Welcome to Camp Daniel Boone

Dear Parent/Leader,

Thank you for taking time out of your busy summer schedule to provide the scouts in your unit with the experience of a lifetime. From the 6,000-foot summit of Cold Mountain to the tumbling Little East Fork that flows through camp, CDB abounds with Scouting program opportunities! Camp Daniel Boone's program is designed to support the enormous opportunities for leadership and character development that arise from the summer camping experience. Starting with the Goin' Great first year camper program to our multiple high adventure opportunities, we deliver the promise of Scouting every week.

Our base camp operation provides over 50 merit badge options, as well as numerous non-merit badge program opportunities. Exciting merit badge options including Sustainability, Space Exploration, Railroading, Digital Technology, Game Design and more!

CDB has been a leader in High Adventure programming since 1978 and we are excited about our trek offerings in 2017. For the first time we will offer backpacking in Great Smoky Mountain National Park! We also have the most intense rafting trek in the BSA, the incredible Five Rivers Trek. Add in the Ropes Trek, Boonesboro Village and the Zip and Splash Trek and you have high adventure options for everyone!

We also believe in the value of down time ... time to just explore and relax. That can come in the form of fishing, fellowship with some of the scouts from the 20 different councils who attend each week, roasting marshmallows, climbing the rock wall, making a craft for mom at Boonesboro Village, or playing frisbee on the lawn. The CDB staff will do their best to help your scouts discover new talents and hobbies and gain self-confidence.

For adults we offer numerous leader training events during the week, as well as time to play. There is a Scoutmaster Shoot, dutch-oven cook-off, and the always competitive CDB classic golf tourney. I know you will enjoy the cool summertime temperatures and the quiet starlit nights around the campfire.

Can't wait to see you on the headwaters of the Little East Fork,

Yours in Scouting

Daniel Rogers

Assistant Scout Executive

Of course, we still take paper registrations as well. Forms can be found in the back of this leaders guide, or online. If you have any questions, please do not hesitate to contact either Peggy Baillie or Dan Rogers at (828) 254-6189 or (800) 526-6708.

Pre-Camp Preparation

If your troop is associated with a Cub Scout Pack, it is important that you always maintain a healthy relationship with that pack. To make sure that Webelos Scouts who will be crossing over have the opportunity to attend summer camp, your troop should begin talking with them about the adventure well in advance of summer camp. It is of value to have your Senior Patrol Leader and some scouts attend a den meeting or two to teach a skill and talk up Boy Scouting and summer camp. Send a special invitation to every graduating Webelos Scout inviting them to attend summer camp with your troop.

Medical Forms

- Every youth and adult must have a completed current BSA Medical Form signed by a physician within the past 12 months, regardless of program (Parts A, B & C).
- This form may be found at: <https://www.campdanielboone.org/files/5241/BSA-Medical-Form-pdf>
- No other medical forms are accepted. All medical forms are turned in upon arrival at camp and maintained at the health lodge during your stay.
- Make sure that the form is ***filled out completely***, including attaching copies of insurance cards and dates of immunizations.
- On arrival in camp, everyone is given a private medical screening by a physician, health officer, or other adult approved by the camp physician
- Medications can be kept by the unit leader so long as proper locked storage is brought. Medications can be left with the health officer and administered by the camp health lodge staff if desired. Please use the pre-camp health questionnaire to verify the health of your scouts before arrival.

Lost and Found

Lost and found can be located during the week at the camp office. It will be moved up to the dining hall Friday night for the last Scoutmaster's meeting. If an item is found, and you wish to have it shipped back, we will be happy to do so but may charge you actual shipping costs.

Provisional Scouts

Provisional scouts are those persons attending the "Base Camp" program as individuals attending separately from their troop. Fees for provisional scouts are \$325.00 per scout, per week. Provisional scouts are welcome each week and will be placed with another attending troop. We appreciate Scoutmasters offering to serve as leaders for provisional scouts. Please inform the camp director if you are willing to assist a provisional scout during your troop's week at Camp Daniel Boone.

NUNC Kiwanis - Special Needs Campsite

Scouts or scouters with special needs may choose to stay at our NUNC Kiwanis campsite. The site is conveniently located near the main program areas of camp including the dining hall and handicap shower facilities.

Please notify the camp registrar when making your troop reservations if these facilities will be utilized by a scout or scouter from your unit. The site has four two-person cabins, ramps, and other facilities needed for wheelchairs. Electricity is also available. Please remember that automobiles are not permitted in any campsite.

Summer Camp Meeting

Many troops have a special summer camp meeting each spring for the benefit of the boys and their parents. Invite Webelos who will be crossing over to attend. The purpose and scope of these meetings will vary from troop to troop. Some meeting activities could include:

- Travel plans.
- Collection of medical forms, camp fees, merit badge selections.
- Distribution of contact numbers and CDB Parent Information.

National Guidelines

The following policies have been adopted to provide additional security for youth in the program. In addition, they serve to protect adult leadership from situations in which they are vulnerable to allegations of abuse.

Two-deep leadership. Two registered adult leaders or one registered adult leader and a parent of a participant, one of whom must be 21 years of age or older, are required on all trips and outings. The chartered organization is responsible for ensuring the sufficient leadership is provided for all activities.

No one-on-one contact. One-on-one contact between adults and youth members is not permitted. In situations that require a personal conference, such as a Scoutmaster conference, the meeting is to be conducted in view of other adults and youth.

Respect of privacy. Adult leaders must respect the privacy of youth members in situations such as changing into swimming suits or taking showers at camp and intrude only to the extent that health and safety requires. They must also protect their own safety in similar situations.

Separate accommodations. When camping, no youth is permitted to sleep in the tent of an adult other than his own parent. Camp Daniel Boone has individual shower and latrine facilities used by youth and adults.

Proper preparation for high-endurance activities. Activities with elements of risk should not be undertaken without proper preparation, supervision, and safety measures.

Boy Scouts of America Smoke-Free Policy. It is BSA policy to provide a smoke-free environment for all Scouting participants. Therefore, smoking is not allowed at Camp Daniel Boone in the presence of youth or in buildings. You may smoke only in the designated smoking area located behind the dining facility.

