Queen City Corvette Club and Bloomington Gold

On behalf of Bloomington Gold, it's our pleasure to welcome you to the Hendrick Motorsports Complex and the 2018 Gold Collection...The Sharks 1968-1972! We appreciate the opportunity to present this special Gold Collection, with our host, Mr. Rick Hendrick, and title sponsor, Rick Hendrick's City Chevrolet.

Continuing in the tradition of 25 years of Bloomington Gold Special Collection events, each year the Gold Collection showcases a special group of Corvettes. This year you'll see 1968 through 1972 Corvettes, often referred to "the sharks". You'll see high scoring Bloomington Gold Certified,[®] SURVIVOR[®] and Benchmark[®] cars, and cars recognized by the National Corvette Restorers Society.

1970 Corvette Coupe #12762, 350/350 L46

Owned by: Eugene G. Anderson, Elizabethtown, NC
Benchmark,[®] NCRS 5-Star Bowtie, Triple Crown

This Corvette was originally purchased by Melvin D. Barth on the July 4th 1970 weekend, from Graham Chevrolet in Mansfield, OH. Purchase price was just \$10.00 over dealer cost, a special promotion offered to Vietnam Veterans. Barth drove her only during nice weather. After thieves attempted to steal her, he wheeled her around sideways inside his garage. Barth put only 10,970 miles on his Corvette in 14 years of ownership.

The next owner, Dennis Crenshaw, picked the car up on a rainy day and Barth never quite got over it. Crenshaw owned her five years and drove her only 1,833 miles, giving a total mileage of 12,803. The third owner, Mark Graves bought the Corvette in 1989. He rebuilt the carburetor "at least 3 times to get better idle response." His last rebuild was in 1992.

We purchased the Corvette on September 30th 1994. To date, the Monza Red coupe has received many honors and awards, including: Bloomington Gold Benchmark,[®] NCRS 5-Star Bowtie & Duntov Mark of Excellence, and Triple Crown & Vettefest Best of Show. The Corvette was featured in the 1999 Bloomington Gold Special Collection and has been featured at the National Corvette Museum in Bowling Green, KY.
