- The Busiest Studio for Events

**T**he Studios at Paramount is more than a place where historic movies and TV shows are made. We're also the busiest studio for hosting special events. Our experienced event staff offers 5-star service in creating your event utilizing many of the same resources blockbuster productions use, including numerous stages, scenic parks and lavish theaters, as well as any staging, rentals or entertainment bookings you could want. When you team up with us, we'll turn your special event into a momentous occasion.
