

Child Care Council, Inc. connects Wayne County families to quality child care.

Child Care Council has provided services in Wayne County since 1989. Our services include:

- Personalized child care referrals for families seeking care for children 6 weeks to 13 years old
- Employer options to support employee child care needs
- Technical assistance for individuals interested in opening family child care homes or centers
- Professional development and training for child care providers and center staff
- First aid and CPR training
- Fingerprinting services
- Creative arts and crafts materials from the Repurpose and More Store