Bullying always involves one person or group trying to intimidate a target (victim)—often repeatedly. It might involve a physical act: hitting, kicking, biting, or shoving. It might also involve verbal or emotional abuse: teasing, put-downs, name-calling, hazing, hurtful joking, or intimidation. Bullies also sometimes use racial or sexual slurs or make threatening gestures. Bullying in all forms is prohibited from Scouting.

Purpose

The Order of the Arrow is Scouting's national honor society. It recognizes those campers who best exemplify the Scout Oath and Law in their daily lives and by such recognition, cause other campers to conduct themselves in such a manner as to warrant similar recognition, to promote camping, and to crystallize the habit of helpfulness as a life purpose. Each Boy Scout troop with qualified Scouts is urged to hold an election during the spring. You select the date and place of the election as unit leader. An assigned election team from the Order of the Arrow must be on hand to conduct the election. Contact your local chapter for membership qualifications and to confirm a time for your unit election. This information can also be found on the Daniel Boone Council Website on the Order of Arrow page.

Youth Eligibility Requirements

To become a member, a youth must be a registered member of a Boy Scout troop and hold First Class rank. The youth must have experienced 15 days and nights of camping during the two years before his election. The 15 days and nights must include one, but no more than one, long-term camp consisting of six consecutive days and five nights of resident camping, approved and under the auspices and standards of the Boy Scouts of America. The balance of the camping must be overnight, weekend, or other short-term camps. Scouts are elected to the Order by their fellow troop members, following approval by the Scoutmaster.

Call-Out Ceremony

The OA Call-Out ceremony is conducted each Wednesday night. It is a memorable ceremony for all newly elected scouts as well as guests. Units must have a copy of their unit election report as well as a letter from their home lodge stating it is OK for their scouts to be called out by Tsali Lodge.

Tsali Lodge Ice Cream Social

Tsali Lodge hosts an Ice Cream Social Wednesday evening in the dining hall. All OA members with a valid membership card, or flap on their uniform are admitted free. It is a great opportunity for fellowship and patch-trading with other Arrowmen from across America.

Patch Trading

Scouts can gather together in Ledbetter Lodge to swap council strips, OA flaps, camp patches or other Scouting patches and items such as troop shirts or neckerchiefs. This is a great activity to help scouts meet and become friends with fellow scouts from across the US. Time of the patch trading fellowship will be announced at camp.

Scoutmaster Shoot-Off

Come up to the rifle and shotgun range to see how your shooting skills match up! The Leaders Shotgun Shoot is every Tuesday at 7:30 PM and the Rifle Shoot is on Wednesday evening at 7:30 PM. One leader per unit please. The winner of each shoot-off receives an award at Friday night's campfire.

Scoutmaster Golf Tourney

On Thursday afternoon leaders will have a chance to show their stuff on the CDB Golf Course. Each leader can use one or more clubs that they have made while at camp. With racquetballs used as golf balls, it is a no holds barred fun filled course of fellowship and wonderful competition on the beautiful CDB links.

Scoutmaster Dutch Oven Cook-off

There are 2 options, dessert or main course. Main course can be a breakfast or dinner dish. Leaders bring their dish to the Scoutcraft area on Friday afternoon at 3:30 to be judged by our esteemed panel of camp culinary experts. The camp has 8 dutch ovens for use. Leaders may also use their own dutch ovens in the activity. Winners are announced at the Friday night campfire.

Scoutmaster's Merit Badge

Leaders have to complete a variety of tasks to earn the CDB Scoutmasters Merit Badge. While it is a fun award to earn, the goal behind the program is to help each adult in camp also experience personal growth and skill development to help them become a better leader for the scouts in their troop or crew. Please see the Scoutmasters Merit Badge check-sheet in the forms section for complete details.

Merit Badge Program

Our base camp program offers a variety of merit badges designed for all age levels within the scouting program. First-year campers should consider the Goin' Great area to achieve many of the Tenderfoot through First Class rank requirements.

Merit Badge signups are completed online. Beginning April 4, 2017, if your unit is current on payments, you can log into your unit account on the camp website to select your scout's program choices. There will be an opportunity on Sunday upon arrival to make corrections to schedules as needed.

Merit Badge registration will begin at 10 AM on April 4th, 2017 for weeks 1, 2 and 3 and on April 5th 2017 for weeks 4,5,6 and 7. You must be current on your camp payments to access the sign up program.

Merit badges are taught in group sessions. It is advised that the Scoutmaster check with his Scouts that are working on merit badges and review the requirements to ensure that the individual Scout has satisfactorily completed the work before leaving camp. If a Scout has satisfied certain requirements prior to coming to camp, he should give his counselor a signed form from the Scoutmaster stating which requirements have been completed.

Scoutmasters will receive signed rosters of completed requirements for each merit badge. Blue cards are not used. If your unit uses the blue cards, you will need to keep the rosters and put Camp Daniel Boone on the blue card as the location where they received the badge. The Scoutmaster has the final approval on all merit badges. Scouts are suggested to have a merit badge book for the merit badges they are taking for referencing. They can use a book from the troop library, or purchase one at the camp store. Scoutmasters are encouraged to check-up on their scouts' knowledge of merit badges they've attended.

Each individual must meet every requirement themselves. We strive to ensure each scout has a positive learning experience while at camp. Several merit badges have a recommended age. This is a recommendation from Camp Daniel Boone. We have found certain merit badges are generally suited for older scouts, but in no way will we refuse to allow scouts younger than the recommendation to attempt these merit badges unless BSA standards say otherwise.

IMPORTANT – Study merit badge requirements carefully to determine what requirements you may not be able to complete at camp and try to complete it before you come to camp. These requirements are included in this guide on the pages that follow.

Be sure each Scout receives written proof of all advancement completed before leaving camp. It is much easier to track paperwork while we are all still at camp.

