

Kids' Trout Fishing Day Scheduled for Mineola Nature Preserve Bridge Bob's Pond

On Saturday February 11, 2023

- Bridge Bob's Pond at Mineola Nature Preserve
- Wood County Road 2724 just south of Mineola
- Kids' Trout Fishing Day.
- 9:00 a.m. until 12:00 p.m.
- The event is free to area youth and adult fishing mentors
- No fishing license is required; SEE DETAILS

The event is sponsored by Texas Parks & Wildlife and the City of Mineola.

Mineola reports, "Anglers are encouraged to bring a light-action rod and reel combo with small fishing hooks, light line (12 lb. test or less), small bobbers and small split shot, and bait to take a chance at catching some of the 1000 rainbow trout that will be stocked by Texas Parks and Wildlife Department. Whole kernel corn, salmon eggs, marshmallows, small worms, Berkley power bait, and small spinners are generally the favorite baits for trout. If you don't have fishing gear, volunteers from the local area and TPWD will be on hand to help with fishing and to provide loaner rod and reels and some bait."

ABOUT THE MINEOLA NATURE PRESERVE

The Mineola Nature Preserve is located at 1860 County Road 2724 just south of Mineola. From US 69, exit east onto Loop 564, then turn south onto CR 2724 going approximately 1.5 miles to the main entrance on the right. Mineola Nature Preserve, a Mineola city park, is open every day from 7:30 a.m. until sunset. There is no entrance fee for entering the preserve. Other information about Mineola Nature Preserve can be found at the preserve website at www.mineolanaturepreserve.com(link is external).

For more information on Kids' Fish Day, call TPWD at 903-593-5077."
