

## COMMERCIAL MOWER ATTACHMENT SERIES

### INSTRUCTIONS D'TTACH DETHATCHER WHEEL KIT (DTWK)

**2**

**Install the DT Series Dethatcher attachment and lower to the operating position.**

**Align and install wheel assembly #2 on the \*right side of the dethatcher using carriage bolts (as pictured above).**

**The head of the bolt should be under the dethatcher plate and feed through the grey spacer between the dethatcher plate and caster arm. Secure the caster arm with a flange nut using a 9/16 wrench.**

**Repeat on \*left side using assembly #1.**

*\*mentioned right & left is always referred to as the operator*

*\*\*position of caster assemblies 1 & 2 may vary upon position of installer. Open sides of assemblies should face each other.*
