. Woe to you, rebellious house!"

"I saw Jesus in the clouds," Ezekiel said. "He was looking down and speaking directly to the Northeastern United States." The map of the United States looked like a bite had been taken out there from Maine to Maryland, and that fourth of the country declared war against the Republic and that they would fight us to the death, and they also charged Trump, and all the other states behind him, which was three-quarters of the nation, with treason.

I am hoping and praying that this comes about, how wonderful this would be! How powerful our prayers have been, that it is moving in this direction. There may have been more to this, Ezekiel felt like the Lord wanted to add some other details, but he was not sure, so he decided to wait on that.

But I wanted to at least let you know it seems like there is a big and wonderful turnaround coming. Praise be to God!

Please do not stop praying.

Thank you, Heart Dwellers.

Focus on Faithfulness

December 6th, 2022

Lord Jesus, teach us to be the servants You have called us to be. Help us walk in humility and to stand firm in our faith, no matter how difficult the road ahead. Let us faithfully serve You by caring and serving others. Amen.

“Thank You for drawing me so close to Your heart, Lord,” Mother Clare began.

“You can do that anytime, by the way.”

“But You make it so special and holy, thank You.”

Jesus replied, *“My heart is smitten when you respond to Me so faithfully. I know you Long for Me and when you forget about everything else and rush to embrace Me as I long to be embraced, it is wonderful.”*

“Gee Lord I certainly felt wonderful and never wanted to come out of that place.”

“My precious one, these are the delights of contemplative prayer. I wish for you to rest in this very deep place, more and more, that I may infuse you with the delights of Heaven.”

“Lord, how do I approach our newcomers with this kind of prayer?”

“Befriend all first, and all else will follow. But it is in the common bonds of friendship that walls come down.”

“Do I have time for this?”

“Make time, go slowly. They need this from you Clare, just as I need it from you. Anything you do for another, you have done for Me. It is truly a work of mercy.”

“Is there anything else you would like to talk about?”

The Lord continued, *“Brotherly love begins at home. You know how it feels to be pushed away, not to be important enough, to desire friendship but be denied. Since you know how it feels you should do your very best not to give that impression that others are not important enough to stop what you are doing to make time for them. You should always avoid giving that impression.”*

“Yes Lord, thank You, I am a big failure in that area.”

“Begin to make that your strong point, the sacrament of the moment. People should always take priority in your life. Especially those who are just starting out on this path and may not fully understand it.”

“Okay.”

“I know you get it beloved. I know you do.”

"I love You Lord, so much. I want to make you happy, happy, happy."

"The feeling is entirely mutual."

"What would You like to discuss Lord?"

"Faithfulness. I wish for everyone to focus on being faithful with what they have been entrusted with. That also goes for feeding the poor. It is not pleasing to Me that you make the poor wait for alms. They are already last in everything, but as you know when you live on the edge of poverty, going without can be very discouraging. I would rather you take care of them first and yourselves last. Please tell this to the appropriate persons. When you make My poor wait, I make you wait. It is just that simple."

"Those who live on handouts from others are always on the edge of desperation with what they need, be it food or medicine or utilities. Please don't make them wait while you get what you need or want. In this way, you will always find out that My arm is not short. Living on providence is such a freeing perspective, and if you are going to teach it to others, you must go about it the right way and not deprive those who depend on you. In time you will discover the great wisdom in this. Besides it is a sterling example to others."

"Yes Lord."

He said with a smile, *"Now, come here and rest your head where it belongs, forever and ever."* And that was the end of His message.

Heart Dwellers, here's is some insight as to how God sees us from our dear Brother Jim. It doesn't matter if a pearl is in the mud or polished to perfection, it is still a pearl and is highly valued. The pearl represents souls and whether you are in the mud or you looked like you just step off the cover of Vogue, you are still a pearl in the eyes of the Lord and are of great worth.

We should view each other in the same way, to see everyone's true value with our spiritual eyes as pearls of great price to the Kingdom of God. Amen!

The Dream Can Become Reality

December 8th, 2022

The Lord bless you, dear Heart Dwellers and give you His peace, but also prompt you to be vigilant and consistent in prayer.

If you have not listened to the message we posted before this one, please do, because this builds on that message.

Ezekiel had a dream that President Trump was openly reinstated as President, but of the Republic, not the incorporation that the evil people made our country to be. So, the Lord when I came into prayer, the

Lord started out by saying:

“Keep believing, keep praying, keep believing and keep praying. You will never be out of the woods as long as evil is on this Earth, but by your prayers you are binding the powers of evil so they cannot continue to overtake your country.

“Now comes the task of turning the public. They have been conditioned to believe lies just as was done in Nazi Germany. Some of the people, a minority, knew the truth, but the majority of the citizens of Germany thought Hitler was their savior and fully supported him.

“Discernment is lacking because of spiritual sloth. America has been busy accumulating goods and powers, rather than drawing close to Me and cultivating discernment. It shall happen again and again as long as people seek their comforts over living in the truth and living only by My rules. It is through the bitter enslavement of the African people that they fed their luxuries and comforts, and so anyone who opposed slavery opposed those who were opulent and living in luxury. Greed and power are behind the abuse and exploitation of the poor.

“What President Trump did in the dream was to declare war against the exploitation of the people. And by the way, no one has a clue as to how terribly the American people have been used for experiments and stolen from to support devilish agendas and the worst kinds of sins against humanity. Most of your Presidents have been callous and uncaring about what they call, the ‘masses’ or for those embedded in evil, they call it ‘useless eaters.’ Nothing is more of an affront to man, made in My image than to be labeled with such names.

“Oh, Beloved ones, you are so close to an enormous victory, pray as you have never prayed before that the scales of justice will be continually tilted down by your prayer. Visualize a scale with two sides and one side is loaded with evil deeds, incantations, sins, darkness, hatred. Visualize the other as being balanced by prayers, full of illumination, glowing, and more than balanced, and let your prayers be so copious that they completely overwhelm the darkness. Yes, let the weight of your prayers overwhelm the evil being done on this Earth from moment to moment.