Goin' Great

CDB's First Year Camper Program

Goin' Great, Camp Daniel Boone's premier first year camper program, is an exciting opportunity for new scouts to earn a significant number of requirements needed for the Tenderfoot, Second Class and First Class ranks! The goal of the Goin' Great program is to help each scout begin their journey towards the rank of Eagle Scout through patrol-based hands on skill development. On day 1, scouts in this program will be broken up into patrols and assigned a Patrol guide, who will be their camp mentors for the week. Together, they will take on numerous scouting challenges and games, develop valuable leadership skills and make memories at Camp Daniel Boone that will last a life time!

The Goin' Great Program is receiving a major revamp this summer that introduces two separate program sessions. Your scouts will have the opportunity to sign up for the session that best fits their needs, and spend the other half of their day earning merit badges, and seeing what the rest of Camp Daniel Boone has to offer!

Goin' Great Morning Session

The Morning session, which will take place from 9:00am-11:50am, is designed for scouts with little to no scouting experience that would benefit from a slower paced learning schedule. This session will focus mainly on mastering Tenderfoot and Second Class Skills, while also introducing and practicing First Class skills.

Goin' Great Afternoon Session

The afternoon session, which will take place from 1:30pm-3:50pm, will operate on a slightly faster paced schedule than the morning session, and is designed for your troop's new scouts that have had some past scouting experience. Campers in the Afternoon session will mostly focus on Second Class and First class skills, while also thoroughly reviewing the Tenderfoot requirements. *We suggest that scouts that have completed the Arrow of Light attend the afternoon session.

Goin' Great Daily Schedule

This year, we are taking a new approach to the First Year Camper program. We have combined elements of the National Youth Leadership Training, traditional patrol activities, and past Goin' Great concepts to create our new program! Each patrol will be assigned an expertly trained Patrol Guide, who will be their camp mentor for the week. While Goin' Great will be operating on a daily schedule, the patrol guide will have the flexibility to structure their patrol's schedule in a way that will allow each scout in their patrol to get the most out of their camp experience.

MORNING SESSION	
9:00am-9:10am	Opening Ceremony
9:10am-11:40am	Patrol Time
11:40-11:50am	Daily Bead Ceremony

AFTERNOON SESSION

On Friday morning, at 9:00am, BOTH Goin' Great sessions will be completing the 5-mile hike (Second Class 3b). Your scout's safety is our top priority, therefore, assistance from scoutmasters on this hike is of the utmost importance and greatly appreciated.

Bead Ceremonies & Goin' Great Graduation

At the end of each session, the scouts in Goin' Great will be awarded beads to represent their personal accomplishments and requirements passed off during the week. At the end of the week, there will be a Goin' Great Graduation, where Individual and Patrol accolades will be awarded. The Goin' Great Graduation will be held at the Goin Great program area.

How to maximize your Goin' Great experience

We suggest that each troop assign at least one Scoutmaster to check up on their Goin' Great scouts nightly to insure that they are satisfied with their understanding of the material taught each day. At the beginning of the week, each troop will receive a program schedule that will outline the requirements covered daily. We are devoted to making sure that your scouts understand all the material taught to them throughout the week, so our staff will be available during free time for extra help with any requirements that your scouts may struggle with.

- 7f. Explain how to obtain potable water in an emergency.

Rafting Day Trips on the Nantahala

Nantahala River: Available on Tuesday, Wednesday and Thursday

Fees: Units providing their own transportation: \$45.00 per person, payable at the camp trading post.

Pigeon River: Available on Tuesday, Wednesday and Thursday

Fees: Units must provide their own transportation: \$45.00 per person, payable at the camp trading post. This covers equipment, lunch, guides, and Forest Service river use fees. All tickets purchased through the Trading Post at camp. All participants must have a completed release form, which can be found at www.campdanielboone.org under forms.

The Nantahala provides a thrilling trip on class II and III rapids through the Nantahala National Forest. You will get wet, so be sure to bring an extra set of clothes and shoes. The following items are recommended for the trip: shoes (sneakers or shoes that tie are required), shorts or swim trunks. On cooler days additional clothing may be needed. Cameras may be taken at your own risk.

The Pigeon River features spirited Class III-IV rapids along the eastern border of the Great Smoky Mountains National Park. This is our most condensed whitewater experience—a full dose of whitewater excitement and scenery in just three short hours. Dam-controlled water releases ensure whitewater action.

Nantahala and Pigeon Rivers are both guided trips. This means there is a guide in every raft.

REQUIREMENT:

All participants must pass the swim test at Camp Daniel Boone.

Harrison High Adventure Programs

A leader in high adventure programming since 1978, the Harrison High Adventure Program remains the premier council operated destination for older Scouts, Explorers, and Venture crews in the south-east. We offer activities such as backpacking, rafting, zip-lining, rock climbing, and living history. All treks leaving Camp Daniel Boone are accompanied by a trained staff member. Our guides assist in leading the group through the wilderness, providing necessary first aid, emergency care, and instructing participants in skills essential for navigation and survival in a remote wilderness setting. The patrol method is utilized on all expeditions and leadership development is our goal. Programs are filled on a first-come first-serve basis, so do not delay in making your choice for your high adventure trek.

Participants **must** be at least 13 years of age by June 1, 2017.

A completed official BSA Medical Form is required for all High Adventure Programs. Other medical forms will not be accepted. Scouts arriving without the required medical form will be responsible for acquiring a physical, locally, prior to being permitted to begin their trek. Treks will not wait to depart for Scouts without a physical. NOTE: The National Forest Service limits group size to 10 people in a wilderness area. For our backpacking treks this number will include a staff member and one other adult with the crew. (Example: eight Scouts, one adult leader and one trail guide or eight Scouts and two trail guides) Therefore group size is limited to nine participants inclusive of an adult or eight participants without an adult. Larger groups can be accommodated, but cannot hike in certain wilderness areas.

General Information

Upon check in on Sunday, after their troop/crew photo, all high adventure participants will go through the medical check and take their swim test upon their arrival to camp. They will then meet with their trek staff member and proceed to the Harrison Outpost.

