Dear Matre Forestry Newsletter Subscribers,

Matre Forestry Consulting, Inc. is pleased to announce that Seth Chester has joined our land sales team as an Associate Broker. Please see a short message from Seth and Matre Forestry & Land Sales Broker Mike Matre below.

**Message from Seth Chester
Associate Broker, Matre Forestry Consulting, Inc.**

Hi. I'm Seth, an associate real estate broker from Ocala, Florida and a 4th generation Floridian. I have recently earned my brokers license in the State of Georgia and have proudly placed my license with Matre Forestry Consulting Inc. as an Associate Broker. With a consistent multi-million annual sales volume, I am a seasoned listing and buyer's agent working in commercial, agriculture, and residential properties.

I'm an avid outdoorsman with an extensive background in farming, site development, underground utilities, demolition and real estate. I have in-depth knowledge of land/aquatic management, income-producing properties, real estate market trends, and the land market in both Georgia and Florida. I am a sharp negotiator with a track record of unmatched hospitality. I take a personalized approach to every client's needs, getting to know their vision so that I can provide the best service possible, always keeping my clients' best interests top of mind.

In my free time I enjoy fishing, hunting, traveling, and furthering my education in real estate and economics. You can typically find me with my short-haired pointer Jaeger, or a select few. "Live and Let Live".

Message from Mike Matre, ALC, ACF, RF Broker, Matre Forestry Consulting, Inc.

I first met Seth when I sold a fine Georgia hunting property to his mother in early 2021. Since he struck me as such a sharp, polite, and intelligent young man and realtor during that transaction, when he contacted me recently about putting his new Georgia Broker license with Matre Forestry as an Associate Broker, it was an easy yes. Seth is already working on a new Georgia land listing coming to the market soon, and with his background and connections in both Florida & Georgia, I am looking forward to seeing his Georgia real estate activity grow and him helping Matre Forestry better serve our clients. With his background in both real estate and land management and land clearing, he is an especially good fit to not just help clients with land brokerage, but also management.