“Yes, this is a formula for success, every time you pray, you cover for evil. So, because the world has so much evil, continuous prayer is needed. This is why the Orthodox monks and others pray a continual prayer such as, ‘Lord Jesus Christ, Son of God, Savior, have mercy on me a sinner.’ Or for some a simple ‘Jesus! Have Mercy!’ Saying this prayer from deep in your heart has great power to overcome evil. Any variation on the above prayer is effective. ‘Lord Jesus, have mercy on us sinners.’ Make the prayer your own but pray it sincerely from your heart. Such prayers pierce Heaven and get the Father’s attention.

“Keep in your hearts and minds a vision of victory for this time and a great revival will follow. Please do not grow weary in praying, each one of your heartfelt expressions move Heaven and Earth to subdue the power of evil. Also, invoke the Saints to pray with you.”

And that was the end of His message.

When You Are Weak I Am Strong

December 9th, 2022

The Lord bless you dear Heart Dwellers for your perseverance in prayer in these difficult times, and wow, we really do need perseverance, do we not? Things just keep changing on the world landscape, but the Lord has it in control, He knows what He is doing.

It is interesting, last night, Ezekiel had a vision. He was with a Saudi prince, and there were a bunch of important papers laid out on a table and there was an important decision being made. And he was-Ezekiel was talking about a baby being born and a woman being in labor, and that it was very- a difficult birth, and that the baby died, and the woman was in critical condition afterwards. And for some reason I got the idea it might be our attempts at being a Republic.

And moving forward, I hope that was not it, I hope that was not it, but whatever it was, it was very important last night.

And earlier that day, one of our core members had a vision, and was told in the vision to pray in the spirit, that a global event was going on and that we were at a critical junction, and later, Ezekiel had the dream or the vision of the woman in labor and one other thing was spoken to her and that was that the Earth, that we would see the Earth shaking. Wow!

And President Putin came out and said he was absolutely done with the West, and that the West could not go on doing what the West has been doing all these years, namely supplanting legitimate governments and causing chaos in different countries for their own personal gain. It is a terrible thing, really, and there are so many Americans who are innocent of this, they do not know what their country has been doing, and if they knew, they would be totally against it, but they do not, and it continues, and the rest of the world is done with it.

That is not to say that Russia is perfect, or that anyone is perfect, but it is to say- there is fault on our part, and we have been involved in manipulating other governments to our own ends, which is terrible.

So, with Halloween coming on, we knew we were going to be in for a bit of prayer we always pray especially around this time of the year, especially for little children that are being indoctrinated into Satanism, and for those who are going to lose their lives in ceremonial situations. We pray against that, and we pray for the witches that they will wake up and see what a horrible they are doing and that it is not going to bring them anything in the end but torment.

So, a couple of people here on the Refuge have been sick as well and it really happens often, whenever there is some real evil is thing going on, the Lord allows this, to be down flat on our backs praying, and interceding and He receives that , that illness, whatever it might be, as a fast offering against what is going on in the world, so if any of you are feeling kind of punky or feeling sick, there is a good reason for it and the Lord will use that as an intercessory offering.

So, I began today in prayer by saying Lord, forgive me, I feel so sick.

And He replied, *"You are fighting off what others have had, but it is coincidental with world affairs. Thank you for hanging on, for holding on, for believing, and interceding."*

Lord, I have never felt more impotent in my life.

“That is good,” He said. “Because now everything good that comes from these circumstances will be attributed to Me, as it should be. You cannot get around the vessel being used, people tend to get to put them on a pedestal or get embittered with the vessels, for their faults. No one is a saint; all have fallen short. I ask you My people to allot great mercy and lenience to the vessels unto honor that I have chosen to bring you messages. They carry a great burden and are no different than you. So often much more is expected of them that they cannot possibly live up to. Understand, they are made of clay just like you.

“Right now,” He continued, “My focus is on getting you ready to withstand the chaos that is coming upon this nation. I know you are all very weary, that is why it is a must for you to spend more time with Me, just soaking in My everlasting love for you. It will be so very needed in the days ahead of you.

“I am with you, little one. As feeble and weak that you feel, by exactly that amount you are more powerful than normal. It is a mystery which you cannot calculate, so please do not even try. But I am here to tell you that to the degree you feel impotent, to that very same degree and even more so do your prayers have affect. It is a mystery, receive it at face value. You know what you see and feel about yourself but the only way to calculate the effect of your sacrifice is beyond your comprehension. Suffice it to say that you are doing some of your very best efforts when you feel the most down and defeated, impotent and unproductive.

“These are things the church at large does not understand, or they would more often go to the poor vessels and ask many more questions. You see the world has it upside down. When people look and seem their most powerful, I am often suppressed and not fully released through them. However, when they look their most pitiful and weak, they have often relinquished their own selves to allow Me full rein. It is quite the opposite in the eyes of the world. Have I not said that when you are weak, I am strong working through you? Well, the converse is true as well, when you feel like you are in a zone, firing on all cylinders, it is then, many times, that I am held back.

“In any case, do not allow your weakness to scare you. It is simply the raw you, the real you and all the rest is grace. It is often when you feel the most feeble that the message goes to a greater depth in hearts of souls. Just keep doing what you are doing, keep doing what you know I am asking you to do, and I will accomplish much more than you could ever hope for or expect. In other words, do not rely on your own understanding, rather rely on your obedience to Me, that I will accomplish My perfect will in your life and in the lives of others whom I have brought to you. What they perceive does not enter into the equation, rather it is your obedience that brings forth the power. Your obedience and abandonment to My will without considering your Earthly conditions and calculating the results, it is this act of abandonment and trust that brings forth the greatest results in My Kingdom.

So, do not be dismayed by your weaknesses, or how you feel, the results are far removed from you. Therefore, you can enter into My rest, Beloved.”

And that is the end of His message, very sweet message.

Thank You, Lord.

God bless you, Heart Dwellers. Pray for us, as we pray for you as well.

Blackouts Lead to Chaos

December 13th, 2022

Lord please grant us peace amid chaos and confusion, and a spirit of prayer for Your supernatural covering and protection. Amen.