All participants will be sleeping in tents while at the Harrison Outpost. Adults and females will be allowed to sleep in the platform two person tents. All other youth scouts will be sleeping in larger tents on the ground while they are at the outpost. Participants have the option to sleep in their personal tents.

All treks may be modified due to extenuating circumstances such as weather or natural disaster.

Venture Crews

Venture Crews are invited to participate in all CDB High Adventure programs. Have an all-female crew? That's fine, as we have female trek leaders to work with your group. With so many treks to choose from, why wait? Get your crew together and get yourself ready for an awesome week of exploring and adventure with the Harrison Outpost.

Low-Impact Camping

The Boy Scouts of America puts more youth and adults into the outdoors than any other single organization. Primitive backcountry wilderness areas are a national treasure and must be treated with respect. We must train our youth to utilize these areas responsibly – to observe and enjoy, but at the same time to preserve and protect.

An understanding and appreciation of Leave-No-Trace and The Outdoor Code's backcountry ethics can add a new dimension to a Scout's outdoor experience. Low-impact camping techniques can help ensure that future generations have the opportunity to experience pristine wilderness areas. All CDB treks adhere to Leave No Trace backcountry ethics. Take only memories; leave only footprints.

Backpacking Treks

Time spent in nature is the most cost-effective and powerful way to counteract the burnout and sort of depression that we feel when we sit in front of a computer all day. Richard Louv

No other adventure is the same as backpacking. Getting out in the backcountry with all you own on your back, walking to magnificent views and taking time to discover the simple and plentiful wonders of nature. Indeed the flagship of our High Adventure program is our backpacking treks.

Figure 1 Scouts Hiking

Western North Carolina has over a million acres of National Forest land available with hundreds of miles of trails. We have selected a variety of trails that will allow your scouts to explore nature and improve their back country skills. They will get unplugged, and will see stars as they may never have seen them before. In some areas, your crew may not see another person outside of your crew the entire time out, a truly remote wilderness experience.

All treks are led by trained and experienced staff. Our guides stress instruction and practice in Leave No Trace and Outdoor Code ethics, expedition behavior, the patrol method, and boy run leadership. Instruction and practice in backpacking, hiking, camping, first aid, nature, and other backcountry outdoor skills takes place daily.

All backpacking treks use the patrol method. This helps facilitate a greater sense of group accomplishment as all challenges are faced from a group-centered perspective.

It is wise that participants take part in some form of conditioning prior to arrival to camp, as trails in Western North Carolina are rugged. We recommend long day hikes with a weighted pack and/or weekend backpacking trips for your troop's spring- time activities. Individual exercise routines also help significantly.

If you and your Scouts are looking for the greatest of all Scouting classrooms, and a chance to explore Western North Carolina up close and personal. If you are in decent physical shape, and can handle the physical demands of living in the backcountry, then a backpacking trek is for you.

Scouts will learn various methods to low impact camping methods. Scouts will learn how to plan for future backpacking treks in regards to what cooking gear, food, group gear, and personal gear may be needed. The high

altitude balds are excellent places for the scouts to practice topographic map navigation with the endless views and all the terrain features visible below.

All backpacking treks offer a Friday day of rafting on the Nantahala River as an optional activity.

Shining Rock Wilderness Trek

Group Size: 9

Shining Rock is the largest wilderness area in North Carolina. Standing at an elevation of more than 5,000 feet and containing five peaks over 6,000 feet, the Shining Rock area is indeed impressive. The terrain is steep and rugged and streams are plentiful, cutting through the mountains on each side tumbling down to eventually reach the Pigeon River.

The Shining Rock Wilderness Trek is a four day backpacking trek through this magnificent wilderness. The trek hikes out of base camp either Sunday evening or Monday morning and proceeds to ascend towards Cold Mountain, Shining Rock, or an old railroad camp in the mountains. The next three days are spent hiking to various locations in and around the wilderness visiting grassy balds with breath taking views, and playing in cool, clear mountain rivers and waterfalls.

Truly a magnificent trek that will leave everyone inspired and thankful they strapped their backpack on! You can arrive back at base camp on Thursday, and raft Friday, or remain in the backcountry until Friday, the choice is up to the crew.

Figure 2 View of Shining Rock Wilderness

Art Loeb Trek

Group Size: 9

The Art Loeb trek is a four day hike through Pisgah National Forest and Shining Rock Wilderness along the Art Loeb Trail. The trail is approximately 30.1 miles in length and famous for its rugged climbs and pristine views from atop the Eastern United States. It runs from the Davidson River across several landmark area peaks around the southern rim of the Davidson River valley. It crosses Pilot Mountain on the northern end of this dividing ridge, before climbing steeply to the Blue Ridge Parkway and Silvermine Bald, where it tops 6000' in elevation. Next, the trail crosses Black Balsam Knob where there is a plaque commemorating Art Loeb and the Trail. This is the most famous and most popular section of the trail, for good reason. The views and uniqueness of this section of trail are second to none!

Finally, it travels across the mountain balds and through the Shining Rock Wilderness past Shining Rock itself. Near Cold Mountain the trail climbs into "The Narrows" and rugged ridgeline which slowly gets smaller and smaller with memorable views to the north and south. A side trip will take you to the summit of Cold Mountain, before descending steeply to end at Camp Daniel Boone.

This trail is a memorial to Art Loeb, a man who deeply loved these mountains. This trail was ranked as the #2 trail in America for high alpine views in the April 2007 Backpacker Magazine. On Friday the group has the option of rafting the Nantahala River.

Bartram Trail Trek

Group Size: 12

Named after famed naturalist William Bartram, this trail covers 115.4 miles thought to be part of his travels in the 1770s. We offer several trip options ranging in various distances with several peak options. This trip offers an opportunity to witness multiple unique ecosystems daily as the trail meanders through a variety of elevation plateaus in North Georgia and Western North Carolina and crosses some of the most scenic mountains of North Georgia and Western North Carolina.

On Sunday the group will travel to Lumpkin Adventure Base to finish their preparations. The group will backpack either 4 or 5 days, and may raft the Nantahala River on Friday if desired. The trail covers 37 miles in Georgia and 64 miles in North Carolina. The trek can cover anywhere between 30 to 100 miles depending on the fitness level and desire of the group.

