## OUR promise

In educational travel, every moment matters. Pushing the experience from “good enough” to exceptional is what we do every day. Our mission is to empower educators to introduce their students to the world beyond the classroom and inspire the next generation of global citizens. *Travel changes lives.*

## cultural connections

**HIGHLIGHTS** waiting to happen

### Munich by Bike

From history-filled old streets to the paths of the Englischer Garten, explore Munich's hidden gems by bicycle.

“Our tour guide was phenomenal; he went above and beyond my expectations. His knowledge of the area and the history behind it was most impressive.”

**Matthew L. Participant**

# trip itinerary - 10 days

## Jun 18, 2019: Overnight Flight

Depart from the USA.

## Jun 19, 2019: London

Welcome to London! Meet your ACIS Tour Manager, relax, unpack and begin to explore the city's unique neighborhoods. Perhaps check out the street markets along Portobello Road in Notting Hill; explore the paths of Hyde Park or the mansions of nearby Belgravia; visit the Imperial War Museum; or stroll along the artsy South Bank. (D)

## Jun 20, 2019: London

This morning, learn about London's majestic past and fast-paced present on your guided sightseeing tour. See Trafalgar Square, the Houses of Parliament and Whitehall, the Prime Minister's neighborhood. Along the way, our guide will point out more modern sites like the Gherkin, the Shard, and the Cheese Grater—all new buildings changing the London skyline. Another highlight of the day is a tour inside St. Paul's Cathedral. Sir Christopher Wren's architectural masterpiece is an enduring symbol of London, in large part due to its surviving the Blitz in 1940. If you have time, your ticket includes access to climb to the top of the dome. In the afternoon, visit the Cabinet War Rooms, the underground complex which served as a command center for Britain's military operations during WWII, with all the important information and inside stories provided via audio guide on personal headsets. Kept exactly as they were upon Japan's surrender in 1945, the war rooms provide a unique time capsule into the history of that turbulent period. In the evening, take time to reflect at the illuminated war memorials along Whitehall and the Thames Embankment. (B,D)

## Jun 21, 2019: Caen

We journey first to the seaside town of Portsmouth to learn the English perspective at the D-Day Museum there. Later, we board the ferry to France, portage included. After dinner aboard the ferry, we'll drive to Caen for a night's rest. (B,D)

## Jun 22, 2019: Paris

Today walk in the footsteps of history as you visit many of Normandy's important World War II sites. See what remains of the temporary Mulberry harbor constructed at Arromanches to help offload cargo during the invasion. Entrance to the Arromanches 360 Cinema is included. Next you can pay tribute to the heroic fallen at the American Cemetery and Memorial at Colleville-sur-Mer before descending from the bluff to walk along Omaha Beach, where American troops suffered some of the heaviest D-Day losses. You might even be able to picture the chaos of June 6, 1944 at the bomb-scarred landscape of Pointe du Hoc. Later, journey onward to Paris. (B,D)

## Jun 23, 2019: Paris

In Paris, you are never far from history and this afternoon, a local expert introduces you the city's most famous monuments—from the Gothic wonder of Notre Dame to Napoleon's final resting place

at Les Invalides and the magnificent Arc de Triomphe at the top of the Champs-Élysées. Then ascend to the third floor of the iconic Eiffel Tower for views over this magnificent city. In the evening, you'll have an opportunity to explore more of Paris's charming arrondissements at your own pace. We provide a meal voucher and insider suggestions so you can dine with the locals at a neighborhood bistro. (B,D)

## Jun 24, 2019: Munich

We'll wing our way from Paris to Bavaria's capital city of Munich. Upon arrival, get oriented with a Munich by bike tour that provides a unique perspective on local life in this bustling city. Pedal down historic old streets, peek into delightful courtyards, ride along the city's river and explore the popular 910-acre Englischer Garten, one of the world's largest urban public parks. (B,D)

## Jun 25, 2019: Munich

Enjoy a full-day excursion to Nuremberg. En route, visit the Dachau Concentration Camp Memorial, the first of the Nazi regime's concentration camps and a poignant reminder of man's potential for inhumanity. Then in Nuremberg view the Zeppelintribüne at the Nazi Party Rally Grounds, followed by a look at the Palace of Justice, where the infamous Nuremberg war trials were held from 1945 to 1949. Then enjoy the historical insight given by audio guides on your visit of the Nuremberg Documentation Center, a museum that provides socio-political context for the Nazi reign of terror. Return to Munich in time for dinner. (B,D)

## Jun 26, 2019: Munich

A short drive south takes us to the former U.S. military resort of Berchtesgaden, and, ironically, to Adolph Hitler's nearby mountain retreat of Kehlsteinhaus or Eagle's Nest. (Please note that Berchtesgaden is only available in the summer and will be replaced with a tour of the Hallein Salt Mine when not available) The drive down into Salzburg along the Berchtesgadener Ache is particularly spectacular and you'll have the rest of the afternoon to explore this musical city's palaces, shop on the Getreidegasse or hang out along the grassy banks of the Salzach. Then head back to Munich to enjoy your final evening of this thought

provoking week abroad. (B,D)

**Jun 27, 2019: Departure**

Depart for the USA. (B)

*This is a preliminary itinerary for your group.*

## learning objectives

1. Students will consider the impact of the rise of the Third Reich and its policies.
2. Students will gain an understanding of WWII history and Winston Churchill's important leadership through the war years during a visit to the Cabinet War Rooms.
3. Students will better understand the horrors of the Holocaust by visiting Dachau Concentration Camp and learning about the rise of the Nazi party.

# Travel Changes Lives

To learn more, we invite you to read our free ebook, "The Making of a Five-Star Future."  
<http://pages.acis.com/ebook>

Can travel make a difference in students' futures? It certainly can and does every single day. In fact, we surveyed 930 former ACIS travelers to see how their tours abroad as young adults influenced their choices in education and paved a way for future careers. Many of them credit travel as a defining moment in their adolescence, and below is a recap of our findings.

## education

**81%**

of those that traveled in middle school or high school continued their studies at the college level compared to the national average of 68%

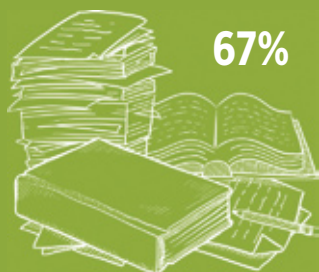

of travelers who went on to college said their travel experience influenced their field of study.

**57%**

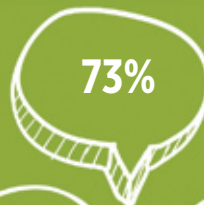

of respondents were motivated to study abroad during college.

## language skills

**67%**

of students continued to study foreign language in college.

**73%**

of ACIS travelers say they speak one foreign language fairly well compared with 18% of the American population.

## personal development

**94%** felt more independent after their trip.

**78%** saw an increase in their problem solving skills.

**92%** noted improvement in their interpersonal skills.

**65%**

have traveled overseas again since their ACIS trip.
