Parents/Guardians,

The WINTER registration fee for YouthNet is \$40.00 (if your child is already in the after care YouthNet program, this registration fee does not apply). Registering with YouthNet entitles your child to sign up for any club and participate to up to 5 clubs per week which will meet 6 times during the spring months. Please check the appropriate box on the permission slip of your method of payment, which you can attach to the permission slip. NO STUDENT will be denied access to YouthNet clubs. Scholarships are welcomed, just check the box that says "scholarship requested." If you would like to donate to sponsor a student who applies for a scholarship, please check the box labeled "sponsor donation" on the permission slip. NO STUDENT will be turned away due to a financial hardship. Permission slip will be turned in to the coordinator, Mr. Anthony Cicenía in room 102 and will be accepted no later than the second meeting of the club.

How your child signs up for a club:

1. Choose any club from the YouthNet brochure (choose only one club per meeting day).
2. Pick up a permission slip at one of the designated areas: Main Office, Library, Room 102, or Cafeteria.
3. Send in completed permission slip indicating each club of participation to Mr. Anthony Cicenía (SOMS YouthNet Coordinator) in room 102 after school, where student will be digitally logged into the club. Attach payment to the permission slip or place in a sealed envelope with permission slip and name of student on front of envelope. Additionally, if you are sending in a check, please make sure the student's name is on the memo line and that the check is made out to YouthNet Plus. All payments will be recorded on a master list. If paying by PayPal please indicate the confirmation number on the permission slip.
4. *If you bring the permission slip to the office, please place it in the YouthNet club box found on the ledge in front of Ms. Ritchwood's desk. Using this method creates the possibility that the club will be filled before the permission slip reaches Mr. Cicenía. **Only by directly submitting form to Mr. Cicenía in room 102 will real-time notification be provided for entrance into a club.***
5. Only ONE permission slip needs to be completed and turned in, as all of the clubs are listed on it.
6. The registration for Spring sessions of clubs begins on December 10th. Most clubs will start the week of January 2nd (unless otherwise noted by club advisor).

THANK YOU!
