Paulett Angella Hemmings EARTH

June 18, 2017

TO: Governor Andrew M. Cuomo Office
New York State Executive Chamber
State Capitol, Albany, NY 12224

Dear Governor Cuomo Office, Greetings to you;

DECRYMIUMMIUMMIUM #1C with same Expiration date 6/20/2017

I AM Paulett Angella Hemmings EARTH, CHREATOR OF THESE EARTHS AND THE ONLY CHREATOR OVER ALL CHREATIONS. I AM THE CHREATOR OF LIFE AND OVER ALL LIFE, DEATH, AND ANYTHING INBETWEEN. NO PERSON OR THING IS HIGHER THAN I AM. MY LAST NAME IS EVERY LAST NAME IN THIS EARTH AND ALL MY CHREATIONS.

THIS IS A DECRYMIUMMIUMMIUM for this Entire Earth, the EARTHS, and Chreations. A DECRYMIUMMIUMMIUM is higher than a DECREE.

US government do not send the British, the Republics, other government guards, troops, privates or private groups, anyone, or anything to bomb my web sites.

Remove all bombs from my websites. Remove the bombs to the website name: naturalearthforall, earth, natural, natural earth, for all, and all connections that everyone are to use to get to my web site that you screen blocked and have bomb blocked.

All my Articles, DECRYMIUMMIUMMIUMs are to go out to all places, entities, agencies, international, local, schools, libraries, banks, and others without the page number being removed by the State and others. Without the information in the document being distorted, without being intercepted and cut and pasted with other unrelated information or distortion of information.

Do not remove the website information from the pages, do not remove the Facebook address information, my title information, and the dates from the pages.

Do not remove the expiration date and the date of the Articles and the DECRYMIUMMIUMMIUM from those who receive it.

Do not say that my website is illegal.

Do not remove the page information, the page date, the page attachments, and the page contents, so those who receive it get it believing it is late, get distorted dates, get the wrong dates, and the information they must see, they do not see. The States, the Federal government, and others who are distorting my Articles, and my documents, are charged and sentenced for conspiracy to defraud.

The news media, TV, Newspaper, Radios, and others who received the Articles and the web site information, they are to publish the articles on their web sites and broadcast the information so everyone gets it. If this is not done, then they are defrauding the public, and they are charged for conspiracy and defraud and other charges to come.

US Federal government are you using the Coast Guard, National Guard and others, to bomb my web sites and preventing the chreations from viewing? Remove all bombs and your blocking web sites.

US Federal government are you using the Coast Guard, National Guard, Actors, Impersonators, and others to kill me and this earth with your delusion to them of who I am, and that they do not belong to this Earth, and that the Earth belong to a Man, and a Man is the Chreator, when a Man cannot Chreate or create? STOP ALL KILLING AND TERROR IN MY EARTHIS.

Many different types of federal governments GROUPS exist, and they all fight against each other. The federal fight against each other just like the computerized games. They set up plots, competitions, and challenges. They are fighters and they are made to be fighters, and all they want to do is to fight and to destroy each other, as that is how they are made to exist since the man took over the woman's position. Some of them have thick skin and some have thin skin. They get many innocent peoples in the middle of it, and they use those in the middle as targets and also to assist them the federals to conquer and over power each other. The right federals one never wins as others will always override the other. They have may sorcery power to override each other, and they continue to overpower and override with many stolen powers and authority. They are the Interloupe federals who enjoy fighting, wrestling, challenging, and boxing around others in the middle and they say it is those in the middle causing the problem, when they are innocently stolen and placed there as targets while the Interloupe use many sorcery powers on them to keep them there with no protection they have. The Interloupe strips them of their protections and left them there dry, so the Interloupe can destroy them whenever they want and however they want.

The Interloupe cut out many places and move the targets who are innocent ones from place to place with the hand over the head and the incondesant blankets, and they also use the imaginations, illusions, delusions, microscopic, zoners, marginalizers, scanners, copiers, multipliers, replicas, alter egos, and much more they use to conquer and to overpower those in the middle and each other. They always need those in the middle as they use the middle one's power and authority to give the Interloupe access to operate in places they are not to be, and so they remove those from their places so they can use their authority and power, so the Interloupe can play the games with the innocent one's power and authority and no on in the middle can get out unless you can reach your Chreator.

