

Ga Lions Camp Inc. December Report Dec.4,2018

By Camp Chairman PCC Olin Newby

As we enter the month of December and the end of the calendar year we still have some challenges for the camp. However, I think we are making progress in making the camp site a place where the blind population can enjoy themselves. Christmas Camp is happening this weekend December 7th,8th,and 9th . We have some volunteers as well as 27 campers scheduled for the weekend. At this late date, if you would like to visit please do so. We will have Ron Worley from Augusta working with the other staff as Program Director. Ron is blind and has agreed to help the camp move to a new level in service to the blind community.

People who wrote a letter of intend to be officers for the camp next year are Ed Ressler ,Chairman, PCC Paul May

Vice Chairman, PDG David White Treasurer, and Joanne Hull ,Secretary. These letters of intent had to be in by December 1 2018. PCC Olin Newby will serve as Chairman of the Camp Trustees.

The camp appreciates the donations and other support that people continue to give for the camp.

For instance, now the Warner Robins club is selling tickets for a miniature play house with the drawing being held the last part of December. Get your tickets now. Chairman Newby is sending out tickets now for help to make this a successful project to help the camp.

At this time of the year it might be a good time to remember someone that has died that served their community as well as honoring someone that has made some accomplishment in their life. One can do this by buying a brick with that individuals name that will be a lasting reverence for all to see in years to come. The cost of the brick is \$100.

The Chairman is in the process of getting an advisory committee together. If anyone knows of someone that might want to serve and contribute to the camp in an advisory way let me know.

Again, I want to Thank All that support the camp in so many ways. PCC Olin Newby ,Chairman
