

Ashtead All Stars 2020-2021 Update No.18

Sunday 13th June 2021

Dear all,

A lot of you will remember going over to the Wavell School to play Cardinals right at the beginning of the season, and if you do, you will also remember the very heavy losses that many of our teams suffered!! It appears we have overcompensated with the teams that each of our clubs put out this time, and so it was AAS who got the easy wins. Next time we play Cardinals it will be in the new season when we hope the League will be able to run, and teams will all be in their rightful divisions. Matches should be much closer and more evenly contested.

That said, all our girls looked very strong, and we enjoyed some masterclasses of powerful flowing netball. The girls worked hard to the end of each match, despite the scorelines, showing maturity and a respect for their opposition.

Thank you to Lily R and Jacqueline T for playing up to help out the U14s.

Junior Friendlies v Cardinals

AAS team	Opposition	Result	Score	Star Players
AAS U10 mix	Cardinals U10	Won	21 - 2	Niamh and Henrietta
