Gold Beach Community Club Newsletter May 2019

2019 POOL SEASON OPENS MAY 25

Get ready for a Rockin' Swim Season this year! Please join us on opening day, **Saturday, May 25th**, for a **pizza and ice cream party at 3pm**, courtesy of the Pool Committee.

Hours: **8am – 9pm** daily; **Adult Swim is 10am – 11am** daily

Dates: **May 25th – September 2nd** (that's no typo, the pool will be open EVERY day all summer – including the entire month of June - whoohoo!). As a reminder, the pool is a shared facility. If you're planning a party at the clubhouse, remember that you will be sharing the pool with your neighbors and their guests.

The Buddy Swim Age has been changed from 14 to 13 in accordance with WA State Law. Young adults ages **13 – 17 may not swim alone**, but may swim with one or more buddies, ages 13 and older. As a reminder, anyone under the age of 13 **MUST** be accompanied by an adult age 18 or older.

Don't forget to keep yourself familiar with the Pool Rules. By everyone cooperating and following the Pool Rules, we can all enjoy this neighborhood asset. Those not willing to comply with the Pool Rules will be asked to leave. Check out the rules at:

<http://www.goldbeachcommunityclub.org/page-2.html>

A very special THANK YOU goes out to **Bri Bradrick** for taking on the particularly thankless job of assisting the Pool Committee by cleaning out and organizing the chemical storage closet!

We now have wifi available at the Clubhouse. The wifi password is goldbeach! There is also now a landline phone in the pool cabana, for emergency use only.

This facility is based **STRONGLY** on volunteerism, and we are looking for a few good volunteers in all capacities of the clubhouse (Facilities, Architecture, Pool, Social Events, etc.). The pool committee is specifically looking for a few more folks to help round out the opening and closing portion of the summer pool season. Please send an email to info@goldbeachcommunityclub.org to express your interest in any of our committees!

2019 Stickers & Keys

If you're wondering where your 2019 sticks are, wonder no more! We are installing a new electronic key fob access system for both the pool and the Clubhouse! If your dues are paid-in-full, you will be receiving your key fob shortly. If you have scheduled a reservation for the Clubhouse, your key fob will provide you access for the **specific window of time of your reservation only**. Also, please do **NOT** give out your key fobs to friends/visitors/etc. These keys are for **Gold Beach Residents Only!** Replacement key fobs will be \$25, so don't lose them!

In the event there are issues getting this new system working properly, we will fall back to our physical keys for access until we make the full switch-over, so don't toss those old keys just yet!

You're sure to notice the roof on the clubhouse remains untouched. This was a significant basis for your dues increase, so you have good reason to question why it's not yet done. The blame falls to me – your President – we made a bad choice in our contractor, which we are in the process of rectifying. The current building boom is making it difficult to secure dependable contractors. Our current plan is to secure a bid for a replacement in early spring – early enough to allow for unexpected problems uncovered in the process – without impacting the 2020 pool schedule.

Fire Safety

In case you haven't noticed, we've been having unseasonably nice weather this spring. While it's nice now, it's also sure to bring the threat of fire season earlier than usual. One of our new neighbors, Roger Deaver, had a full career in forestry, and is a driving force behind a volunteer-led effort to keep an eye out during especially high-risk times, like the 4th of July. But each of you can help just by being vigilant for signs of fire. Don't hesitate to call 911 if you're hiking in Dockton Forest, out on the bluff, or the beach, etc., and see a fire (we recently had a homeless encampment fire in the woods just west of 79th Ave SW – thankfully it was spotted by a hiker and called in before it progressed!).

Clubhouse Reservations

The Clubhouse Calendar is getting an upgrade! We're in the process of switching to a Google Calendar and plan to have a live view version available on the website shortly, where you can easily look for yourself to check availability. Reservation requests will still need to be made via email to Chuck & Linda Hoffman, at ch25945@comcast.net.

Community Wide Garage Sale – June 15th & 16th

It's time for our annual Gold Beach Community Garage Sale, so Mark your calendars for June 15th & 16th !! We had high traffic last year, so let's give the Island something to talk about and bring back this fun community event! It's an easy way to sell the extra things you no longer need and clear out some extra breathing room for summer! But it only works if lots of households participate! So please consider participating in this neighborhood-wide event and let us know by emailing us at info@goldbeachcommunityclub.org (so we know how many signs to make!)

Let's Keep in Touch!!

Don't forget to join our Facebook Page, at 'Gold Beach Community Club' to stay up to date on current events, ask a question, report a lost item or pet, make announcements, etc. And don't forget to sign up for the neighborhood email list at info@goldbeachcommunityclub.org. And if you don't use email/social media, but use a cell phone, please call Kim Richards at 206-567-0062, as it is possible to make at least some sort of communication with you.
