Who we are

The Alliance Française de Las Vegas is an independently supported American, non-profit, non-political, non-discriminatory, organization governed by a Board of Directors, which reports to its members.

Our mission

The mission of the Alliance Française de Las Vegas is to enhance the knowledge and appreciation of French and Francophone culture, to increase the knowledge of the French language, and to encourage interaction among French, Francophone, and American people through programs in education and the arts.

OUR PROGRAMS

Now 100% online !

Striking a balance between fun and serious, our classes achieve rigorous academic objectives while entertaining students with age-appropriate games, activities, and cultural immersion. Children and teenagers will be introduced to the French language in a natural way while developing oral and written communication skills.

Activities, books, and materials are adapted to each age group and level.

Option 1: Group lessons

The school and the AFLV agree on days and times for French lessons. The AFLV provides the teacher and books. Lessons can be scheduled 1, 2, or 3 times a week.

Option 2: Full immersion

The school creates a special program where an AFLV teacher permanently works with one of the school teachers in a bi-lingual program following the school's curriculum.

Option 3: Assessment

If your school already offers French lessons, the AFLV can help you to update your curriculum and guide your teacher. We also offer special workshops for your students.

“If you talk to a man in a language he understands, that goes to his head. If you talk to him in his language, that goes to his heart.”