Figure 3 Martin Creek Falls, Along the Bartram Trail

Joyce Kilmer/Slickrock Creek Wilderness

Group Size: 9

This is one of the more desired treks by our staff, and for many reasons. This wilderness is located along the Tennessee/ North Carolina border south of the Great Smokey Mountains.

Part of the trek include the Joyce Kilmer Memorial Forest, a 3,800 acre tract of virgin timber and pristine wilderness splendor. Many of the trees are 16 to 22 feet in circumference and over 120 feet tall. Trips may also cross the Tennessee border into Citico Creek Wilderness expanding the coverage area to over 32,000 acres. There is no set route for this trek due to countless possibilities. The itinerary for each trip will be discussed between the troop and the high adventure staff guide upon arrival to camp. This is extremely rugged and remote mountain wilderness. Those not in good shape should NOT request this trek.

Treks depart either Sunday night or Monday morning and return on Friday. The option to go rafting on Friday is available. Make sure to bring a swimsuit for this journey as swimming holes such as Wildcat Falls highlight this trek.

Figure 4 Joyce Kilmer-Slickrock Creek Wilderness

Panthertown Valley Trek

Group Size: 12

This is becoming one of the more popular areas in the region. If your group wants relaxing adventures with tons of waterfalls and rivers then this is the trek for you. The vastly diverse ecosystems that occupy Panthertown Valley, along with somewhat easier terrain, will surely allow for memorable adventures for each group. We invite those wishing to have a more leisurely week in the forest with short daily mileage and plenty of time to fish and play in numerous waterfalls to inquire about this special location.

Groups will have sufficient time to work on merit badge requirements as well as other backcountry camping techniques. This is a great area to set up a base camp and have day hikes to various locations throughout the week.

Middle Prong Wilderness

Group Size: 9

Backpackers who know Middle Prong Wilderness value the secluded tract for what it lacks: designated campsites, blazed and well-maintained trails, and established picnic spots. The one sought-after amenity it does offer—almost without fail—is solitude. This area was established in 1984 and consists of 7,900 acres.

Figure 5 Middle Prong Wilderness

A sanctuary for black bears, bobcat, deer, opossums and raccoons, as well as prime bird watching territory; Yellow-bellied sapsucker, black-capped chickadee, brown creeper, and wild turkey are seen regularly.

The Middle Prong Wilderness trek includes the Green Mountain Trail, Mountains to Sea Trail, Buckeye Gap and Haywood Gap Trails, which all intertwine within the wilderness area. This trek is for those looking for a remote wilderness experience filled with challenge and reward.

This rugged, remote wilderness is located behind Camp Daniel Boone and is adjacent to Shining Rock Wilderness.

Smoky Mountain Trek

Group Size: 7 if at least 1 is an adult, or 6 youth.

For the first time Camp Daniel Boone will offer backpacking treks into the Great Smoky Mountains National Park! Come and explore the backcountry and magnificent beauty that draws more visitors than any other National Park in America. Of course, you will be away from the vast majority of them, backpacking among one of the most diverse ecosystems on earth.

This trek route cannot be confirmed until 30 days from departure, and all registrations for this trek must be complete 40 days prior to departure. Crew size is limited to 8 total, including at least 1 staff. We can accommodate up to two crews of 7 weekly for this experience.

Ropes Trek

Group Size: Min 5 Max 10

A week filled with climbing, zipping and COPE. Wrap up the week with a day on the Nantahala River.

On Monday the group will review climbing equipment, belaying, rappelling, climbing commands, and climbing techniques while climbing and or bouldering at camp. Everything the scouts learn on Monday will be reviewed and utilized during the rest of the week at the climbing sites. Scouts who do not already have the climbing merit badge will earn the badge during the week.

Tuesday and Wednesday will be spent climbing on live rock at one of several available locations such as Looking Glass, Rumbling Bald, Ship Rock, Snakes Den, or Linville Gorge. Thursday will be spent at the Nantahala Outdoor Center on their COPE course and Zip Line experience. Friday will wrap up the week with a day rafting on the Nantahala, or climbing. Weather and the desire of the group will determine Friday's program.

NOTE: Due to the level of physical and mental maturity required with rock climbing, we recommend that all participants be at least 14 years old. Also, the Ropes Trek director has the right to refuse to take anyone away from camp that is behaving in an unsafe manner and might be of risk to anyone else in the group.

Personal Equipment for Land Treks (Backpacking and Ropes Trek)

A Scout is Prepared. Each Scout and Scouter must be equipped for cold, hot and WET weather. Although our treks take place in a summer setting, the mountains of Western North Carolina are situated in a temperate rainforest and have peaks that exceed 6,000 feet. This can cause temperatures range from 95°F during the day with no shade to below 40°F at night. Throw in heavy winds and conditions can be somewhat extreme. Hypothermia is a real challenge in the mountains, even in summertime. Prolonged periods of rain or quick thunderstorms are not uncommon. Below are gear checklists for each active we provide.

Also, we recommend that each participant attempt to pack light. We will have a group shakedown and remove any items deemed unnecessary to ensure there is room for food, extra water, and group gear. If you have any questions or concerns please contact the council office.

We layer our clothing, combining different garments to achieve optimum insulation and protection from wind and rain. We use either synthetic or wool fibers, which insulate when wet. We avoid cotton, which is poor insulation when wet.

Please plan on having a pair of clean clothes to wear when you return at the end of the week. The Class A uniform is a great choice and it prevents packing extra clothes.

Water Treks

Five Rivers Trek

Camp Daniel Boone is proud to partner with the **Nantahala Outdoor Center (NOC)** to provide our Scouts with multiple rafting opportunities. NOC has been in operation since 1972 and has been called "One of the Greatest Outfitters on Earth" by National Geographic Magazine. Their commitment to professionalism and safety are the cornerstone of their success. The Five Rivers Whitewater Trek offers Scouts and Scouters a great experience of five days of whitewater fun on some of the finest waters in the entire United States. This trek provides a nice, gradual increase in river rafting intensity daily.

