DESCRIPTION: Ben Pearson's flagship high-end target/field/hunting bow. Great looking and performing recurve. Green face limbs; red back limbs. Bow has no delamination; no cracks; limbs are straight. Overlays and tips are in great condition. No drilled holes. No chips, dings or cracks. No stress lines or crazing. A few minor scratches, scuffs and blemishes here and there. The only significant flaw is the discoloration of a part of the face limb fiberglass right below the grip (see pic). Decal is in good shape. Overall, this is a really nice bow in excellent condition for its age.
