

ASTRONOMICAL CLOCKS OF THE UNIVERSE

THE RECORD OF TIME KEEPING BY THE DIVINE ORDER OF THE CREATOR

The purpose of this illustration is to depict the various Celestial Clocks of the Universe. According to the book of Genesis, it is YHVH, the Creator that has fashioned the Sun, Moon and the Stars to 'tell time'. What is amazing is that out of all the apparent Elements and variables of the known Universe, YHVH chose Earth to be center or 'fulcrum' of the Universe with this respect to 'Time'. The various forms of the Celestial Clocks have a pattern that echoes in other facets of Creation like with the constellations, the Seasons on Earth, the Precession of the Equinox, etc. For example, from a Northern Hemispheric perspective on Earth, the 'Night' constellations correspond to the Winter Season. The 'Day' constellations thus correspond to the Summer Season. In terms of the Zodiac or constellations, as the Sun traverses the Mazzaroth, the Station or 'Sign' that the Sun is 'stationed' at corresponds to the celestial time of the 'day' in astronomically terms or 'Celestial Time'. From Earth's perspective, the Sun would be like the 'Small Hand' on a wall clock. The Moon would be the 'Big Hand'. As there are only 12 hours in a day, thus only 12 stations or Zodiac are in a Celestial Day. And Biblically speaking, 'Stars' - Planets would be the 'Seconds Hand'. In essence, the Sun as well as the Moon are indeed a 'clock' that keeps record of the dimension of Time. The 'Celestial Time' is recording the 4 prior 'Worlds' that have been destroyed and the 5th Element is to commence. The 4 Elements were Gold, Silver, Iron and Bronze. The 4 Elements of the Eons or 'Ages' are a 'Universal Pattern' For example, they are the same Elements that make up the Metallic Messiah or Christ of Nebuchadnezzar's dream interpreted by the Prophet Daniel in the Bible. These 4 elements also are found in the making of the Tabernacle of Moses in the Wilderness and subsequent Temple in Mount Zion, i.e., Temple of Solomon. These are also the elements depicting the 4 Beasts that are to rule the Earth until the return of Jesus, the Messiah. The 5th Age to come or that which will correspond to the 5th Element will be when Jesus sets-up His Millennial Kingdom on Earth and from where Eternity Future will commence thereafter.

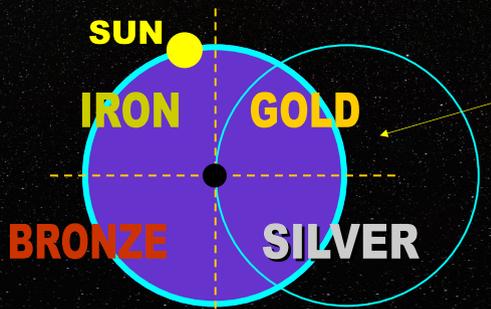

4 STAGES TO A DAY
 1 Day = 1 Night and 1 Day
 1 Day = 24 Hours
 12 Hours each

60 Minutes = 1 Hour
 60 Seconds = 1 Minute

2.4 Days = 144 Hours

24 Hours x 60 Minutes = 1440 Minutes

THE 4 EONS OF TIME
 6 Parts @ 25,920 = 4,320 years
 4,320 years / 12 signs = Ages or Eons