The raft week begins with a Fully Guided Raft Trip on the Nantahala River. This river features eight miles of easy Class I and II rapids before splashing through the exciting Class III whitewater of Nantahala Falls at the end.

Tuesday finds the Scouts on the French Broad River. This is the world's third oldest river with Class II and III whitewater and flows through the scenic Pisgah National Forest. On

Wednesday, Scouts travel to Hartford, TN to raft the Upper Section of the Pigeon River. This river borders the Great Smoky Mountains National Park and has Class III-IV rapids.

Thursdays, the rafting continues on the Ocoee River in TN. This river hosted the 1996 Atlanta Olympic Games. The river is filled with big waves and non-stop action.

This incredible trek ends Friday on the Chattooga River. The Chattooga is without a doubt the Southeast's premier whitewater rafting adventure. In fact, *Southern Living* called rafting the Chattooga "The #1 Thing Every Southerner Ought to Do." The Chattooga was federally protected in 1974 by the Wild & Scenic Rivers Act, forever preserving its rugged river gorge from development. Thus, the Chattooga delivers breathtaking scenery and treasured whitewater in an unmatched wilderness setting. Section IV has awe-inspiring views and boasts Seven-Foot Falls, Raven's Chute Rapid and the famous Five Falls –where five Class IV-V rapids unfold within a 1/3 of a mile.

Crews will be housed between the Harrison High Adventure Outpost and [Lumpkin Adventure Base.](#)

Personal Equipment for Water Treks

(Rafting, and Kayaking)

Our water trips are somewhat different than our land treks. We recommend that each participant attempt to pack light. We will have a group shakedown and remove any items deemed unnecessary to ensure there is room for food, extra water, and group gear. It is not necessary to have a change of clothes for each day of the week. If you over pack we will have you remove excess clothing/gear to ensure there is room for other participants clothing/gear. Ultimately you will be getting wet during these treks. Try to bring one (1) pair of clothes to wear each day while participating in your chosen activity.

Please plan on having a pair of clean clothes to wear when you return at the end of the week. The Class A uniform is a great choice and it prevents packing extra clothes. If you have any questions or concerns please contact the council office.

Emergency Rescue Policy

All emergency rescues and recoveries will be executed by local EMS and Search & Rescue officials. All non-emergency extractions will be charged \$100. Since non-emergency extractions tax our resources, this fee is final and non-negotiable. This includes any scout(s) who decide to wander off from their troops or campsites and cause camp to enter Lost Camper mode. Remember, we operate in wilderness areas and travel to very remote locations. So, unless you are having a true emergency, please do not ask us to take you back to camp once your trek has begun. Thank you for understanding and complying with this policy.

Boonesboro Village

Not Just Learning History, But Living It!

Boonesboro Village is a living history program at Camp Daniel Boone. It allows scouts, scouters, and parents attending CDB to experience life skills and crafts that were common in the late-1700's. Living in Boonesboro Village is like staying in the colonial frontier, with an atmosphere and camaraderie that is very different from most traditional base camp experiences.

Participants will enter the 1770's Sunday afternoon and experience life as our ancestors knew it until they return to the 21st century on Saturday morning. Villagers live in barracks and prepare all of their own meals over open fire using equipment that was available in the 1770's. Open fire cooking skills are valuable to have, but can be developed at camp as well.

Each resident villager, adults and youth alike, is provided with a period hunting shirt (their class "A" uniform for the week), a souvenir uniform medallion, two craft kits, and the annual Boonesboro patch. All of this is included in the cost of the program.

Villagers are able to take base camp merit badges, just as base campers are able to make some crafts in the Village. Crafts include, but are not limited to, blacksmithing, pottery, many leatherworking projects, knife-making, black powder shooting. The craft centers are open from 9:00am -5:00pm. Specialized assistance from our craftspeople will guide you in completing your craft, something more advanced and involved than the basic kits offered in Base Camp.

BEFORE BOONESBORO:

How to Pack: Please pack in a single container- or as close as possible. It is NOT a pack-in program. You will need the same basics as any other camp- extra clothes, toiletries, flashlight, water bottle, raingear, etc. You will be sleeping in a large open barracks style tent called a marquee. You will be sharing that large tent with several other (up to 20) Scouts. Mattresses are provided.

Boonesboro Food Preparation: WOOD. FIRE. PRACTICE. These are essential to successful cooking in Boonesboro. You WILL be cooking over an open fire on cast iron. The food, especially the meat, provided for you is raw. To eat well, you have to cook well. This is part of the challenge of BV. We suggest you practice cooking, starting fires, and chopping wood BEFORE you come to Boonesboro. There will be wood for you to process to cook your meals, although some Troops occasionally bring their own. All cooking gear and eating utensils are provided, but you are welcome to bring your lucky spatula or favorite coffee cup- just don't leave them behind!

BOONESBORO VILLAGE REQUIREMENTS – We strongly suggest that any Scout or Scouter signed up for Boonesboro review the lower rank requirements pertaining to wood tools, campfires, cooking and food handling. Having some level of comfort with these skills prior to arrival will make your visit much more enjoyable.

MERIT BADGES, inside and outside of Boonesboro- Boonesboro Village offers a few merit badges (Metalworking, Leatherworking and Pottery are the big three; past classes have included Indian Lore, Rifle Shooting, and Wilderness Survival). Many of these classes are either crafts (See Day One below) or have additional costs. Due to the location of Boonesboro, campers are able to take any of the merit badges classes offered in Base Camp. All they have to do is show up. Adult leaders can also take advantage of any training held in Base Camp. HOWEVER, due to the extra work required of Villagers throughout the week, and to budget more time to complete the crafts, we suggest that campers do NOT take merit badge classes in Base Camp- and if they do, do not fill up their schedules. Boonesboro Craft Centers operate from 9-5, same as the classes, so budget your time accordingly.

