

Lou Waters – Opening of FM Station

01 of 07 Photos

Working on the FM Station.
Most likely OSHA wouldn't like the
idea of the electric hand saw
operator wearing flip-flops.

This was the grand opening of the FM station. The building on the left housed the FM Station as well as the 2" video tape machine we used to tape the TV news. Chester A. P. McNeese, MSG, USA, Det NCOIC at the time is in the foreground.
