Boil about one handful of Cerassee for about fifteen minutes on medium fire, an the pot with the Cerasee must be bubbling up from start to finish. You is to take many Cerasee hot bath an soak an relax an sap sap the whola ov you for about one hour. Add some cold water to the hot bath so the water do not burn your skin.

Pour about one cup of the juice in a bottle an full up the bottle with warm water or holy water if you can get it. Then after you wash with soap an shampoo an shower off or have your sprayer bath while you is into the shower, pour the bottle with the boiled Cerasee juice from your head to your toes an foot bottom an into your pussy an cocky an batty hole after you is done with your sprayer. You is also to drink the green juice Cerassee or boil Cerassee with no sugar an no milk an no salt an no sweetener at least four times a day an drink two or more mouth full each time. Also use the shoe black red flowers or the small Eyebiscus red flowers after you boil it an it did bubble up for about six minutes an the red colour is transfer to the water. You can pour a bit of the juice into your two ears an into your nose. You is to stop your breath an pour into one nose then let it run out the other nose. Then pour into the other nose an let it run out the other nose. Then say Me is into Me clean out an you say this four times every time you bath or shower. Also say where Me live is clean out and you say it four times. You can also say Me children is clean out an Me family is clean out an everything for Me is clean out. You is always to say good and right words to you an about your family an generations so it happen. You can also use the boil bissy leave, or the boil bissy nut, or cola nut or leaves or pine needle or boil the brown pine cone or boil ucalyptus leave or juice the ucalyptus leave an use in the same way. Before you come out ov the shower, an the bath, use a rag to rub off the whola ov your body, then scrub your foot bottom with the Pumice rough stone or use a different type ov rough stone to scrub your foot bottom. After you bath or shower, rub the whola ov your body including your foot bottom with the lotion an rub the hair oil on your scalp, as your scalp mus neva be dry. Never use soap, bubbles, or shampoo into the hot or warm bath tub with the escent (Earth Scent) juice. The soak in the juice will remove the dirt or dust from your body. You can also take the hot or warm bath when you know your skin is not dirty.

Pumice Stone

You can also fry these plant leaves in the oil you use to cook like the coconut oil, corn oil, olive oil, sunflower oil, or canola oil. You is to fry the leaves like how fish is fry by turning the leaves over an over in the hot pot with the oil an wait for the leaves to get brown then strain in a metal bowl. When cool, an pour the oil into a bottle an drink one mouth full of the oil every day an also use this essence oil to rub on the whola ov your skin after you put on the skin lotion. Do this every day for about three to six month. If your relationship do not get better, you is to separate from each other. You can also use the ganja leaves or ganja plant to boil an soak an drink an rub all over your body. Always use the leaves to bathe an soak even after you separate from each other. Going to school an develop your mind how you is to talk an how you is to understand can also help your relationship to get better.

Ganja plant

Use the juice from the plants above to wipe the table, counter, floor, an also wipe the rug and carpet with a wet mop, as this will protect an keep where you live clean ov them. You can also add some of the juice to a small bowl of water an pour in your washing water an your rinsing water for your clothe.

You is also to know that there are many devel woman an man that marry an is into long or short relationship with those who is natural an real an flesh an not devels. Therefore, you can pour the salt an pepper together or mix the salt an pepper with a little blue powder then sprinkle on them an see if they cant move or if them is acting not normal. If them is acting not normal or if them is stuck to one spot them is devels an you mus tell them it is best if you take a break from each other for a while an you never go back into any relations with them. You is also to slowly get out of the relationships with others they are friends with as most of their friends will also be devels and not normal, as they are wearing others they say is dead an you do not know they can do those things that is so extremely wrong and wicked.

Prince Charles of the British, of Great Britain, of Britain, of England, of united kingdom mus neva eva carry the sword he has into his waist and the sword go from one side to the other into the slit he has put into Me children skin he is wearing.

Me Children an any One mus get their judgement money from the State where this happen an also the State where they live no more than two weeks after any happen or happening ov violate or violating.

Because devels exist it is a normal thing to slap an box an thump an spray an throw things on the devels that mus neva be in Me areas and in what is fe Me. None of the throwing an fis thump an slap an box an spraying, an sprinkling, an using the teargas an the pepper spray is fighting. When two or more talking and arguing loud or not that is not fighting. Everyone is to argue. Argue is a normal format in higher education an in the PHD dissertation, as you mus talk about your feelings and what you know. You have to open your hearing to listen an understand the other you is talking to. The devels usually get into your talking, into your mouth, and into your brain an talk out ov your mouth with their brain and connect your brain to theirs for you think the talking an the thinking is from you. The devels do many wrongs to you and the others talking, and they bring many others to interrupt you and to cause many Wrongs.

These wicked devels make both those that is right an those that is Wrong. Those they make Wrong they use to destroy those they make right. These devels Faden/patent or make weapons and sharp object to destroy one another an they use explosives on each other. They are the Ked, Keds, Kid, Kids. They also Faden/make the Wiki an the Wikis and those were made right, and they use the others to destroy them and to use them to do many Wronga Banga they is not to do. They faden/make the Wikids two way with right an wrong in them. They also Faden/make the Wiked, Wicked, Wikedes, Wikid, Wikids and many others. The word **wicked** is them. Them is from the Colon and them is the Colonial that put Me Children into this Earth into slavery an destroy. Them is also the Colone, the Dupe, Wale, Whale, Tunde, Pole, an the Police. The big whales in the Florida SeaWorld water parks is them SAME DEVELS. According to Fiona Conner of the US Sun, a Seaworld employee and trainer name “Dawn was dragged into the water by the orca - who had already killed two other people in separate incidents - in the attack in February 2010. Her death stunned the world as she was seen as the 'poster girl' of SeaWorld. Some experts have since speculated that the highly intelligent animal may have been driven mad in the confines of captivity - and the tragedy put a new focus on animal welfare at the park”. (<https://www.the-sun.com/news/4327618/heartbreaking-story-seaworld-trainer-dawn-brancheau>) 12/23/2021 update 12/25/2021

In another report by Patrick Knox of the US Sun, he said “Kasatka, a 30-year-old orca, was said to have been agitated by hearing her calf call out when she yanked Ken Peters and pulled him underwater at the attraction in San Diego, California. Cameras at the park show Peters giving Kasatka a kiss from the side of the pool. If everything had gone to plan he was to have then dove down before being triumphantly lifted out of the water on the whale’s nose. But when his head broke the surface, it was clear something had gone terribly wrong. As he tried to stand, as the crowd clapped, he started to flail wildly because Kasatka had bitten his foot. As shocked audience members looked on, the killer whale suddenly dove deep into the pool, pulling Peters with it, leaving him fighting for his life and air. The trainer was held underwater twice by the 5,000lb beast as it grabbed his foot and dove down for less than a minute each time. Kasatka

eventually let him go but he suffered a broken foot and punctured wounds”. 11/15/2021
