

Need help?

How Honora helps...

Holistic Approach

"I'm worried about my mom!"

*Mom is in her 80's,
widowed & lives alone*

**Memory is failing –
forgets medications,
losing weight**

**Wants to remain in
her own home as
long as possible!**

*Daughter lives far
away & is worried!*

**Neighbor calls
daughter to express
concerns**

**Daughter calls mom
and she says she is
"fine"!**

**Daughter has a
sinking feeling
something is wrong!**

*Honora Care
Management
& Consulting helps!*

**Evaluates the
situation**

**Maximize
independence**

**Mom remains at
home, happy & safe!**

Daughter is relieved!

**Ongoing monitoring
& assistance**

"I don't have anyone anymore!"

*Retired nurse is now widowed.
She has no children and feels
alone in the world!*

***"I'm all alone and
worry about what
will happen to me if
no one is there
advocating on my
behalf."***

*Honora Care Management
& Consulting helps!*

Consultation

**Coordinates help with professional
advisors & needed services**

**Accompany to doctor
appointments to be a "second set
of ears"**

**Ongoing monitoring, assistance &
advocacy**

Ensures client wishes are followed

“Dad’s memory isn’t what it used to be!”

My father is stubborn and it’s gotten worse since his memory began failing.