CHECK IN DAY - Drop your gear at the Boonesboro Gear Drop, go on the tour of Base Camp with your troop until you get to the Health Checks (your ABC Health Forms stay in Base Camp, NOT the Village), skip the swim test (you can take it before you swim, IF you decide to swim), and then report to the Boonesboro Demo table to be walked up the hill. Your gear will meet you up there.

Once you are in the Village, you'll receive your longshirt (new Class-A for the week) and medallion (like a dog tag, lets us know you are a Villager) and are then assigned to a barracks. The barracks are like patrols for the week. The Barracks will be competing with each other throughout the week, with points awarded every day. The games change from year to year, but generally include tomahawk throwing, black powder shooting, and the Highland Games.

Dinner is served in the Village; there is a short orientation, and then we head down to Base Camp for Sunday Evening Flag, Vespers, and Opening Campfire. We return to the village together after Opening Campfire.

DAY ONE- Breakfast is served around 7:00. We have our own flag raising at 8:00. Craft sign ups start at 9:00. At that time, you'll receive your craft tickets. These are like money- you have already paid for the crafts. You will turn these tickets in to the craftspeople before you start the craft. There is NO pre-registration system for the crafts, because they change every year. Class sizes exist in some cases. There are two categories of crafts- you choose one of each.

The available crafts are subject to change, but for reference, here is the list of crafts that were available in the 2016 season:

Red Ticket: Category One:

Leather Belt (2.5 inch Rendezvous style belt, or Modern 1.5 inch belt) Leather Belt Bag

Kilt (traditional Scottish garment)

Pottery MB (May be completed at the Pottery Shop, multiple pieces) Knife (Sheath knife, not part of Blacksmithing)

Metalworking MB (May be completed at the Blacksmith Forge, multiple pieces, OR single large piece)

White Ticket: Category Two:

Medicine Bag (Small decorated bag worn around neck) Slops (Poofy work pants, like what pirates and sailors wore) Pottery Project (a single of pottery)

Black Powder Shooting *(15 shots on Range, class included) Blacksmithing Project (single small project)

Beaded Wool Bag (small, cloth decorated belt bag) Basketry MB (a more intensive version than Base Camp)

If you are interested in doing more than the two crafts, you certainly can, assuming the craftsperson has room in their shop for you- all you need to do is pay the crafts person directly for the materials and instruction. Prices range from \$5-\$25. There is no ATM in camp, so you'll need cash. The Craft Centers and Craftspeople operate like small businesses inside BV, which allows for more in-depth work, and cuts down on sweatshop style projects (it's a sandbox, not building blocks). The crafts in Boonesboro are all custom work- each piece is unique to the maker- YOU.**

*The Black Powder Shooting Range can NOT qualify for Rifle Shooting Merit Badge, however, you can get a partial for the Black Powder option. This class is part of the Black Powder Shooting craft option, category two.

*You do not need a ticket from Base Camp or even a craft ticket if you want to shoot- Each shot costs one dollar, paid to the Range Officer. This goes for Boonesboro and Base Camp alike.

**For non-Villagers- you may still do some of the Boonesboro crafts. Some crafts are reserved for Villagers only, but others can be done simply by paying the specific craftsperson- no ticket is required.

TAVERN NIGHTS- The Village closes to Base Campers every day at 5:00pm- this is so we can cook and eat dinner. On Monday, Tuesday, and Thursday, the Village re-opens at 7:30 for a demonstration of a primitive skill or history lesson on a specific topic, followed immediately by the opening of the root beer Tavern with snacks and tavern games. Everything costs \$1, and everyone in camp Basecamp, High Adventure, and Boonesboro is invited. Play games, throw tomahawks, enjoy the company of your fellow Scouts, all by lamplight until 9:45. If you are musically inclined, bring your instrument up to the Boonesboro for Tavern Night and play for a free drink. The Village Trading Posts are open as well during this time, but remember, no ATM, so bring cash as a rule.

We are excited for the 2017 season of Boonesboro. Whether you are camping with us, or visiting from Base Camp, we look forward to seeing you in Boonesboro Village.

Camp Daniel Boone High Adventure Risk Advisory

Parents, guardians and potential participants in Camp Daniel Boone's High Adventure programs are advised that journeying to and from camp, and one's stay at camp, can involve exposure to accident, illness, and/or injury associated with high elevation, physically demanding, high adventure programs in a remote mountainous area. Campers may be exposed to occasional severe weather conditions such as lightning, hail, flash floods and heat. Other accidental possibilities include injuries from tripping and falling, motor vehicle accidents, asthma and diabetes related incidents, heart attacks, heat exhaustion and falls from horses. Western North Carolina trails are steep and rocky. Wild animals such as bears, rattlesnakes and mountain lions are native and usually present little danger if proper precautions are taken. Please refer to this guide book, speak with previous high adventure participants, or call Camp Daniel Boone for further information concerning risks and measures which can be taken to avoid accidents. CDB staff are certified in first aid and CPR and are prepared to assist in recognizing, reacting, and responding to accidents, injuries, and illnesses. Medical and search and rescue services are provided by Haywood County and Camp Daniel Boone in response to an accident or emergency, however, response times can be affected by location, weather, or other emergencies and could be delayed 6 or more hours.

RECOMMENDATIONS REGARDING CHRONIC ILLNESSES

Camp Daniel Boone requires that this information be shared with the parent(s) or guardian(s) and examining physician of every participant. Camp Daniel Boone does not have facilities for extended care or treatment, therefore, participants who cannot meet these requirements will be sent home at their expense.

CARDIAC OR CARDIOVASCULAR DISEASE

Adults or youth who have had any of the following should undergo a thorough evaluation by a physician before considering participation at Camp Daniel Boone High Adventure.

1. Angina (chest pain caused by heart or coronary artery disease)
2. Myocardial infarction (heart attack)
3. Surgery or angioplasty to treat coronary artery disease; surgery or treat congenital heart disease or other heart surgery
4. Stroke or transient ischemic attacks
5. Claudication (leg pain with exercise caused by hardening of the arteries)
6. Family history of heart disease or a family member who died unexpectedly before age 50
7. Excessive weight
8. Smoking

The altitude at our High Adventure Programs and the physical exertion involved may precipitate either a heart attack or stroke in susceptible persons. Participants with a history of any of the first six (6) conditions listed above should have a physician supervised stress test. A thallium stress test is recommended for participants who have coronary heart disease. Even if the stress test is normal, the results of testing done at lower elevations and without the backpacks carried at camp do not guarantee safety. If the test results are abnormal, the individual is advised not to participate.