Jesus began speaking to Mother Clare, *“I am here, we are together. A little lighter on the chocolate, please.”*

“Yes Lord, I want that too.”

“Exercises such as these, at any moment can turn into bloody war. Both sides, your country and Russia are poised to strike, when they do it will be horrendous because of the infrastructure being knocked out. There is no way to prevent this except through prayer and angelic intervention. Pray for communications to be re-established quickly, because this is a decisive factor in rescuing your nation. When they take the communications out, they literally paralyze the opponent. Just like cobra venom paralyzes the lungs and heart, so does lack of communication also paralyzes the people. Pray for protection of all the communication centers that you do not become helpless lambs led to the slaughter in the dark.”

“These are typical strategies used in war. Communication blackouts lead to chaos. My angels will assist when necessary, your prayers will be effective. Really, I am wanting to put off this war with all My Heart, but man must play a decisive role in quickening as well as turning it around.”

“Ezekiel just called and asked for special prayer for Poland, Lithuania, Yugoslavia and Czechoslovakia covering them in prayer.”

“There are still plans to attack the dam and power plant.”

“May God have mercy on our souls and all of those in the area. Lord have mercy, Lord have mercy, Lord have mercy.”

Jesus continued, *“The drums of war are beating, you just cannot hear them. There is tremendous positioning going on right now Clare. Massive amounts of war machinery are taking up positions against America and Europe, and Taiwan, which is very much in the background and people are so unaware. Your country is a laughing stock because the whole world knows what is going to take place, and the people of your country are still asleep because of the corrupt media. This is why events will be pure, unadulterated surprise. Keep your vigilance up to pray for your enemies.*”

“See, there is cooperation there. The enemy is hard at work because he wants them to leave. But with careful planning and cooperation these attempts will fail. Love is in control. Brotherly unity is of utmost importance now and Satan knows it. Your most important task, now and in the days to come is prayer and lifting up My people to make them stronger, let all of your messages be comforting and encouraging. The songs really help and will be well received. Such good being done even though you cannot feel it and are still struggling. It is your intention, that makes up the difference.” And that was the end of His message.

God bless you dear ones and let us stay in an attitude of prayer.

I Did Not Hide My Weakness

December 16th, 2022

Dear Heart Dwelling family- These past few days have been exhausting, and I imagine if you have been praying against the encroaching darkness, you are feeling it too. So, I have been resting a great deal to catch up on my energy but of course I feel guilty about that because I want to be working and producing. By the way, I have a new album coming out and as well as the album, we are going to be doing a lot more music with Scripture on the channel, and you are welcome to download all of them, they are all free.

All right. So, when I came into prayer with our family here, the Lord began.

“Beloved, I am sorry for the pain and extreme fatigue,”

Yeah, I have fibromyalgia too, and that has been very intense.

He continued, *“But I must tell you that your offering is touching many souls who otherwise would have walked away hungry, cold and alone. Of course, it is better for you to just trust Me when I allow these contradictions in how you feel, but I know you are but a poor clay vessel and are in great need of encouragement. This is why I make it a point to tell you these things.”*

What is on Your Heart, Lord? What would You like to address?

He began, *“Brotherly love in the community. It brings me great joy to see each of you sacrificing for another. Great joy. From My Joy you can draw strength. When each of you keep an eye out for other, My Heart is deeply touched and I long to give even more graces to you.*

“I know that some of you are carrying deep emotional burdens for your family and the world. This too can cause you to turn inward and not participate in fellowship. How I wish that you would be transparent and share your burdens with one another. The traditional monastic standard of hiding your sufferings is good for some souls, but not all.

“How can you understand your brother or sister when they do not share their burdens with you and one another? You can only look at them and guess at what might be troubling them. Children do not hide your sufferings all the time, especially if you cannot join into community laughter and joy over the little things. When you seem quiet and sullen, others perceive something is troubling you and very often they assign it to themselves. Yes, I know this is foolish, but it is human nature, being spiked by Satan, the accuser of the brethren, to attribute the negatives of others to yourself. He never sleeps, that is why I am edified when you are transparent and share your burdens with the community, for prayer. In this way, you are humble, little and vulnerable to others, rather than being stoic and self-sufficient.

“Part of building the kingdom of God is the concern we all have for our brothers and sisters. But if they carry their burden close to their heart and do not share the source of their pain, the others in the community will not grow in charity. This is why I have Clare share what is going on behind the scenes. This gives you all an opportunity to reach out and comfort her. How can you grow in compassion if you do not see her struggles and alleviate them with your kindness?

“Therefore, no man or woman is an island, it is essential that you are transparent without complaining or whining, in order that others can reach out and support you, showing their true charity of heart. I need you all to be real and allow your weaknesses and troubles to show. You are not called to play a holy, holy game

here. That is what churches do, to their detriment. They cover their trials, so no one knows how much they are suffering. In that environment, exclusion prevails and those who are up front about their struggles are looked down upon-even by the ones who have the very same struggles, but no one knows about them because they hide them."

And I want to say here that recently I had given a message, if one of us has a beef with the Lord and we are down and we are kind of sullen, we should go out in the woods and work it out with Him, but not bring it in the community environment. And so that kind of contradicts what I am saying here, but there is a time for both. There is a time for going out and dealing with it and not infecting the other brothers and sisters, and there is a time for being open and transparent and saying 'hey guys, I know I look kind of glum and sour and sound irritated, but this is what is going on, please pray for me.'

The Lord continued. He said, *"I no longer want facades in My Church, rather I want a caring brotherhood and sisterhood, where no person goes untouched when they are hurting. Again, I say to all of you, be your brother's keeper. Look for ways to lift others up and make their day brighter. This is what living in community is all about, growing in love, patience and compassion. Will you consider My wishes and make yourselves more approachable by being more transparent? Will you consider that you are doing your brothers and sisters a great favor by being transparent?"*

"I indeed have given you a model to follow. I did not hide My troubles from My Apostles or from you. I was up front about them all, and this was deliberate on My part, to show you how you are to interact with those around you."

