September 2017 President's Message

Well members September is upon us. The Year is quickly coming to an end. You have a few more months to get you pictures in for valuable club points. Instead of my usual message, I am taking this month to stress the importance of Sportsmanship and clarify some club issues.

First, we are a club, a gathering of friends who enjoy a sport and as such we stress sportsmanship above all else. Fairness and sportsmanship are our number one goal. Every member received a packet from our membership chairman containing the rules by which we judge or accept pictures for the whopper board. The rules state what should be on the back of each picture and gives the timeframe for submitting pictures. We have also from time to time given out stickers to put on the back of pictures. If there is a dispute, you can appeal a decision to the club's executive board. All rulings are final, but I believe all have received a fair and honest hearing.

Second, we constantly recruit new members. One of the benefits of membership is the discounts turners gives you at the store and they give us in discounts for prizes at the banquets. The monthly raffles help pay for better prizes at the banquet. Angler and Sportsperson paid for via raffle prize sales during the year and at the banquet. At the banquet, we have a members only section for trips and some prizes. It has come to my attention people have not renewed their membership but enter the raffles every month. That is not fair to members.

Membership has its benefits. You get first crack at club trips. Nonmembers have to wait at least one month to sign up for trips. I do not believe it fair nonmembers come to meetings month after month and enter the raffles. It is not fair to dues paying member. As such, I will propose

Meetings are held the second Wednesday of the month at Mimi's Restaurant in Monrovia. Mimi's has accommodated us with separate checks, an open menu, and they start taking orders as we arrive. (As early as 6PM sometimes.) We want to keep this in balance. Please continue to purchase dinner during our meetings. If you are unable to purchase dinner or prefer your wife's cooking, please consider dessert and a beverage at least. Remember that your check does not include the tip so you need to add on the tip. And please be generous in your tip. We are not the easiest group to work.

2017 Membership Drive

The 2017 Membership Drive is on!!!! Sam will have **pre-printed forms**. Just bring your check or cash and validate your personal information on the pre-printed forms. The data on the pre-printed forms comes from the club database. This is the best time to verify and update your information. (Please make every effort to use the pre-printed forms rather than fill out a blank form. I have had instances when people supplied "new" or "revised" information (or I couldn't read their writing), only to have to change the information back at a later date! Thanks for your consideration and cooperation.)

The dues for 2017 are the same as last year: \$45 for an individual and \$60 for a family membership.

Membership Card Reminder

All members are reminded that your club membership entitles you to a 10% discount on NON-SALE fishing tackle items at Turner's Outdoorsman stores. This discount is not available for guns or ammo. You are also reminded that after January 1 2017, your 2016 membership card is void. In order to receive the discount, a current 2017 membership card will be required. All store managers are aware of this and there are **NO EXCEPTIONS**.

September Tak Trip

As I write this there are still 3 openings on the Island Tak trip on Sept 28. 2017. That's fishing on a Thursday, before the weekend rush.

Last year we had to cancel the October Tak trip for lack of signups. This year we aren't filling the September trip.

For all of you Tak Lovers out there, why aren't you on this trip? The Board needs your feedback as they are planning next year's trips already.

Or hurry up and sign up. Call Ernie at 626-357-0064.

DINNER MEETINGS

We are still able to meet at Mimi's Restaurant in Monrovia. It becomes more and more difficult to find meeting space as time goes on. We have strived to make this relationship work.

In order to maintain a good working relationship with Mimi's each member needs to continue to purchase food at our Dinner meetings. Yes, these are dinner meetings. Mimi's has accommodated us with separate checks, an open menu, and they start taking orders as we arrive. (As early as 6PM sometimes.) We want to keep this in balance.

If you are unable to purchase dinner please consider dessert and a beverage at least if you eat dinner at home. Also, please remember that your check no longer includes the tip so you need to add on the tip. And please be generous in your tip. We are not the easiest group to work.

Upcoming info for September

Soon Mr Davis will be mailing out the 2018 Membership renewal forms and December Banquet information.

Along with each packet you will get a sticker for use in the Whopper Board competition. This is so that everyone knows what to put on the photos they turn in. More stickers are available from Warren Harper & William Davis at the meetings.

Please give membership renewal form to Sam Zanrosso. Please pay Sam separately for the renewal.

Renewal is required annually. Honorary members are required to fill out the form every year.

Denise Davis will be taking Banquet reservations. Separate payment is required. No partial payments.

She will not accept Membership renewal forms or membership payments unless Sam is absent.

CLUB ROSTER

Club Rosters is available from Membership Chairman Sam Zanrosso if you need one. Just ask Sam Zanrosso for an updated 2017 Roster.

