Go to www.therapydogs.com for new member information.

Go to “How to become a member”

Download number 2 – Application

Download number 6 – Member Release

Have a fecal exam done for your dog if you have not had one in the last year.

*Your vet must sign the application

You will need a copy of your dog’s Rabies Certificate

All Testing is done on a 4 ft. leash.

Approved Collars:

Buckle, choke, martingale

Harnesses may be used but with an approved collar and requires approval by the TDinc board.

No treats during test but you may treat after testing.

Please bring all your paperwork with you to the initial test.