You know when He said that I was reminded of – I was reminded of a scene called 'The Chosen', and in that scene, He came back from ministry- the guys were all sitting around the campfire, the Blessed Mother was with them, and they were just talking, but when she saw her Son walking into the camp, He was absolutely exhausted, fried to the max, from ministry, from touching people. He gave everything He had, and He came in like a zombie, she jumped up in that minute and went and washed His feet, while the Apostles were back there arguing about something stupid. She saw the need her Son had and she jumped up and went to take care of Him.

You know, even 'My God, My God, why have You forsaken Me?', you know, if it were me on that cross, I would not want the Pharisees to know that I felt like my God had forsaken me. I want the Pharisees to think that I got this down, I know my God is saving me and He is with me. But the Lord did not do that, He revealed His weakness, He also revealed His weakness in the Garden when He asked if the cup could pass from Him. And so many other times he revealed His weaknesses, and we could relate to Him because of that, because He was human and God, so He is not expecting us to be some spiritual giants that never have an issue and are always happy, happy.

"I did not hide My troubles from my Apostles or from you, I was upfront about them all, and this was deliberate on My part to show you how you are to interact with those around you. I gave you ample opportunity to observe My weaknesses in order that you would not be ashamed of yours. This act of transparency was very deliberate and allowed all to grow in knowledge and wisdom as they observed My trials."

"So, I am asking you little ones, indeed you are little, your littleness is not only precious, but absolutely necessary to the integrity and growth in holiness, of each brother and sister around you. This is a loving community that is not run by the fittest, but by the weakest, that you may have hope in My power to perfect you unto eternity."

Amen.

Can I Still Pray From Heaven

December 20th, 2022

The Lord bless you, precious Heart Dwellers.

Recently the question came up, does the Great Cloud of Witnesses, join in prayer with Jesus, making intercession for us on Earth? Lord, please clarify this for us, because some believe that the saints in Heaven cannot pray for us on Earth.

Jesus began, *"Heaven is a place of tremendous holiness, it transforms all who visit or live there. In Heaven it is completely impossible for its citizens to refrain from prayer."*

Wow! Completely impossible?

"Yes. When they are permitted to see their relatives on Earth, their hearts are bursting with love and concern. That very emotion, as I have told you before, becomes a prayer directly to My Father. It is not like We weight every word, every motive, every form of petition. It is a heart cry, and We hear ALL heart cries and treat them as serious petitions to extend grace to that soul who has brought about such a deep response to the plight of their situation."

"I have told you this before Clare, a sigh, a heartfelt and authentic sigh, for the troubled conditions of another goes directly from your heart and lips to My Father, it is truly a prayer. Now I want you to look at this for a moment. You have heard the cry of the poor, 'Lord! Help us, we are in desperate need.' So, I ask you, how can such a cry come from the soul in Heaven and not be heard immediately? How can this come about?"

I answered Him and said, well, I suppose if there is a wall or distance such as beyond the stars, how can they hear us?

He replied, *"And you already know the answer to that, but for the sake of those who have not studied this question or sought Scriptural evidence, I will explain it once again. You know that when you received Me as your Lord and Savior, you were born again, of the Spirit, and I came to live in you. Right?"*

Yes, I believe that Lord.

"You also know that in My Triune Being, I can never be isolated from the Father or the Spirit?"

Yes Lord, I believe you are truly One, with the Father and the Holy Spirit, and can never be separated.

"When I said, 'My God, why have You forsaken Me?' I was speaking as one cut off from the perception of My Father's presence. It is impossible for Him to abandon Me because we are one and the same. And because I live in you, Beloved, My Father and the Holy Ghost, are also living in you, we are never separated."

I do believe that Lord, although there are times when I cannot perceive your Presence so I must go by Faith, that truly, You are with me and will never abandon me.

"Well, if you pondered these truths deeply, you would arrive at your answer. It is because you live in the Earthly dimension that you fail to perceive how very truly We are connected. It is only when you still your soul and enter into My Rest, that you perceive My presence in your heart. Yes, your heart is My Throne room on this Earth. We dwell in you, Clare. Now take this a step further."

If anyone loves Me, he will keep My word; and My Father will love him, and We will come to him and make Our abode with him. John 14:23

"I have allowed the saints in Heaven insight into what is going on in the Earth. I have provided windows into Earth where they can look and see what is relevant to their lives in the past. They can see and understand with total clarity all that is taking place in Earth. No knowledge is withheld from them, without a very special reason. They can see the cause and hidden circumstances of all dynamics between peoples, armies, rulers, with perfect clarity. Nothing is hidden from them. You might ask yourself, 'Why have I given them this privilege?' You can answer this simply from Paul's description, 'we are surrounded by a great cloud of witnesses cheering us on,' and what does that mean? It means that those in Heaven are still participating in the great plan of salvation. They have finished their course on Earth and now in Heaven they participate in bringing others to Me.

"Please understand and get this deeply ingrained, everyone in Heaven is working to bring all souls to Me. No one is sitting on puffy white clouds playing a harp. No one is forever hanging out and playing games to pass the time of day. No one is sleeping. No one is disinterested in what is taking place on the Earth. No one is lying on a velvet couch with angels feeding them grapes and wine and whatever else they desire. No one in Heaven is living for themselves, all are living with Me and for Me, doing the works of their heavenly Father to help bring all souls to salvation.

"Yes, there is recreation. All that is in Heaven was created to bring joy to My Children, so of course there are seasons for playing, exploring, learning, and opportunities to become whole, to finish their childhood if they were abused, to learn the things they longed to learn on Earth. But understand this, every soul in Heaven lives to glorify Me and bring Me happiness, just as I have brought them unspeakable wonders, never imagined by the earthly mind. No one in Heaven lives strictly for themselves because those who are in Heaven find their greatest joy by bringing joy to others and to their Father, as well as the angels and saints. Heaven is a massive celebration of life, continually flowing from the graciousness of the Father.

