2023 QUARTER HORSE PRODUCTION SALE

AT THE RANCH **SATURDAY, SEPT. 23, 2023** NEAR SHIELDS, ND

PREVIEW: 10 A.M. CT ~ COMPLIMENTARY LUNCH ~ SALE: 2 P.M. CT

Welcome Friends!

We would like to welcome you to the ranch to join us for our 2nd biennial production sale. We have a long history (75 years) of raising quality horses and we think that history shows through the heartbeat of our broodmare band. We always try to combine that quality in our mares with sires that improve their look and ability. We also are always striving to stay cutting edge with our AI program at the ranch. That ability to AI and ultrasound has allowed us to breed to horses such as; Hashtags, SDP Blueblood, Casey's Pick, Very Black Magic, Woody Be Tuff, Metallic MVP, and Notorious BIG.

Our foals will be ready to ship sale day. They will have been sorted from their dams in increasing increments daily up to the day of the sale. They will not be completely weaned but the process will be started and they will be exposed to feed. Insurance and transportation will be provided on sale day. We will be taking phone bids and DV auction will be here for those folks who cannot attend. For those who can attend, please join us for a complimentary lunch and refreshments before the sale.

Please feel free to contact us with any questions on transportation or lodging. We encourage all broke horse customers to visit with us so that we can try to appropriately match you with a suitable horse. Thank you and hope to see you sale day!

In loving memory...

We lost our sire, Id Watch, this past winter. He produced big, gentle horses that anyone could get along with. His offspring were the type of horses that would meet you at the gate and love to be with you. They were so willing to please and handled stressful situations with ease. This is our tribute to him.
