

CONVENIENT SERVICES AT AN AFFORDABLE PRICE

At Tax Depot, we believe in providing personal, quality services at reasonable prices. Since each return is different, our price list includes base amounts. We are happy to give price ranges on our basic form combinations, but our fees are determined by the forms that are needed to complete your return and calculate your deductions.

Please bring ALL your forms and information before filing. Amending an income tax return for forgotten or corrected information is often more complicated than the initial filing and creates an additional charge.

All payments are due upon completion of the return. Your return will not be electronically filed until payment is made. We accept cash, check, credit/debit card, and Venmo for payment.

A \$35 fee will be charged for any NSF checks.
