## Upcoming Movie Releases

A father and daughter live a perfect but mysterious existence in Forest Park, a beautiful nature reserve near Portland, Ore., rarely making contact with the world. But when a small mistake tips them off to authorities, they are sent on an increasingly erratic journey in search of a place to call their own.

Thirteen-year-old Kayla endures the tidal wave of contemporary suburban adolescence as she makes her way through the last week of middle school -- the end of her thus far disastrous eighth-grade year.

Based on Tim Winton's award-winning and international bestselling novel set in mid-70s coastal Australia. Two teenage boys, hungry for discovery, form an unlikely friendship with a mysterious older adventurer who pushes them to take risks that will have a lasting and profound impact on their lives.

...and more!

**Desperate Measures**  
by Stuart Woods

Stone Barrington faces down danger on New York's mean streets in the latest thriller from perennial fan favorite Stuart Woods. Upon returning to the states from a European jaunt, Stone Barrington makes the acquaintance of a stunning woman who seems like she could be an ideal candidate to meet some of his professional--and personal--needs. Before long, though, Stone is put to the task of protecting his new hire when New York City is rocked by a series of disturbing crimes, and it looks as if she might be the next target. In the city that never sleeps there's always a plot being hatched, and the only recourse is constant vigilance and a bit of luck. But if those defensive systems fail, Stone will have to go head-to-head against some of the most dastardly scum he's ever faced . .

## Upcoming Adult Non-Fiction

### Thirst

by Scott Harrison

An inspiring personal story of redemption, second chances, and the transformative power within us all, from the founder and CEO of the nonprofit charity: water. At 28 years old, Scott Harrison had it all. A top nightclub promoter in New York City, his life was an endless cycle of drugs, booze, models—repeat. But 10 years in, desperately unhappy and morally bankrupt, he asked himself, "What would the exact opposite of my life look like?" Walking away from everything, Harrison spent the next 16 months on a hospital ship in West Africa and discovered his true calling. In 2006, with no money and less than no experience, Harrison founded charity: water. Today, his organization has raised over \$300 million to bring clean drinking water to more than 8.2 million people around the globe. In *Thirst*, Harrison recounts the twists and turns that built charity: water into one of the most trusted and admired nonprofits in the world. Renowned for its 100% donation model, bold storytelling, imaginative branding, and radical commitment to transparency, charity: water has disrupted how social entrepreneurs work while inspiring millions of people to join its mission of bringing clean water to everyone on the planet within our lifetime. In the tradition of such best-selling books as *Shoe Dog* and *Mountains Beyond Mountains*, *Thirst* is a riveting account of how to build a better charity, a better business, a better life—and a gritty tale that proves it's never too late to make a change. *100% of the author's net proceeds from Thirst will go to fund charity: water projects around the world.*

## Upcoming Junior Adult Fiction

The House in Poplar Woods  
by K.E. Ormsbee

For as long as the Vickery twins can remember, they've only ever been able to leave the house together once a year, on Halloween. The rest of the year, Lee and his mother serve Memory, while Felix and his father assist Death. This is the Agreement. But one Halloween, Gretchen Whipple smashes her way into their lives. Her bargain is simple: If the twins help her solve the murder of local girl Essie Hasting, she'll help them break the Agreement. The more the three investigate, however, the more they realize that something's gone terribly wrong in their town. Death is on the loose, and if history repeats itself, Essie's might not be the last murder in Poplar Wood. Simultaneously heartwarming and delightfully spooky, *The House in Poplar Wood* is the story about a boy's desire to be free, a girl's desire to make a difference, and a family's desire to be together again.
