SUMMER SEASON 2025

Join us for the summer of 2025 and have some fun in the sun and water at Sunset Beach. We are located at the entrance to Harveys Lake from Rt 415, Pole 001. The Harvey's Lake Beach Association is a non-profit organization that owns a private beach, which it has operated since 1966.

This area is one of the few areas around the lake that provides you with an access to the lake for swimming or sunning. Certified lifeguards are on duty during normal operating hours and the beach area is enclosed with a fence to ensure the safety of young children. The roped swimming area is 80 x 175 feet with the deepest area being a little over 5 feet. The beach is mostly grass covered with an area 50 x 175 feet for sunning and play.

The Harveys Lake Beach Association is a community of friends and neighbors who enjoy the lake and look out for each other on the beach. We provide a delightful pavilion area throughout the summer. Continuing projects like the completed beach restoration, 24-foot pavilion and completed bathroom / first aid office enhanced the area for the comfort of our members.

Our yearly Open House with "Arts Festival on the Beach" which features a wide variety of vendors, will be held on Sunday, June 22nd, 2025 from 11:00 AM until 4:00 PM. Come join us and enjoy our most recent update----Our new WHITE SAND area.

Our membership dues are \$210.00 per year for a family of six and additional badges can be purchased. Please join us during our open membership campaign from May 1st until August 1st, 2025 by completing and returning the bottom portion to us.
