## A day on board!

Enjoy each day exactly as you want

Your days aboard can be as relaxed or as spontaneous as you like. Some people like to lounge around, and have breakfast in bed and let the day unfold to the rhythms of the sun and sea, lounging by the pool or reading in the shade of a secluded deck.

Others plan their day in advance and rise early in the morning to take advantage of the many [scheduled activities](#) and rich facilities on board.

## Start the day right

Breakfast is served from 7am – 10am, or you can call room service for continental breakfast in your stateroom.

## See the sights you want

Our expert-designed excursions ensure you can make the most of your cruise vacation. Join us in full-day tours, half-day excursions or short tours to discover art and architecture, archaeology and adventure, shopping or sightseeing. What's more, we offer a tremendous array of adventure activities as well, including diving, snorkeling, 4x4 safaris, desert treks, glacier hikes and camel rides. You can also visit artist's studios and botanical gardens, museums and galleries, local villages and global landmarks. Every visit to a port of call will be an unforgettable journey of discovery.

## Morning activities

Each of our [designer ships](#) offers a vast array of facilities, allowing you to match your mood every morning as you ease into the day. Bask on the tranquil sun decks or take a dive in one of the pools (adults-only and kids-only available), opt for a game of mini-bowling or a full workout in the [gym](#), a leisurely round of mini-golf or high-octane fun in the games arcade and 4D cinema. Browse in the library or online in the [Internet café](#).

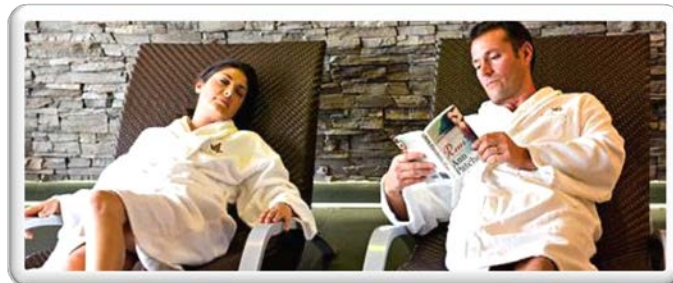

## Midday dining

Lunch is served in four different onboard restaurants (dining times vary on ship and geographical location). Treat your taste buds to freshly prepared Mediterranean cuisine or the authentic delicacies from around the world served in our specialty restaurants. Enjoy our amazing cuisine on each of ships.

## Afternoon activities

Stroll the decks after lunch or treat yourself to a gift in one of our upscale boutiques. Or plan your day full of activity with a game of tennis or badminton. Get creative with an arts & crafts class or give your body the care it deserves in the MSC Aurea Spa. Try your luck in the casino or just relax over coffee or tea in one of the many cafés on board, watching the world go by and catching up with new friends.

## Evening dining

As day fades into night, explore the freshly-cooked creations of master chefs in a world tour of gourmet dining, from Mediterranean fusion cuisine to Asian delights, French bistro gastronomy, authentic Neapolitan pizzas, spicy all-time Tex-Mex favorites and more (restaurants vary by ship).

Whether you dine early to catch a show or linger 'til late feasting with friends, you'll find every meal an occasion to remember.
