Hi Marlene,

That was quick! Thank you so much. It looks wonderful - I love the idea! I think all of our residents would enjoy it. With that said, of course I'd like to proceed. Unfortunately, my paper day is over as of 12:30pm, so I'll be away from my desk for the rest of the day and a majority of tomorrow. Let me know if there's anything I can send over email and I'll make a point to check it before I leave at the end of the day. I have another paper day Tuesday morning, so I'll have more time at my desk then. Thanks in advance!

Also, I just double-checked with the Administrator. We have a total of 77 rooms here at Birchmere Retirement Residence, and at maximum capacity, we have 85 residents. Right now we're sitting at 70 residents, but we have new ones moving in all the time as rooms become available.

Hi Charlene,

Thank you for coordinating with us. I want to apologize for the delays, and I appreciate you being on the ball with this.

If there is any other books you are putting together in the Selkirk area let us know, I would be happy to work with you again.

Thanks

The box of books arrived safely and I have delivered the 2 to the advertisers as requested. They look good, perhaps I could drum up contributors in the future for you and maybe change the cover photo. We are renovating and replacing the (very dangerous) front stairs and hopefully not have a vehicle in the photo.

Thanks a bunch

Bob

Good Morning Glen,

I received the calendars today and delivered them to the 50 suites in Neepawa Elks Manor. Everyone was thrilled with them and happy that each page is a month unlike last year where there were two months per page. Thank you so much to everyone on your staff for the superior product. I will gladly deliver a book to each of the advertisers Happy New Year.

Sincerely,

We received the Community Calendar Books, and I've handed them all out to the residents... They are amazed! I keep getting wonderful comments and heartfelt thanks, so I had to pass that onto you & the company. The quality is great, the front cover looks AMAZING, and so do the sponsors' ads. Such vivid colouring! They made perfect New Year's gifts/tokens of appreciation for the residents.

I've already handed out a copy to most of the businesses that sponsored this project, but oddly enough the funeral homes have been hard to reach, so I'm still waiting to deliver their copies, and a couple for the businesses that close at 5pm, which is when I typically finish work myself (or later, like this evening). Many thanks again!

All the very best & Happy New Year! Have a fantastic weekend.

Thank you, thank you, thank you! I still can't believe you're able to provide us with such quality calendar books at no cost to our residents. It is greatly appreciated beyond words!
As for the front pages, we have updated our TV Channel Listings (see attached) for the inside cover page. Otherwise, the front cover looks great and stays the same, aside from the year change. Haha