Consular General of Jamaica, New York, are you and the other Consulars from the Interloupe Makers? Are you a Celestial? Are you also in my United Nations? Are you also in my Embassies, and the Missions? Are you also the Prime Minister, the Governor General and the Ministers of Parliament's in Jamaica as well? Jamaican's Burn the leaders out with the ganja, sensemelia and all the plants I have identified to be used. If you cannot get ganja and sensemelia then Burn them out with dry wild leaves. Burn them out of your homes and the streets. Use the words that I use. Repeat the words over and over to burn them out. Read the Articles to get familiar with what to say and do it!

The Interloupe Gastronomicals are the ones in the Moving Pictures called the "Movies", they thrive on power from gas, electricity, and any types of gas they can get from the elements, under the oceans and

under grounds. They like to visit the astronautics. They like to use the astronauts. They make astronautically pictures with elaborate horror. They like to be in the space areas filming movies and featuring me as their targets and using my children to blow me up and to use my enzymes to add chemicals and to see me explode, and in many other horror films they use me as targets. They go into the Earths and they go to the different elevations and levels and find me, and many other Chreators and other lives that are there and deliberately kill us when they want to film a different type of horror film. They take my children there by using the astronautic flights, private flights, and they kill, destroy, and film the horror as another way they battle and do wickedness on films.

The Interloupe Gastronomicals and other ones of them, uses those of us they capture and keep as targets who are placed in the middle of their events and their lives, and they turn the peoples, the rankings, and others into wires, strings, cords, ropes, threads, and use our lives to kill us. They kill each other and so they use us to kill each other. The Interloupe use these human wires to become electromagnetic bodies made up of many different types of peoples existing as wires, chords, and strings, then they use rubber skins or plastic skins to cover over them to form one person that has super abnormal strength and power that is unimaginable; but, it is our lives they twirl, furl, and twined up inside of these things. We are watching these movies not knowing it is us they are using, and destroying us with them. They use us in this same manner to terror us, and to help them destroy other Chreations and to help them destroy them, as they fight with each other. No more horror films in this Earth. No more Boxing, No more wrestling, No more fighting of any sort.

NO MORE WARS IN THIS EARTH AND IN ALL CHREATIONS. NO MORE WARS BY ANYONE OR ANYTHING OR ANY MACHINES, ELECTRONICS, ELECTROMAGNETICS, AND NO WARS IN GAMES AND VIDEOS.

A Angies/woman Last Name goes on the Birth Certificates of her child, children, and her husband through marriage takes her last name, this is always a standing order, and the devels changed it. Since the year 2000 this is in effect.

No one should ever be sworn in. Swearing has always been a curse, and a standing order. No more swearing in of anyone in this Earth and in all Chreations with effect from the year 2000.

Federal Government you do not take the National Guards, the Marines, the Coast Guards, Secret Service and the Military and other branches of the military to the space areas inside the Earth and outside the Earth at no time and this has been a standing order.

The Federal governments, republics, republicans, and others, you are devels and under my Authority. I own you! Read your articles from your Maker and you will know that this is a fact, so stop deluding yourselves.

Barak Obama, how many Rupauls do you use as replicas? How many copies of Rupaul are there? How many replicas do you have? Is Rupaul replicas for both men and women?

Barak Obama, do you and others use Rupaul as a replica of me Paulett Angella Hemmings in this Earth and other Chreations?

Is Rupaul also an Interloupe or is there a real person somewhere inside him also being used to give power and authority?

All Television (TV), Newspapers, and Radios, and Cable, provide to the public archived day to day films of this Earth from the opening of this Earth in this natural, the federal cut out, the Parletas, and all the other elevations and levels so they are viewable on the internet, they are full coverage with no removal of information or no distortion of films, to be accessed through their telephones, TV, and other devices as it should be. This must be done immediately.

Federal governments remove all malware, trojans, virus, and various bombs from our computers in all Earth elevations, and all chreations elevations and this Natural Earth, immediately.

