## Mini-Seis Seismographs

Studies Show That Users of White Seismographs Are Happier,  
More Productive and Successful.

### HAPPIER:

The Mini-Seis seismograph costs much less to purchase and maintain than competing brands.

### MORE PRODUCTIVE:

The seismograph and software are very user friendly. The size and weight of the seismograph make it easy to use on the go. Purchase the external printer and print your records in the field.

### SUCCESSFUL:

The combination of the Mini-Seis seismograph and the White Alpha-Blast Signature Analysis and Simulation Software has allowed their operations to minimize vibration and reduce complaints.
