[Butch Sutley, Butte MT](#)

Butch is from Butte, MT and started dancing in 1983 in Lolo, MT from Ray Granger. Butch enjoyed the fellowship and dancing so much that he asked Ray what he could do to help keep this great activity going. Ray replied, "Become a Caller." When Butch returned to Butte, he was mentored by local callers Roy Johnson and Bill Pasco. He later enrolled in a Caller's School in Missoula, MT with Dayrl Clendenin and Ray Granger.

After calling and teaching for many clubs, Butch took a 10-year break from calling before returning in 2006 to calling full time for clubs in Idaho and Washington. While living in Idaho he met his wife, Faye, at a Square Dance in Clarkston, WA. Together, they danced and called in Washington and Idaho until returning to Butte in 2019 to be closer to family.

[Larry & Susan Sperry, Billings MT](#)

Larry and Susan have been dancing together since their high school years. They began cueing and teaching round dancing in the 1980's and continue to be passionate about the program. They particularly enjoy teaching new dancers. They have been featured leaders for many state and regional conventions, including Canada and Hawaii. Their original choreography has been popular around the country as well. They belong to Round-A-Lab and have received the 35-year service award. Larry and Susan are also active in the Billings Ballroom Club where dancers have become more interested in the round dance program. They offer many varied programs throughout the dance season including social dance classes.

The Sperry's are Resident Round Dance Leaders at Towerpoint Resort in Mesa AZ. They teach and cue six sessions weekly for beginners through phase 5 from November through April. They also teach and cue at Sun City, AZ in the Fall and Winter months. They travel to dance, teach and cue at Western US Festivals and events during the summer.

The Sperry's retired from an automotive repair business. They have two grown sons and 2 grandchildren and 1 great granddaughter. Dancing has been a huge part of Larry and Susan's life for many years and has given them much pleasure through their travels around the country. They hope to continue to bring new dancers into the activity for years to come.
