

Middle School Summer Reading List

Instructions:

Each Saint Paul School Middle School student must select 2 of the following book options to read. Encourage students to read books that they have not read before.

Once finished reading, write a 250 word summary of the book you read. Your summary should include the main characters, the conflict (what problem or problems do the characters face?), and whether or not you would recommend this book to a friend.

Also, the first week of school, expect an exam on your two book selections!

Tips: Practice “active reading” by summarizing each chapter on a sticky-notes stuck at the end of each chapter!

Book Options:

Fever: 1793 by Laurie Halse Anderson

The Color of my Words by Lynne Joseph

Numbering All the Bones by Ann Rinaldi

The Golden Bull by Marjorie Cowly
