

# BASEBALL MIRACLES UPDATE

## New Way To Give!

We are excited to announce that Baseball Miracles is now accepting PayPal donations through our website. This is an incredible step forward for us as we look to continue to grow our reach around the world. We hope that you will share this exciting upgrade with your friends and family and help us raise the funds we need to continue positively impacting youth who need it most.

## OneGlove Continues

Our OneGlove initiative is still in full swing. Our aim is to collect one glove from every little league team across the USA. If your local little league is looking to participate, please visit the OneGlove page on our website by clicking [here](#). All donations are tax deductible to the fullest extent. We aim to give each child we meet a glove of their very own so it's donations like this that truly make a world of difference.

## What's To Come In 2017

As the baseball season gets into full swing, we are actively planning our next missions trips. We are looking at several locations including New Orleans, Montana and Argentina. We are hopeful that with the generosity of our community and the commitment of our staff, we will be able to make these trips happen. As always, we continue to follow up with the communities we have previously visited and provide them with whatever support we can.
