## CAPABILITY STATEMENT

### ABOUT SAMM ENTERPRISES

SAMM Enterprises Inc. has built a solid reputation through performing commercial, industrial and residential electrical projects in the Northwest Florida area, concentrating primarily on Federal, State and local government projects for the last ten years.

Our management team has 65 years of combined experience managing over 21 million dollars in electrical construction services projects. Since 2002, our success has been built on strong communication skills, excellence in craftsmanship, and timely project completion.
