The lien claimed by the lienor is subject to enforcement pursuant to Section 713.585, F.S., and the vehicle may be sold to satisfy the lien. The lien is claimed for labor, services performed, and storage charges, if any, and the amount due in cash on the day of the sale, if paid to the lienor, would redeem the motor vehicle. At any time before the date of the sale or proposed sale the owner or any person claiming an interest or a lien on the vehicle may file a demand for hearing with the Clerk of the Circuit Court in the county where the vehicle is held to determine whether the vehicle has been wrongfully taken or withheld from him or her. At any time before the date of the sale or proposed sale a customer or a person of record claiming a lien on the vehicle may post a cash or surety bond in the amount stated on the invoice with the Clerk of the Circuit Court where the disputed transaction occurred.
Notice that the owner of the motor vehicle has a right to recover possession of the motor vehicle without instituting judicial proceedings by posting a bond in accordance with the provisions of Florida Statute 559.917.
Notice that any proceeds from the sale of the motor vehicle remaining after payment of the amount claimed to be due and owing to the lienor will be deposited with the Clerk of the Circuit Court for disposition upon court order pursuant to subsection (6) of Florida Statute 713.585.
Notice that the lienor will make the vehicle available for inspection during regular business hours within 3 business days after receiving a written request to inspect the vehicle from a notice recipient, whom may present either a copy of an electronic title or a paper title as evidence of his or her interest in and right to inspect the vehicle.