"And yet in the midst of this triumphant life, there is yet the memory and knowledge of those still suffering on the Earth, and what it cost Me to reconcile them to the Father. Yes, every tear will be wiped away, it is true, but not until there is no longer any suffering on the Earth, not until all are reconciled to the Father, forever. In the meantime, there is work to be done. There are things to be learned and mastered, things that bring Glory to God in the highest and peace to His people on Earth. And for this very reason, those who are found worthy to come to Heaven have His highest interests at heart and long to be a part of bringing every soul to Me, to be born again, to be loved as never before, to be forgiven their sins, to be given hope of the happiness they could never have on the Earth.

"Yes, it is true, those who long to see others saved are the ones who are worthy to enter Heaven, which is not only a place of blissful joy. If you can imagine something like a gigantic multistoried factory, measuring one hundred square miles high, a hundred miles wide and a hundred miles deep, (and here I am limiting My dimensions to help you wrap your mind around it.) If you can imagine such a place and then see angels delivering packages, working on architectural plans, delivering messages, helping artists paint and musicians sing, going back and forth cooperating with every other venture others are preparing for the lost...if you can imagine such a place, you have a clearer conception of Heaven than angels floating on clouds. We are busy, busy, busy in Heaven. And imagine too, waves of worship sweeping through every floor of this cube, catching each one up into an ecstasy of worship, like a tsunami overpowering a land mass and then subsiding leaving all inebriated in joy. Yes, that is what it is like here. And then the work commences again, in joy and thanksgiving for such wonders.

"And what is the work? To make God known and loved and served on the Earth, and to bring all of humanity

into the sheepfold of salvation and blissful union with their Triune God. Now if you have pictured this, you will understand that Heaven is in complete cooperation with the Father to bring all men to God. And of course, they all pray for you who are still struggling on the Earth. Hardly a breath leaves their inner being without a prayer directed to God for your sakes. You are to become like Gods, not in the sense of having the all sufficient power, but in the sense of having the burning desire to see your brothers and sisters come to know Him. Yes, you become like parents of those still on Earth...you become your brother's keeper...leading him to the knowledge of God. Prayer never ceases in this dimension because souls are caught up in an ecstasy of love for mankind and they do only what they see Me doing to accomplish this goal, with the help of the Holy Spirit's living, throbbing, breath of love moving through them and all of Heaven, continually, eternally.

"When I told you to pray without ceasing, I did not say, 'Look, you will be in Heaven soon and then you will not be able to pray for anyone on Earth, so you had better get all your prayers in now, before it is too late. Because once you get to Heaven there is no more prayer, it is all about cotton candy clouds and harps and angels and the rewards of your labors on Earth.

"Of course, I did not say that. I did not put any conditions on them to stop praying in Heaven. And why should I? They will see Me praying in Heaven just as I prayed on Earth and in all things, they are to follow My example, so I simply said, 'Pray without ceasing.'

"My people, you are ignorant of what transpires in Heaven. Everyone is busy working for Me, arranging circumstances, inspiring, teaching, assisting...with only one goal in mind, the salvation of the lost. How can the Great Cloud of Witnesses help on Earth if they are not permitted to pray in Heaven as they work with you on Earth? Prayer is your number one vehicle and grace to bring souls to Me, so why would you stop doing that in Heaven? The answer is simple, you do not. In Heaven there is constant prayer, constant worship. In Heaven there are prayer groups that assemble for different purposes, in Heaven the compassion of their hearts is so very fired up, they could not stop praying even if they wanted to. Yes, 'Pray without ceasing,' is just as much a mandate in Heaven, as it was on Earth, except thousands of times more powerful because everything and everyone is oriented in the powerful current and slip stream of grace, to bring in the harvest of those still on Earth.

"How do those in Heaven know what to pray for and when? Holy Spirit, in a very crude way could be likened to the ginormous cloud of data on the internet, which we suspend and store from Earth. It is designed to transfer and make accessible all that we share with others or store for our own personal use. Holy Spirit knows all things at all times and is never lacking in understanding or information. So, He conveys this knowledge to each soul on Earth, involved, on a need-to-know basis.

"That means that when a saint's little grand baby on Earth has a serious health issue, that knowledge is conveyed to them immediately so they can pray for the child from Heaven. Beloved ones, there is no real separation between those in Heaven and those on Earth except for a tissue like veil that is easily penetrated by prayer and contemplation, inspired and aided by the Holy Spirit. In Heaven, everyone knows everyone else's background, struggles, defeats and conquests. Nothing is hidden in Heaven. And that is why no one wants to go to Heaven until they are purified of such things as jealousy, anger and corruption.

"When a soul has left the earthly body and wants to go to Heaven, they must first get a good cleaning off and reorientation to understand that nothing in Heaven is hidden, nor is there any condemnation when things are found out about another. The river of healing and fruiting trees growing beside it are for this purpose, as well as time spent alone, confronting sins that have been hard to get rid of, except through spiritual means, in a purifying fire that reveals their true ugliness and how that affects others.

"We are ONE Body, the Body of Christ with One Head, JESUS CHRIST, I do not wear two different hats, one for

Heavenly administration and one for Earthly administration. I do not have two brains, or two heads. This is a serious error in thinking, stemming from man's lack of ability to contemplate and enter into Heavenly realms without serious effort and a very pure heart. Understand, everything in Heaven is geared towards the salvation of souls. All the angels and saints are busy twenty-four seven arranging things for millions of souls to be saved. Can you imagine a dimension like that without prayers being offered up twenty-four seven? It simply is not possible because salvation comes by grace and grace is released by prayer, so very simply, prayer never stops, not on Earth or in Heaven. Pray without ceasing, was not a casual mandate, it is a command to be perpetual in bearing the fruit of the salvation of souls, until all souls are saved.

This Earth is Temporary

December 22nd, 2022

Lord God, help us to focus on You and on things above, and instill in us that the earth is not our home. Amen.

Mother Clare began speaking, "Beloved, I regret not taking time with You last night. Instead I followed my curiosity. Please help me grow in the grace of faithfulness now in this hour. Please do not stand off afar from me."

"Thank you for the apology, I do hope you succeed tonight."

"Me too. Lord, please tell me what is on Your heart."

