February 2015 President's Message

Well Anglers another year begins. I have to start with two corrections to last month's newsletter. Pat Cavanaugh' name does not have a K and the irons we obtained came from Salas not Tady.

If anyone has heard from Herb Mitchell in the past two months, please let me know. We are looking for him.

Hopefully you have sent your memberships in as we are placing the shirt order now to beat the Fred Hall rush. When you attend Fred Hall this year and you should, if you run into anyone you think would make a good speaker, please obtain contact information and pass along to Dick, our speaker chairman.

The website was down for a few days but I believe all issues have been resolved. If you try to go on our website and there are problems, please contact Sam of me. Please send Sam your pictures and articles. I am seeing facebook posts and want the rest of the club to see how good fishing still is out there.

Fish for Food is coming March 17, 2015. If you can and have not already done so, please sign up for this program. It is a great way to shake off the cobwebs of not fishing for a few months and helps feed needy people. The cost of \$30.00 is a n inexpensive and fun way to introduce someone to fishing. Hope to see many club members there. Wear your tuner's shirts and represent the club.

Last month All charters became available. There are still spots on all charters so bring in your deposits and see Ernie prior to the next meeting for signups. I believe the June Dawn trip is almost full so if interested sign up now.

This month's raffle will include a Diawa freshwater reels and several other prizes including the

Some individuals have said they wanted to volunteer with kids. Well Dan Hernandez has a monthly program the third Saturday of every month, Fishing in the City is finalizing their schedule for the year and as opportunities arise, I will post them in future newsletters.

I will close by stating we are always seeking new members or friends who have left us for one reason or another. Invite old friends back and new ones to join us. See you fishing or at a meeting soon.

Fresh Water Event Update

Feb. 21 Saturday 7:am @ Bolsa Chica

May 31 Fishing with Rich Tauber @ Casitas 10 people 50 \$ ea. 8 hour day open just announced first come first to pay at Feb. meeting

June 14 Sunday 7:am @ Bolsa Chica

July -----to be announced open to suggestions

Aug.---- to be announced ?

Sept----to be announced ?

Oct. and Nov. same as above ?

So here's the first half of the year fresh water get together events I've compiled. Something new this year which sounds like exciting will be the May Rich Tauber Lake Casitas Bass pontoon guided trip limited to 10 people each trip. Sorry about the first trip being abruptly sold out so fast, but Rich has so kindly to let us have a second date Sun. May 31. The guided 10 person trips fishing for Big Large Mouth Bass , netting shad (candy bait) will be a learning experience. This IS VERY IMPORTANT, so listen up

Space is very tight with 10 of us plus R.T. on a smaller platform. Imagine how we fish on the Tac or Sea Jay, not the biggest of all boats, you get my drift! He suggests bringing a 6/8# lite spinning out fit your comfortable with. Hooks, terminal tackle will be supplied, bringing tackle boxes would just add to the confinements and lack of area to move around in. Maybe a small waist or fanny pack is best. More details later as the dates get closer. Money will be needed asap \$50.00

each per person so we can get this thing rolling along. Thanks.

I hope we can have a great year as was last year. Bring new people in, kids, kids, kids and more.

I'll fill the latter part of the year as time goes on, suggestions are important to me, I won't get mad I just look mean. Don't let the Sargent of Arms stuff intimidate you!!!!

See u at the meeting,

the pre-printed forms. The data on the pre-printed forms comes from the club database. This is the best time to verify and update your information. (Please make every effort to use the pre-printed forms rather than fill out a blank form. I have had instances when people supplied "new" or "revised" information (or I couldn't read their writing), only to have to change the information back at a later date! Thanks for your consideration and cooperation.)

The dues for 2014 are the same as last year: \$45 for an individual and \$60 for a family membership. **That entitles you to one T-shirt for individuals and 2 T-Shirts for family members.**

Membership Card Reminder

All members are reminded that your club membership entitles you to a 10% discount on NON-SALE fishing tackle items at Turner's Outdoorsman stores. This discount is not available for guns or ammo. You are also reminded that after January 1 2015, your 2014 membership card is void. In order to receive the discount, a current 2015 membership card will be required. All store managers aware of this and there are **NO XCEPTIONS.**

SECRETARIES REPORT

DINNER MEETINGS

We are still able to meet at Mimi's Restaurant in Monrovia. It becomes more and more difficult to find meeting space as time goes on. We have strived to make this relationship work.

In order to maintain a good working relationship with Mimi's each member needs to continue to purchase food at our Dinner meetings. Yes, these are dinner meetings. Mimi's has accommodated us with separate checks, an open menu, and they start taking orders as we arrive. (As early as 6PM sometimes.) We want to keep this in balance.

If you are unable to purchase dinner please consider dessert and a beverage at least if you eat dinner at home. Also please remember that your check no longer includes the tip so you need to add on the tip. And please be generous in your tip. We are not the easiest group to work.

RAFFLE NEWS

The January Raffle included a variety of items including a couple of rods, a line winder, tackle bags, lead, Izorline, knife, Salas jigs and the Mystery Prize.

Winners included Glenn Bummer and William Davis for the rods, and the following members for other prizes: Dave Craig, Randy Mindoro, Joel Tureaud, Russell Schokman, Warren Harper, Jose Huerta and Carolyn Duncan. Randy & Carolyn made it up to the table a couple of times.

Mr Davis has already been shopping for the February Raffle. Nothing looks appropriate for your sweetheart so get on out and buy her something nice.

CLUB ROSTER

Club Rosters should be available from Membership Chairman Pierre Sycip if you need one. Just ask Pierre for an updated 2015 Roster.

MEMBERSHIP

I want to thank everyone who paid their dues by the January 31st cut off date for T shirts. I know for some it was not easy right after the holidays while trying to pay for trips too. Also I want to thank our more "Senior" members who pay dues even though you don't have to. Your efforts are appreciated.

I have notified the Board this year that we have a membership goal of at least 15 new members this year. This is based on our needs as a Club to remain healthy. We need each of you to bring in 1 new membership this year. William Davis has business cards for the Club you may take to share the Club with other fishermen. It's time everyone got serious about the recruitment of new members.

T Shirts

T shirts were supposed to be ordered approximately February 1st so that they could be done by second week of March. The forms you filled out were provided to Pierre Sycip, Membership Chairman, before the end of January. As of this date, Dick Guiliani who orders the shirts, has been unable to place the order because Pierre has not supplied the shirt numbers/sizes to Dick. So the date the Club will receive the shirts is unknown at this time.

I tried to get an original design for the 2015 shirt. Although I anticipated the new design by January 31st, it has not been forthcoming. This has not held up the order, but we will likely not have a new custom design this year.

FISH FOR FOOD TUESDAY MARCH 17, 2015

If you haven't signed up yet for Fish For Food out of Cisco's in Oxnard there may still be time. Check the website for openings on that date or talk to Wil Ebersman or Denise Davis. They are fishing this year from 7 a.m. until 3p.m. for the low price of \$30. Remember all fish are donated to the Ventura County Food Bank. Subs and a raffle following the fishing.

Secretary

Traveling down we experienced rain and east wind last night as we are still dealing with unstable weather. Throughout the day it is getting nicer as the guys downstairs are switching from wahoo mode to the big gear. We have seen many pictures of wahoo throughout the years and today's picture of Glenn Bummer and crewman Brian Pifer is at the top of the list. The guys
