

The world leader in water and rope rescue education since 1979

Swiftwater Rescue

Technician Unit 1 (SRT 1)

April 22, 23, 24, 2016

Deep Creek Lake, MD.

ASCI Whitewater Course

Course: 24 hours, 0800- 1700 hrs. every day

Tuition: \$430.00

Prerequisites: Basic swimming ability

Personal Equipment: Full wetsuit or drysuit, lightweight water or kayak helmet, US Coast Guard Approved Type III or V lifejacket/PFD, thick-soled water booties or tennis shoes, gloves

This is our most popular course. The SRT1 course provides rescuers with the fundamentals of survival in moving water and is recommended for anyone who may be called upon to effect in-water rescues. Students gain knowledge in hydrology and river classifications, size-up, site control and scene management. Practical skills include self-rescue, swiftwater swimming and the fundamentals of shore, boat and in-water rescues. Additionally students are introduced to the basics of boat handling and the fundamentals of rope rescue including mechanical advantage and anchor systems. The SRT1 class also provides the rescuer the foundation to the [NFPA Swiftwater Technician level](#). Swiftwater Technician level is a mandatory training level for inclusion on a Federal Emergency Management Agency Swiftwater/Flood Search and Rescue Team at all Team levels.
