

Three Months of Pastor and People

Beloved Church Family,

It is amazing to think that three months have already passed since God brought us together as pastor and people. I still remember my first Sunday, I was filled with both excitement and a lot of nervous energy; and, how your warm welcome quickly made me feel at home. Since then, we've shared in worship, prayed over joys and sorrows, and walked side by side through the everyday moments of ministry that remind me what a blessing it is to serve with you.

In these months, I've learned that this congregation desires to be more than just a gathering on Sundays. Aldersgate is a family rooted in faith and love. I've seen God's Spirit at work in your kindness, your service, your laughter, and your willingness to try new things for the sake of the Gospel.

But, I also believe these first months are just the beginning of what God wants to do through us. The seeds of renewal and growth are already being planted. I see sparks of revival in your hunger for prayer, your desire to deepen faith, and your heart for reaching beyond these walls into the community. Together, we are being called to water those seeds, to nurture them, and to watch as God brings forth the fruit.

As we move forward, let's continue to pray for one another, to encourage one another, and to boldly follow where God leads. I believe the best is yet to come, and I am grateful to be on this journey with you.

With love and gratitude,
Pastor Donna
