SS-100 & SS-200 Stitchers

Shark Finishing Machinery introduces to its line of Smart print finishing equipment the SS-100 & SS-200 Wire Stitchers. These stitchers are wire fed, table top models that are easy to use and compact in size. They are the next generation in wire stitching with a unique heavy duty design.

Their adjustable table allows the ability to stitch both flat or saddle. With the ability to stitch a minimum of 2 pages to a maximum of 1/4 inch thick at a binding speed of 6,000-9,000 per hour.

The SS-100 & SS-200 is everything you could ask for in a wire stitcher.

- Maximum thickness 1/4 inch
- Electric
- Wire Spool
- Table Top
- Heavy Duty
- Foot Pedal Operation
- Speed from 6,000 to 10,000 per hour
- Adjustable table for Flat or Saddle stitching
- Compact Size
