Deep Clean Back Facial _We got your back! We know that's a hard place to reach, so come in and let us take care of your back. It includes a deep cleanse along with a scrub. We follow that with an ozone steam then extractions. Last, but very important, is a revitalizing mask, high frequency (to close pores) and soothing moisturizer. This treatment comes with a shoulder massage. Deep cleansing, strong exfoliation and masks will make you proud to show your back.