Man is also called "Dick". Man penis is also called "Dick". Man "Penis" is the most developed part of his body. When someone said, "Dick Head" it means that the man is thinking with his penis, as that is the most developed part of his body. A man's "penis" is not to think on his head, as it will be confused. A man's "penis" is to think in the pussy hole it is made to go. When the man penis is in the pussy hole, and no devels involved, it does the right thing, as it is made to do the right thing. When the devel is into the mating, the penis cannot function and needs helping. The woman is to help the penis so it work, and that also means that the environment must be protected with the essence in the room, on the floor, on the bed, essence fragrance in the air, and flowers petals on the bed from the bougainvillea or the myrtle plant. Silk and Satin sheets and underwear are the best protection although these fabrics can be slippery. A blend with cotton will make the fabrics less slippery.

Manufacturers are to make silk, satin sheets in full quality and also blend with cotton, and silk and satin blend together, and silk, satin blended with other fabrics. This is to be for men and women underwear, including brassiere, panties, briefs, night gowns, shawls, scarves, pajamas, head scarves, head wears, silk in summer hats, in winter hats, blouses, skirts, shorts, pants, dresses, and more.

Men are to wear briefs instead of boxers. Boxers give the devel access to the man's penis.

No more boxing day where the devels use the box cutters to kill and to harm men who are not wearing boxers underwear. All that is finished! I AM HERE AND NOT GOING ANYWHERE.

No more professionals or careers, or jobs as an Attorney, Attorney-At-Law, Lawyer. The right title is Barrister. The meaning is to Bar the Risters. The Risters are the Police who put the Risters on my children. The Risters are called hand cuffs. The Barristers are to Bar (prevent) the police from putting Wrist cuff on my children. The Barristers have become Attorney at Law and the devel likes that, so the devels get in their work and prevents them from fully doing their work in the right way. The Devel Interloupe they have Laws. We have Rules. Any of my children can be put in prison without getting the assistance of a Barristers as the Barristers are helping the federal governments instead of preventing and using the rules to prevent illegal abduction and illegal arrests.

Barristers have their allowances to get, and they should know how to get it. It is there for them without owing the federal or state or any government. The allowances are there as everyone must get their allowances from the banks. The Barristers have their salary to receive from the State, and since the States are corrupt with the Federal Government, they have to get it from the banks. The banks are corrupt with the Federal government, and so they are to use their own frank machines to make their

own salary and pay for expenses. The Barristers are to bar the federals from taking over the banks and they are the ones to use the Rules to make the banks pay the allowances to everyone. They are the ones to use the Rules to prevent the federal from stopping them and others from using the frank machines. They are not to charge the person who needs the help of a Barrister. It is their jobs to bar them from illegal arrest and from illegal conviction, as the devils are in the Earth. The Barristers are supposed to have the interconnection computer and the connections, so they can see who caused the crime, which devils did it, and how it was done. Barristers are to use their own Frank or Mint machines to pay their salaries and to pay for work expenses and for employees' salaries.

Barristers are to use every Rules to make the Banks pay the peoples allowances and for the banks to use the Frank machines to make their own money for their allowances, to use as deposits, and to use for their employee's salary instead of charging fees that are illegal.

Barristers are to use every Rules to separate the Banks from the Federal government, the State government, the local and municipal governments. All banks do not have any connection to the State, the municipals and local authorities and no federal government or any governments.

Barristers are to use all my Articles, Commands, Comrandas, and Decrymiummiumiums to stop the banks from operating illegally and to invigorate them to separate from the government and to act with ethics and with Rightness with immediate effect.

All banks who charge fees are operating illegally and fines and charges against them.

In about March 2017, Barak Obama and Donald Trump declared the Mark of the Beast and they went around in the Earth asking for the 666. No person, people responded to the 666, and then Barak and Trump said they are the Mark of the beast, the 666. There was a lot of killing and terror in the federal cut out and they went into the Sensemelia Chreation in this Earth? killing the peoples in their homes. Everyone must get their interconnections so they know what is happening, that they are not aware of with their natural sight. Many bad things are happening that you are not aware of. You should know these things as whenever you die, you should know what to expect, where to not go, where to be, where is safer, and what to do.