Jesus began, *"You could guess at that and I know you would be correct. But I am considering now in these times how the whole world will fit together. The earth will be ravaged and much reconstruction shall be done, but not in the same way that it was before. There will be many new inventions and ways of doing things that shall be so very different in both their substance and approach. There will be no fighting about whose suggestions shall be followed, rather all will recognize the truth and acknowledge the rights of one another. Holy Spirit will reign supreme and even the hardest cases will willingly consent to what He chooses as the best recourse.*

"The earth will be very beautiful and all the poisonous substances and wreckage of the previous civilization will be totally gone. Even now, some of these preconceived ideas are filtering their way down into human consciousness as dreaming is beginning to rise up in some. Dreaming, hoping, creating, the youth will be very instrumental in the repair of ruined homesteads and rebuilding the world. The corruption of this world goes very deep and that is why there will be a totally new earth to inhabit."

"Lord, I don't trust any of this can we start over?"

"Well, my favorite place to start was last night. Please My Love, meet Me in the garden at night. You were greatly missed."

"I am so very sorry Lord."

Jesus continued, *“Let’s move on. I want My Bride to be thinking about her eternal reward as all this ugliness is being permitted in the world. Dear one, this earth is only temporary. Soon your struggles will be over and you will be with Me. Until that time, harness your apostolate to touch the unsaved or those in extreme confusion. There is much need for interaction on the internet, and especially your prayers for them, as well as answering their concerns.*

“The internet is a fish gate and much can be accomplished to turn the hearts of souls to Me through this medium. Ask for self-control when you enter into this space, so you will not chase every butterfly that catches your interest. When you are there, dedicate that time to souls, who are basically alone, without wisdom, discernment and consolation.

“You can learn anything good on the internet, and there are so many perspectives that people voice that give you insight into where they might be stuck spiritually. It is a tool to be used with wisdom and self-control. Prayer first, then follow My lead if I prompt you to check on our sites for comments. All forms of dialogue are capable of bringing Me to the lost, there is an art to recognizing when I am calling you to interact with them.

“There are many needs out there, please do not have any scorn or contempt for this tool. Satan takes full advantage of it. This is what I mean when I say those in the world know how to benefit from it, but My people are lacking in some areas here. You can witness to a brother or sister on the street, by that I mean come alongside them and befriend them. But they can witness Me working in a soul through the dialogues Mother publishes and many have seen Me for who I really am, for the very first time in their lives. So, by no means should you avoid or have scorn for this tool which is bringing thousands into the kingdom. Any platform should be used with great discretion and wisdom, there is a time and a season for all the diverse ways I reach souls. Do not get stuck into any one to the exclusion of others, as men are prone to do.” And that was the end of His message.

God bless you dear Heart Dwellers and may the Lord grant us the grace to press towards the mark for the prize of the high calling of God in Christ Jesus. Amen!

Christmas or the Spirit of the World

December 22nd, 2022

Beloved Heart Dwellers, this is the time of year when our love and our devotion for the Lord is really tested by the world and its agenda and the way that Satan has twisted the Christmas season into being a holiday of outrageous spending. People work all year so they can spend all their money at Christmas time, and party up.

And well, I am not of that head set at all, I still have a weakness in the area of avarice, and I love beautiful things. My mother was partly an antique dealer in Chicago, and she sold expensive paintings at Marshall Fields, so she was a connoisseur of fine things, and that kind of got ingrained in me as I was growing up.

So, this week I have been feeling a little distant from the Lord, like I am not really in love with Jesus, kind of cold, kind of empty, and I pulled a card that just shattered me the other day. It said, 'You say you are Mine, but your heart is far from Me.' And I got that card and 'oh no, is that for me?' Did I- Am I there in that place? That is a terrible place to be!

Well, I tried to think if it was for anyone else, and I asked around, and I really knew it was for me, it was the Lord's gentle correction. So, I have been fighting this nasty streak of avarice, wanting this and wanting that and 'window shopping'- for no real reason at all, just really stupid wasting time, and the Lord finally addressed it.

I asked the Lord where I was at in my heart- if I loved Him or if my heart was far from Him. My first reading out of the Bible Promises was Money, my second reading was Be led by My Spirit, not by your flesh, my last reading was about Hospitality. So, obviously He is saying, 'I want you to give money away, I want you to take care of other people. You know, whatever we have left over, we need to take care of those people who do not have food for Christmas or whatever.

So, I was pondering how very backslidden I was and last night, entertaining myself on Etsy, I was looking at pretty things while I ate dinner. The Lord had just allowed me to get a Star of David image to remind me of my Jewish roots and my consecration to Mary, and I was looking and thinking, wow, that is really special, in fact it had Mary all over it when I opened the little box that it was in, I could just feel her love, and her telling me 'You are part of my family', that my bloodlines do go back to her somehow, and I was just really in seventh heaven about the vibe that was on this gift, it just was really her, I could really feel it.

So, I had Ezekiel bless it, it is a tiny little ring and I put it on, and I was feeling very sweet about that but then that avarice monster popped up and said, 'You know, maybe there is a better one on Etsy, you ought to look around a little bit and compare them.' Right? And I said, 'no that is not the Lord, I know what you are up to.' But what did I do anyway? I said, well, I am going to eat dinner now so I guess I will look while I am eating dinner.

I mean, you guys, I am weak, I am so weak, I really enjoyed looking through the pages on Etsy because they have some really beautifully crafted things, but where was my heart? I said, is my heart far from God? And I had to say yes, it is. I would rather do that than press into the Lord in prayer right now. And I am very depressed about myself and my curiosities. My "play pretties", as Ezekiel calls them.

So, I was thinking that I deserve to be left behind. Then I became fearful...truly how far have I fallen, Lord? Am I blind to how far I have fallen? It must be very far, am I losing my soul?

Well, we had worship and three Misty Edwards songs played during worship that were about the world and the things of the world. She is an incredibly anointed prophetess and musician, by the way. I highly recommend that you listen to her A LOT, because she addresses the things that are really important for us right now.

