Dear Families,

I can't believe it is already February. Time flies when you are having fun. They are enjoying when we are learning at circle time. They love the flannel board and singing Jesus loves me. During the month of February we will be talking about some fun things; Groundhog Day, Valentine's Day, Community helpers, and dental health.

If you would like to bring in Valentines we have 8 total friends in the class. The easiest way to address them is the following: To:My Friend / From: your child's name. That way when we hand them out they will get into the right bags.

Important dates to remember:

Chapel time with Ms. Michelle February 3rd, 11th and 27th.

Community Helper week will be February 17th-21st.

For our juice we will be good for the month of February. Some suggestions for snack: Graham Crackers, Vanilla Wafers with Vanilla pudding, Apples with peanut butter, Veggie straws or pirate booty, fruit in a cup or fruit pouches. Please bring in the snack at the beginning of the month double up so we don't have to bring it in twice in a month. I feel like this has been working out for all of us.

God's blessings to you all,

Carrie P.