Another night, Barak Obama and Donald Trump declared that thy are the Anti-Christ. They went around killing many in the federal cut out and other places. They went into many Chreations in this Earth you do not know exist. Barak and Trump they tried to kill me many of the times. Barak said he is the Anti-Christ, and his job is to kill me, The CHRIST. About a month later, the discussion came up about the Anti-Christ and Barak said he is the Anti-Christ. Then four of the Donald Trump came from many different places singing a song and comparing their long Penis to see which was the longest. They all stood together in a circle comparing their penis and naked with their long penis jutting forward and getting longer and longer so they compare the length. This is something that they said they must do whenever someone identified themselves as the Anti-Christ. After a while, others went in and broke up the Trump gathering. However, there was a winner, and it was not the Donald Trump who is the President, although he was amongst the Trump competitors and his penis was on display. You do not know who you have as leaders. They do not do any work. All thy do is terror and wickednesses. They have the White house staff that does the work for them. You can see these events if you look at the international news archive for around March to April 2017. Barak Obama and Donald Trump stop trying to kill me. Get out of my Earth, my Earths, and my Chreations. Get out of all my Authorities,

stop draining the Earth of its natural resources, stop sucking out the soil, and stop sucking out my pink skin peoples you call (White peoples). You all go to the Places that I have for you to go and get out of my Earths, and Chreations.

Barak and Trump, about last month the federal government went into the Perspectile and cut out the remaining of my Port Authority of New York and New Jersey, World Trade Center 1 and 2 that was not destroyed in the Perspectile in the September 11, 2001 bombings. You had a negotiation with others who wanted to remove the building, so that I would not get to use my property that you have destroyed in 2001. Therefore, you arranged to cut it out with the giganamous cutter and pulled it away without any permission, as you have taken over my properties, using them, and calling yourselves me, and using my authority. When you pulled it away and it went as far as it could go, and it returned to where it belongs, you destroyed it in the Perspectile. The entire World Trade Center area in the Perspectile collapsed and many died just like September 11, 2001. Donald Trump, Barak Obama, Federal Government, from the Devel Heavens and other places, you are WICKED. You are DESTROYERS. You are TERRORS. GET OUT OF MY EARTHS AND STOP DESTROYING MY CHILDREN AND OUR PROPERTIES. GET OUT OF MY EARTHS.

Barak Obama, are you the master Bomber? Your last name is O'bomber/ the bama/ the bomber, as the true meaning. You removed the Jamaican English language from its place and turned my children into Interloupe, using the Interloupe English and not using the Jamaican English that explains the meaning of words, so they are not kept in the dark. Most of my children in this Earth, they do not know the meaning of words and how to break up the words to find the meanings. You have deluded my children with the dictionary of rubbish. Get Out of My EARTH!

Barak Obama and Donald Trump, the Federal Government, tell my children who they are and what is the right name of the Earth. I am the Chreator, so what is the name of my Earths?

Barak are you a Dragqueen? Are you both a woman and a Man? In the May 2017, Peoples magazine front cover, you look like a woman and you are wearing a pink lip stick which is telling us that you are what you are. Is that you were saying?

Barak, on Page 46 of the same May 2017 People's Magazine, you look like Rupaul when he is trying to look like a man? Is that your statement to everyone, that you can look like a man and a woman?

Barak, What is a Dragon or who is a Dragon? Is a Dragon similar to a Dragqueen? Can a Dragon be a Dragqueen?

Barak are you both a Dragon and a Dragqueen?

Is a dragon a serpent and a crocodile at the same time with fire, smoke, and sorcery oozing from him at the same time and many wicked powers of devel in him? Is that what you are as well? Are you using your dragon and dragqueen powers over my Earth to control us?

Barak, are you using the media to cover up for you?

My ORDERS, COMMANDS, DECRYMIUMMIUMMIUMS, AND MY WILL MUST BE DONE IN THIS EARTH AND IN MY CHREATIONS. IF NOT, THEN YOU ARE BIGGER THAN THE BIGGEST DEVELS, AND YOU WILL FEEL AND SEE THAT QUALITY OF DEVEL PUNISHMENTS.

The DECRYMIUMMIUMMIUMS must be distributed to all the organizations, places, international, and local like the Articles in the right and proper time.
