

# Welcome (BACK) to Diamond Gymnastics Academy

## RE-OPENING GUIDELINES

First and foremost thank you for choosing Diamond Gymnastics Academy. Safety being our primary concern, we have implemented enhanced policies and procedures to protect our students and staff during Covid-19.

- Everyone entering our facility must wear a mask and undergo a health screening prior to entry.
- The health screening will include the following:
  - Temperature Check – with the use of a non-contact thermometer, student/staff temperatures will be taken and recorded. Any person with a temperature of 100.4 or higher will not be permitted into the facility and must be released to their parent/guardian.
  - Questionnaire – parents will be asked to answer on behalf of their child. If the answer to ANY of the below questions is YES, the student/staff will not be admitted into the facility and must be released to their parent/guardian.
    - Has fever reducing medication been administered within the last 24 hours?
    - Are there any symptoms related to COVID-19 – fever, cough, shortness of breath?
    - Are any members of the household showing symptoms of COVID-19 – fever, cough, shortness of breath?
    - Have you come in close contact with anyone diagnosed with COVID-19 in the past 14 days?
- At this time, only students will be allowed in the center. Parents are asked to drop-off and pick-up from designated locations.
  - Drop-Off will take place at the first red door in our parking lot with the awning that says “CHEER TUMBLE.”
  - Pick-Up will take place at the second red door in our parking lot with the awning that says “GYMNASTICS.” ***Children will not be dismissed unless we see a parent/guardian present.***
- Visitors shall not be permitted to enter the center during operating hours, with the exception of emergency or law enforcement personnel in their official capacity. ***The waiting room will be closed.***
- Parents will have the ability to view their child’s class through our ***NEW SpotTV Program.***
- Staff will be required to wear cloth face coverings at all times, unless doing so would inhibit the individual’s health.

- Students will only have to wear masks entering and leaving the building, during transitions when distancing is not possible and when entering common areas (bathrooms, waiting room, etc.). While involved in physical activity, students are not required to wear a mask.
- Our center will minimize group sizes. Groupings shall not exceed 8 children, and interactions between groups is not allowed.
- Staff shall be assigned to and remain with one group.
- Staff will ensure that the spacing of groups within the facility allows for 10 feet of separation between groups at all times. ***Social distancing will be strictly enforced and markers will be visible throughout the gym to promote this.***
- Close person to person contact (hugging, wrestling, games involving touching or tagging, etc.) shall be excluded and discouraged.
- All students shall bring in their own water bottles to be kept in their cubbies. We will make sure that cubbies will be distanced from one another and disinfected between each use.

#### **ENHANCED CLEANING AND SANITATION PROCEDURES:**

- Our staff will be disinfecting all equipment, with the use of an EPA approved disinfectant, they use before they move on to their next station.
- The center shall increase the frequency of cleaning equipment, surfaces (especially doorknobs light switches, countertops and restrooms).
- Gymnastics center and bathrooms will be cleaned and disinfected under the recommended guidelines of the CDC and DOH.
- Hand sanitizer stations will be available and students and staff will be encouraged to use them as needed.
- No shoes will be allowed in the gym area. Staff will not wear their outside shoes in gym area.
- Gym is equipped with 4 rooftop HVAC units that circulate fresh air into the facility. These units are on a regular preventative maintenance plan serviced by Edison Heating & Cooling.

***We appreciate everyone's patience as we work together to make sure we keep all members of our community healthy and safe!***

***FINALLY! LET'S HAVE SOME FUN!***
