**PL-FK14-20**

Effective immediately, all threaded posts in The PL Series (listed above), have been modified to include a 1/4-20 tapped hole on the end of the threaded post. This feature addition has allowed us to obsolete the 1/4-20 Thread Adapter (PL-14-20THDADPT), which listed at \$20.00. As a replacement we now offer the 1/4-20 Fastener Kit (PL-FK14-20), with a list price of \$ 3.50. This is a \$ 16.50 reduction in price.

The PL-FK14-20 kit includes a (1) SHSS; Cup Point Set Screw; 1/4-20 x 1.00" and (1) 1/4-20 Jam Nut; both of which are made of 18-8 Stainless Steel.

Please contact us with any questions and, as always, we thank you for your business!
