

Hello to our Year 4 family.

We hope you are all well and keeping safe. Mrs Krudy and I have just had a video conference call for our PPA!

In addition to the information posted on the school website and the links supplied, we are continuing to put together a list of activities that you should be able to do with the children over the initial period of school closure. We hope that you and the children have been able to access these materials and that the children have been able to have a go at them.

We have created a week 2 schedule for you.

Take care,

Mr.Cuming and Mrs. Krudy and all of the Year 4 team.

Subject	Activities	Useful links
English	Spelling "Wind on the Hill" by AA Milne can be found on https://www.familyfriendpoems.com/poem/wind-on-the-hill-by-a-a-milne There is a copy of it at the end after the daily routine.	Spellingframe.co.uk
	Reading: Daily reading of their school reading book Bugclub (children's usernames and passwords have been sent out)	
	Homework book	
Maths	Follow the WhiteRose maths lessons for Year 4. If this is too challenging please follow the activity thread for Year 3 or Year 2.	https://whiterosemaths.com/homelearning/ Follow the Year 4 link for activities.
	Times Table Rockstars	
	urbrainy.com Free homestudy packs	Follow the links for Year 4 Free Home study packs Use the interactive "Number Activities"

<p>Science and other bits</p>	<p>Identify and the learn the names of the birds visiting outside your home. Buy some seeds and grow them. Take some photos and create a diary. Learn how to make a cup of tea or coffee. Bake some cakes, take photos and write about what you did. Write a diary of each day- this could become a really important historical document. Use your TikTok account (if you have one) to create a video diary.</p>	
-------------------------------	---	--

It is important that children maintain a sense of routine so what follows can provide that. Please limit the amount of time the children are playing on games consoles. It is also really important that everyone gets outdoors, so break up their learning with opportunities for a break out in the garden; or, if you have one, take the dog for a walk.

Myself and my son are doing Joe Wickes' daily workout, the old legs are aching a bit and my back is just about holding up! The number of people following these exercises is amazing and it's great to think that we can all be a part of it too!!

Have you had a go at my daily drawing challenge on Twitter?! Any suggestions for other pictures will be considered- I can't believe that the most difficult part for me is thinking what to draw!!!

Mr. C

Daily Routine Week2

Monday	20 mins Reading time	Maths Lesson 1 Year 4 White Rose Home Learning Recognise tenths and hundreds	Spelling practice Spellingframe.co.uk	Times tables rockstars	Write a diary entry for today	
Tuesday	20 mins Reading time	Maths Lesson 2 Year 4 White Rose Home Learning Tenths as decimals	Spelling practice Spellingframe.co.uk	Maths urbrainy.com Addition interactive activity	Write a diary entry for today	
Wednesday	20 mins Reading time	Maths Lesson 3 Year 4 White Rose Home Learning Tenths on a place value grid	Spelling practice Spellingframe.co.uk	Times tables rockstars	Write a diary entry for today	
Thursday	20 mins Reading time	Maths Lesson 4 Year 4 White Rose Home Learning	Learn a poem: Copy "Wind on the hill" by AA Milne	English homework book page 52 and 53 Apostrophes for single possession	Write a diary entry for today	

		Tenths on a number line				
Friday	20 mins Reading time	Maths Lesson 5 Year 4 White Rose Home Learning Dividing 1 digit by 10	Draw some illustrations for the poem	Times tables rockstars	Write a diary entry for today	

Wind On The Hill

By A. A. Milne [More A. A. Milne](#)

No one can tell me,
Nobody knows,
Where the wind comes from,
Where the wind goes.

It's flying from somewhere
As fast as it can,
I couldn't keep up with it,
Not if I ran.

But if I stopped holding
The string of my kite,
It would blow with the wind
For a day and a night.

And then when I found it,

Wherever it blew,
I should know that the wind
Had been going there too.

So then I could tell them
Where the wind goes...
But where the wind comes from
Nobody knows.