Members Report

August Sea Jay Trip by Terri Cobal

It was a perfect day to be out on the Pacific Ocean! The water was calm and the morning weather was a bit chilly – just a few clouds hanging overhead with the sun doing its best to come out and say hello. Most of the action was within the first hour or so when we started landing some good sized Yellowtail (YT)! Capt. Donnie did move around throughout the day, and while we were picking at a few here and there, we never could quite recreate the morning find. At the end of the day, I believe we had actually circled around to our original spot – here we landed a few more decent sized YT, and I reeled in the one and only Calico Bass. Since Alex Perez (26 lb.) and Warren Harper (24 lb.) were not in the jackpot (DHOH!) Glen Bummer hit the jackpot with his YT, and of course I had the largest Calico. The overall count for the day was 16 Yellowtail and 1 Calico Bass (way to go everyone!). Thank you to Capt. Donnie and his wonderful shipmate for making the day so awesome! On a personal note, I want to thank my fellow Turners R&R anglers for sharing some laughs, as well as their valuable expertise.

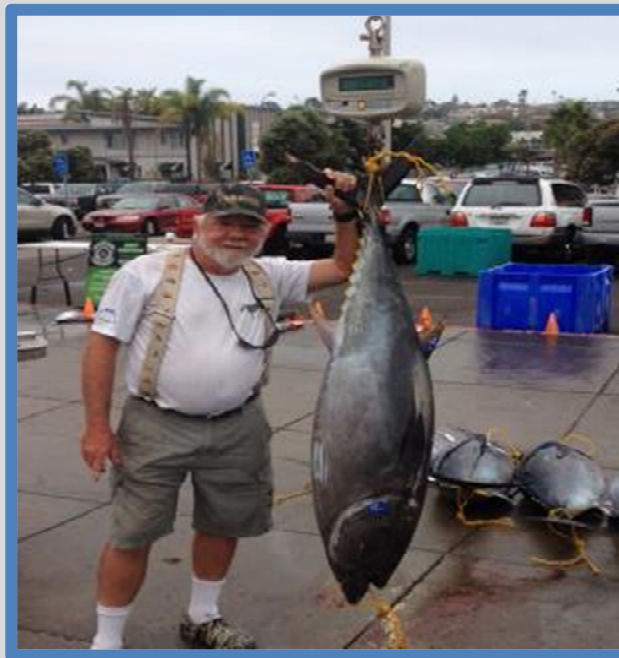

Member Luke Fitzpatrick received a Jackpot hat from President William Davis at the July meeting for his catch on the May Helena trip. Mr Davis was filling in for Charter Master Ernie Branch who had gone fishing.

Sam Zanrosso received a jackpot hat from President William Davis at the July meeting for his catch of a Sheepshead on the July Sea Jay trip

July Sea Jay Trip
By
Jose Dominguez

I won the Jackpot with a nice 4.01lbs Calico Bass on the Sea Jay in the July trip. Fishing was tough most of the day. A few fish were caught early in the morning, this is when I caught my Calico on a sardine. There was not much action the rest of the day till the last hour. When we started to catch Barracudas.

My son and I also went fishing with Dan Hernandez on his private charter (Mi Sueno). We went out to the Horseshoe, it was jam packed. We counted about 85 other boats. Not much was being caught so we started to slow troll. My son Jose hooked up to a Barracuda, the first fish of the day. Soon after he hooked up to a Yellowtail. We had a good time I ended up with 4 Yellowtail and 1 Sandbass.

Best regards,
Jose L. Dominguez

**Pacific Dawn
2 Day Trip
By
Sam Zanrosso and Luke Fitzpatrick**

I want to thank Luke for most of the pictures. The story is from both of us.

Luke arrived at my house around 2:30pm on Thursday September 24th. On the way down to Fisherman's Landing, we stopped by Meltons International Tackle shop to pick up some flying fish and artificial squids to use on the kite.

We arrived at Fisherman's Landing around 6:30 or 7:00pm. You know the routine. Wait in line for the 3/4 days and overnight boats to come in so we can get a parking spot. I was fortunate to get a spot right away.

We met up with 8 to 10 folks that was on the trip and loaded up a cart with all the gear.

We were able to board the boat around 8:30pm.

Pat gave us the instructions on what to plan for and went through all the safety procedures and we were on our way.

The trip was absolutely phenomenal bluefin fishing on the Pacific Dawn! Two days of limits for 17 people that at times was wide open. Fish ranged from 20lbs - 140lbs and you never knew exactly what you were going to hook.....

Day one:

Luke caught five bluefin up to 40lbs, one broken off and spooled twice (once on 25# and once on 40#).

I did not get one bite all day long while the rest of the guys were pulling the fish in. on my last cast at 5:00pm I finally hooked a big Yellow Fin. It took my about ½ hr to bring it in. It was a 65 to 70lb Yellow Fin.

Day two:

Luke caught Seven bluefin up to 50lbs one pulled hook and spooled once on 25#.

I did better on day two. I caught 3 Blue Fin in the 37lb range and lost two.

As always a huge thank you goes out to [Pat Cavanaugh](#) and his crew on the Pacific Dawn for their hard work and consistently great service. This is why we keep coming back! Thank you guys!
