Recent happenings here at OGI (continued from pg 1)

On March 23rd while competing at the Ohio USA Gymnastics Level 9 State Championships, Alexis Charles qualified to USA Gymnastics Level 9 Regional Championships in East Lansing Michigan—Great job Alexis!

Look for some changes coming soon in the Observation Area. Over the Spring Break we will be installing a bleacher seating area to provide everyone with a better view of the gymnastics areas!

Very soon we will have a new Birthday Party Room for our customers. The room will provide some privacy for the birthday party participants and relieve the congestion in the Observation Area

If you hadn't noticed we have a few new toys for your children to work with in the gym. We have recently completed a new training area for our Boys Teams and Recreational Classes, a Traverse Rock Wall, installed a "Slack Line," added new foam blocks to the loose foam pit

and we have completed our "In Ground" Trampoline system! Only the best for our Athletes.

Jungle Gym News

Each year our Jungle Gym Program puts on a great exhibition of skill and talent. This year's Annual Jungle Gym Exhibition will be held the weekend of June 8 & 9, 2013! We will have a circus theme as our "Jungle Gym Animals" go "Under the Big Top" for lots of fun. Participation is not mandatory, but any currently enrolled member of our Jungle Gym is welcome to join us for lots of fun and some prizes! Times and location is TBA, but make sure that you save the date so that your athlete can show off what they have learned to family and friends. More information will be available soon, look for a flyer near the end of April.

Next month join in with our Jungle Gym monthly theme of "April Showers" as we challenge our critters with new skills and reward them with theme based mementos as they master new skills and sequences.

Remember that you can schedule a 2nd class each week and get a 40% discount - your child can also attend Open Gyms Fridays & Sundays for extra Practice
