Our friends	20 group sensory game	21 Group coloring	22 Art project	23 Rainbow sensory bags	24 Music time	
My hands	27 Musical Instruments	28 Paint with Jello	29 Sensory bins	30 Art project		

Dear Families,

Welcome to the Toddlers I class! We are excited for our 2021-22 school year to start! Each month you will find our lesson plan and class newsletter on our website www.mdoracine.com. Please check these out for all important information pertaining to our class.

The first few weeks of school may be a rough transition for your little one but we will be spending our first few weeks of school getting to know our classroom and each other! It will take a little time before everyone is settled in and comfortable, after all it is a big transition!

This month we have a lot of fun activities and sensory fun to explore! Week 1 we will be focusing on transitioning everyone to the new room and then into week 2 we will be learning about the color red and begin our sensory activities. Each week your child will participate in at least one art project and one big sensory activity with their class. We will be incorporating a lot of smaller sensory activities through the day as well!

A few reminders:

1. Please dress your children accordingly for the weather. We are very close to the lake and temperatures can be cooler. Feel free to leave a sweatshirt in your child's backpack.
2. Please dress your child in play clothes. We do use washable paint and smocks, but accidents do happen.
3. Please make sure all of your child's belongings are marked with their name. (Sleeping Bags, lunchbox, bottles, etc.)

We are looking forward to a fun and exciting school year. If at any time you have any questions or concerns, please feel free to contact us.