So, we played three of her songs, random picks, we put it on shuffle, and they were all about the thing I was struggling with. In the meantime, I do not have a fire for God, but for beautiful things that He created. And just the other night I looked at photos of crystal mines and was delighted with the beautiful crystals...and praising the Lord. I used to study Geology and was very much into that in high school even thinking I might become a geologist. And I thought, Oh Lord, am I so ashamed of my attachments.

Then I was impressed to pull a card, because I was beginning to lose hope about myself and the condition of my soul. And it said, 'Be at Peace - Let nothing disturb you - Frighten or upset you.'

And then the Lord began to speak, but before He did, I said, thank You, Lord. It is true the only thing in this world I am really afraid of is myself – myself and all my selfish impulses.

I saw Jesus to my right, He said, *“I am listening, Beloved one.”*

Oh Lord, how could You continue to love such a shallow person?

He replied, *“You are weak, that I will give you. You also have exquisite taste and a deep appreciation for beauty. That coupled with the internet is a recipe for disaster. You see, the people of Earth are being tried way above their parent’s previous limits. What was unthinkable in their Parents’ Day, is now at your fingertips, only a touch away. You see Clare, when you look at beautiful things, you are window shopping and that feeds lust and a drive to acquire things. You must starve the beast in every conceivable way. Instead of responding to the infomercials, shun them like dog excrement.”*

Because the infomercials can be really interesting, even for vitamins or something.

“You keep opening doors that should be locked behind you, My love. I have not drawn away; you have been preoccupied. What shall we do about this?”

Then He answered His own question and said,

“Shun every occasion of sin My love, shun it and walk away. Come to Me immediately and repent for having given into such things, for having given such things a place in your heart where only I should dwell. Note also, that this is the time of year curses are sent out to draw people away from Me and into shopping, buying, eating, drinking, celebrating in extravagance. If only they would celebrate My birth. If only they would shun the malls and spend more time with Me. If only their heart was not far from Me, I would lavish choice graces on them.”

Lord, this is what I want, eyes only for You. Please help me acquire that. I feel so distant from devotion to You, and I do not even know where to begin.

And interestingly, one of Misty’s songs was, ‘I cannot worship You, Lord, unless You give me the grace to worship You.’ And I was feeling that song very much in my heart.

The Lord replied, *“I totally understand this and am here to help you and the thousands more around the world who are in a similar dilemma. That is why I am giving you this message. There is a force pulling you towards avarice, you must deny it and walk away from every temptation, with great resolution, rejecting the invitation. And I acknowledge that you cannot do this alone. I am here to help you, Clare.”*

Ahh- That is our Jesus, He is so sweet.

“I am wrapping you in a garment self-control with new armor over your chest that will repel the arrows of lust for the things of the world. Remember this flat, steely gray plated breastplate over your red breast plate, every day. You must really take the time to visualize each piece of armor, which you have not been doing.”

So, when He said He had new armor for me, I saw kind of a steely gray, flat, gray breastplate with scales on it, so there were many layers of protection over the chest.

He said, *“Then repeat this short prayer, ‘I renounce the lusts of the flesh, the world and all that is in it. I desire only You Jesus, please remove them from my sight.’ And do not be ashamed to come to Me if you have fallen, waste no time My precious, come, come into My tender waiting arms, for I know your heart and truly*

it is not for these things but for Me. This is why I have stationed Myself beside you always to help you renounce those things that are not profitable for your soul.

“Come now, let us walk together. Place your precious hand in Mine and let us go past these temptations and win a new level of commitment, a new level of walking in those things that really matter and rejecting all else that is unprofitable to your soul.”

And that was the end of His message, and I just made a note here-

Heart Dwellers, this is no time for you to backslide with food or the glamour’s of the world. Your world is on the brink of war, and this should be your focus in prayer as well as tending to the needs of the very poor who may not even have food for the festivities of this season.

” With tenderness, Jesus said, I welcome you back into My arms, My Bride, forever.”

There is a song that you might want to listen to, I do not know the title of it, but it is about forgiveness, by Michael W. Smith, it is a really beautiful song, ‘that You have washed away all my sins, washed away, washed away, You have washed away all my sins’. Beautiful song, and I encourage to include that in your playlist, your random playlist, so that if you have fallen, you can get a touch from the Lord with that song.

God bless you, Heart Dwellers, and keep your heart for Him and for His Nativity this Christmas.

Amen.

Little Children-Love One Another

December 23rd, 2022

Dear family, I lost my patience today.

Lord, please forgive me for my attitude. Forgive also my sloth in not wanting to jump up and serve you with gladness in the person of my husband, who I am so grateful for.

Jesus answered me, *“Watch your attitude carefully and do not be too self-secure. That is why I gave you the Rhema of Self-Righteousness. Pride proceeds a fall, Beloved. That is why I am cutting you back now.”*

Thank You, Lord. Could you please help me?

“Take care to wear the garment of humility and patience first. The enemy can gain entrance through a bad attitude. When you react in that way, you are multiplying everyone’s sorrows because the demons go from person to person, like a chain reaction.

“Clare, Satan is very busy right now setting up circumstances for the community to cause monumental division. So, keep an eye out for those things that can expand and do damage. In every moment you have an opportunity to do good or to do badly. Because you are a leader, you must always set the example, that is

why I am so strict with you."

Dear family, I lost my patience this morning and was bristly with my precious husband. I am so very grateful for him, but I believe sloth got the best of me because I did not want to get up and help him when he called, and mind you, he is bed ridden. He cannot do anything for himself. I am quite ashamed for losing my temper because I thank God for him every day. Well, this time I thought I was justified in being impatient, so I wrote off my bad behavior.

When I went to the Bible promises looking for reassurance from the Lord, that this was not my fault, for a justifying word from the Lord and that he was the problem, and not me in this situation, I got Self Righteousness. OUCH! I repented for my very bad attitude, excuse making and blindness. Wow! Pride has no equal in turning things sour. Forgive me Lord, he is my wonderful blessing, to be grateful for all the time.

