

Traveling through life can be difficult when we are not clear as to what road to take. For there are two roads presented before each one of us. A road that will bring sure destruction and a road that gives us a life that is beyond whatever we could hope for.

In this *single CD* teaching, Dr. Hohman researches the Hebrew word for "King" which is "Melech". The word Melech is an acronym that reveals the road to God's abundant life here on this earth. While, the word Melech, if spelled backwards shows us the path of destruction, and is "calem" or the English word, "calamity". So profound yet so simple and so revealing, this wonderful teaching has blessed multitudes by clearly showing the road to greatness. The road that leads to life as God has it.
