### CORE COMPETENCIES

RCS Civil, Inc. was established in 2015 by Pedro J. Baldaguez who has over 23 years of hands on experience in civil engineering, wastewater collection, water distribution, storm drainage, mass grading and road construction business. The concept behind the company is to maintain a closely held company with exceptional personnel that can offer extraordinary customer service to a select number of clients. In its short existence, **RCS Civil** has already begun to achieve this. The result are crews that can put a quality product in the ground on time and within the client's budget.

### CERTIFICATIONS

Florida Department of Transportation:

- Disadvantaged Business Enterprise (**DBE**)
- Small Business Enterprise (**SBE**)

*"Whether it is a private multi-family or single family residential subdivision, a large diameter municipal or FDOT highway project, **RCS Civil** has the experience and competence to get the job done."*