Jesus continued, *"Do not forget My Beloved, he is your Jesus. Whatever you do for him, you have done for Me. Children still under instruction, there are many opportunities for you to do good each day, and plenty to do badly. Do not let pain, fatigue, impatience, or distraction, cause you to have a bitter attitude towards anyone who inconveniences you, or that you might have a judgement against. Rather, recognize your pride and call on Me to return sweet waters flowing through your heart. Apologize profusely when you blow it and make it up to others when you have caused them pain.*

"You do not know the day or hour I am coming for you; do you want bitterness to be in your heart then? You want that to be the last memory others have of you? Do you want to be left behind? I am not a capricious- I am not a capricious God who would disqualify you for one small misstep. But I am leading you towards perfection, so I would ask you to keep a close guard on your heart attitude and if it is lacking, go to confession and ask for special prayer.

"One thing that costs you very little, yet does big things for others, is an attitude of brotherly love, even when you do not feel it."

I should say ESPECIALLY when you do not feel like it.

"Be an example of patience, kindness and love, that is the best example you can set for others and yourself as well, each day."

And that was the end of His message.

And I just have a short note here: Family, thank you so much for your kindness in remembering us with donations in this season. We are trying to provide special food for the poor during the holidays. There are many elderly in our area and not all of them have relatives that care or even have money to provide special food for this festive season.

We have been concentrating on firewood and are pretty well tapped out on that account. Any donation you can help us with will be greatly appreciated. May this be a sweet season of the nativity for you, warm your hearts and bring you ever closer to baby Jesus, Mary and Joseph.

Amen.

Lazarus the Beggar-True Christian

December 28th, 2022

The Lord bless you, dear Heart Dwellers. Well, this is an interesting message the Lord brought up for this season. I know it is something He's- it is on His Heart that He wants to get our attention about.

So, I have been waning, a little bit low on energy, and motivation lately. And I did not realize it, but it had to do with the departure of three souls from the Refuge, very precious souls, but were not ready for this life. It is a difficult life, let me say that much, and not for everyone.

So, I was not going to mention that, but I had kind of fallen into some chocolate cravings and been a naughty girl and I felt bad, because I know I am supposed to be abstaining.

And just now, today, I had a beautiful hug from the Lord during prayer, which I needed because I was kind of embarrassed to even look Him in the eye.

He said, *"Welcome back into My arms My most little one. I say that to remind you of your stature, so that you will ever be aware of how vulnerable you are."*

Thank You Lord. Thank You so much for welcoming me back.

He continued, *"You are still recovering from the departure of three souls. You do not realize how deep your feelings go and you expect yourself to recover very quickly. May I share with you...I too grieve and take much time to recover when a soul walks away from their vocation. I know you have regrets, even though have I told you, had you done a better job, the result would still be the same. Thank you for sending that letter of apology, that helped."*

So, the situations here, you know we cannot always control what happens and there were things that needed to be done that I had to mention but whenever I cause a soul offense, I also want to apologize to them because even when the Lord disciplines me, and I get into trouble, He asks me to forgive Him for hurting my feelings. Can you believe that? That is the way He is. He says, *'forgive Me for hurting you.'* So, I sent a letter like that, and He said that did help,

"But you must remember the wrath of Satan is working through souls to bring you down. You would do well to ignore the enemy's promptings to cave. He knows you better than you know yourself."

"One of the hardest things My Bride must endure is waiting. There is nothing that discourages as much as waiting for something big to happen. I want you all to know that this is a true suffering, offer it up as such. Then when things begin to really happen, you will be wishing it never happened, such is the fickleness of human nature, forever trying to avoid suffering in whatever form it comes."

"Every day there are sufferings that come to visit you, but I hold back many, even the majority, because I know the weakness of your frame. That is why it is important for you to thank Me profusely each day for keeping you from greater troubles. Please, My Brides, I work very hard to protect you, but when I do allow something, know that it was with much forethought and deliberation, and, that I saturate you with graces to receive it meekly and carry it without complaint. I cannot even begin to tell you how blessed I am when you do that. But I will say, it creates in Me a profound sense of wellbeing and gratitude, that you received it so well."

“Because of the apostate teachings of the modern church, Christians do not expect to suffer and feel double condemnation when the rest of My Body accuses them of hidden sins. How far they are from the truth. If they could see rightly, they would see a privileged soul being blessed with many more graces, rather than a pitiful sinner trying to appear like a Christian and failing.

“Did I not say, ‘Woe to you rich, for you have your reward now but blessed are the poor in Spirit.’ Understand I was not only referring to spiritual poverty or meekness, I was most definitely speaking also to the rich who tend to be haughty and self-sufficient, scorning the poor. Oh, how this apostate teaching denigrates and ruins Christians who do not listen with their hearts to My words.

“As a result, they believe pursuing prosperity, intelligence, wealth, accomplishments is the sign of a true Christian. No, Lazarus was not poor, but very rich, and a Christian worthy of My Name.”

He is talking about Lazarus the beggar.

“He did not consider the doings of the world worthy of his life. Rather, he was like Mary who sat at My feet and drank in all I had to say. He meditated on the Scriptures day and night and looked forward to My coming. Yes, it may surprise you to know, he is a real person, not just a character I made up to get a point across. And today, you have many Lazarus’s alive who consider participating in this world a waste of their time. Some of them were severely damaged as children, others were a big success and left the world because of its filth.

“Well, I am about to call the question, and those who truly belong to Me will be stripped of their worldly accolades and reduced to homelessness. This will be the best thing that could ever happen to them, and they will be eternally grateful to give up their worldly accumulations to be counted worthy of My Name.

“For those of you who are skeptical of this truth, look up the poor and poverty and see how many times I confronted the evil Pharisees for their greed, and declared the poor widows to be exceptionally holy. And what about My life? What about how I chose to live? Does that not speak volumes to those who dress in finery to go to the temple and worship? Yes, they are seen and respected for their stature by men, but not by the angels and the saints looking on. They see beyond the finery all the way back to the wages withheld from their poor laborers, the payoffs made to judges, the shady deals made behind closed doors to defraud the helpless and the poor.

“Yes, this prosperity teaching is producing generations of so-called Christians not fit for Heaven. My People, listen with your hearts to all stories in the Scriptures and know that My Life was the ultimate example of how you are to live yours.”

Amen.
