

Very dizzy and couldn't walk straight. One treatment from Dr. Sanders and I was not dizzy anymore. My granddaughter came after me and I lived with her family. She took me to Dr. Sander's office and I was able to go home after that visit. The only two names that I know are Dr. Sanders and Stephanie. Friendly-Caring-Excellent Doctor-Excellent Therapist-Beautiful office and very clean. I cannot say enough good things about Dr. Sanders and his employees.
