“TAKE A MOMENT WITH GOD”

‘I had coffee with God Tuesday’

Acts 2:17-21 “It shall come to pass.” God.

Acts 2:1 All together with one accord.., having a “moment to moment with God!”

Acts 2:12-13 They were all amazed and perplexed.

Acts 10:9-17 Peter was amazed and *perplexed*.

Perplexed: to disturb mentally, confuse, bewilder: to make intricate or involves: complicate. To fill with uncertainty: puzzled, difficulty. Webster Dictionary.

When we take time to have a moment to moment with God... it shall come to pass.

Instead of operating by faith, we often switch back to our default setting of logic.

Are you willing to be perplexed? Are you open to holy surprises?

Take time with God... and be amazed.

I had coffee with God last Tuesday at Bristol Mt.

Can you say “Lord, do something unpredictable and uncontrollable.”

Remember.. No matter what you want, what you believe, what you have experienced..,

God is always present... and always creative.

Not only take time with God.. share the moment with someone else in your family.

Try switching from praying to taking a moment with God.

Are you willing to let God *amaze* you this coming year?

Are you willing to let God *perplex* you this coming year?

How often will you take time with God.., today, tomorrow, this year?

Practice taking time with God.. in the here and now!