EXCESSIVE BODY WEIGHT

Any youth or advisor who exceed the maximum weight limits on the Scouting weight chart is at extreme risk for health problems.

HYPERTENSION (HIGH BLOOD PRESSURE)

The combination of stress and altitude appears to cause significant increase in blood pressure in some individuals attending our high adventure programs. Occasionally hypertension reaches such a level that it is no longer safe to engage in strenuous activity. Hypertension can increase the risk of having a stroke, developing altitude sickness, or angina. Persons coming to camp should have a normal blood pressure (less than 135/85). Persons with significant hypertension (greater than 150/95) should be treated before coming to Camp, and should continue on medications while at Camp. The goal of treatment should be to lower the blood pressure to normal. Persons with mild hypertension (greater than 135/85 but less than 150/95) probably require treatment as well. It is the experience of the Camp Daniel Boone medical staff that such individuals often develop significant hypertension when they arrive at Camp Daniel Boone. Participants already on antihypertensive therapy with normal blood pressures should continue on the medications. Diuretic therapy to control hypertension is not recommended because of the risks of dehydration which exist with strenuous activity at high altitude and low humidity. Each participant who is 18 years of age or older will have his or her blood pressure checked at Base Camp. Those individuals with a blood pressure consistently greater than 150/95 probably will be kept off the trail until the blood pressure decreases.

INSULIN DEPENDENT DIABETES MELLITUS

Exercise and the type of food eaten affect insulin requirements. Any individual with insulin-dependent diabetes mellitus should be able to monitor personal blood glucose and to know how to adjust insulin doses based on these factors. The diabetic person also should know how to give a self-injection. Both the diabetic person and one other person in the group should be able to recognize indications of excessively high blood sugar (Hyperglycemia or diabetic ketoacidosis) and to recognize indications of excessively low blood sugar (hypoglycemia). The diabetic person and one other individual should know the appropriate initial responses for these conditions. It is recommended that the diabetic person and one other individual carry insulin on the trek (in case of accident) and that a third vial be kept at the Health Lodge for backup. Insulin can be carried in a small thermos which can be resupplied with ice or cold water camps. A diabetic person who has had frequent hospitalizations for diabetic ketoacidosis or who has had frequent problems with hypoglycemia should not participate in a trek at Camp Daniel Boone until better control of the diabetes has been achieved. Call Camp Daniel Boone Health Lodge at 828-648-0442 to obtain permission from the chief medical officer for individuals hospitalized within the past year.

SEIZURES (EPILEPSY)

A seizure disorder or epilepsy does not exclude an individual from participating on our High Adventure treks. However, the seizure disorder should be well controlled by medications. A minimum one year seizure-free period is considered to be adequate control. Exceptions to this guideline may be considered by Camp Daniel Boone's chief medical officer and will be based on the specific type of seizure and the likely risks to the individual and to other members of the crew. The medical staff at the Health Lodge may place some restrictions on activities (rock-climbing, horse riding, etc.) for those individuals who are approved for participation but whose seizures are incompletely controlled.

Weight Limits for Backpacking Treks

Each participant in a Camp Daniel Boone trek should not exceed the maximum acceptable weight.

The right hand column shows the maximum acceptable weight for a person's height in order to participate in a Camp Daniel Boone trek. Those who fall within the limits are more likely to have an enjoyable trek and avoid incurring health risks. Every hiking trek involves hiking with a 35-50 pound backpack with elevation gains as much as 3,000 feet.

It is recommended that participants carry a pack weighing no more than 25-30% of their body weight.

Participants 21 years and older who exceed the maximum acceptable weight limit for their height at the Camp Daniel Boone medical recheck, will not be permitted to backpack or hike in our treks. For example, a person 5'10" cannot weigh more than 226 lbs. The maximum acceptable weight for individuals of any age 6'7" or taller is 295 lbs. This limit is necessary due to limitations of rescue equipment and for the safety of rescue personnel

Height (inches)	Max. Weight	Height (inches)	Max. Weight
60	166	70	226
61	172	71	233
62	178	72	239

Personal Equipment for Water Treks

(Rafting, and Kayaking)

Our water trips are somewhat different than our land treks. We recommend that each participant attempt to pack light. We will have a group shakedown and remove any items deemed unnecessary to ensure there is room for food, extra water, and group gear. We layer our clothing, combining different garments to achieve optimum insulation and protection from wind and rain. We use either synthetic or wool fibers, which insulate when wet. We avoid cotton, which is poor insulation when wet.

It is not necessary to have a change of clothes for each day of the week. If you over pack we will have you remove excess clothing/gear to ensure there is room for other participants clothing/gear. Ultimately you will be getting wet during these treks. Try to bring one (1) pair of clothes to wear each day while participating in your chosen activity.

Please plan on having a pair of clean clothes to wear when you return at the end of the week. The Class A uniform is a great choice and it prevents packing extra clothes. If you have any questions or concerns please contact the council office.

Personal Equipment for Land Treks

A Scout is Prepared. Each Scout and Scouter must be equipped for cold, hot and WET weather. Although our treks take place in a summer setting, the mountains of Western North Carolina are situated in a temperate rainforest and have peaks that exceed 6,000 feet. This can cause temperatures range from 95°F during the day with no shade to below 40°F at night. Throw in heavy winds and conditions can be somewhat extreme. Hypothermia is a real challenge in the mountains, even in summertime. Prolonged periods of rain or quick thunderstorms are not uncommon. Below are gear checklists for each active we provide.

Also, we recommend that each participant attempt to pack light. We will have a group shakedown and remove any items deemed unnecessary to ensure there is room for food, extra water, and group gear. If you have any questions or concerns please contact the council office.
